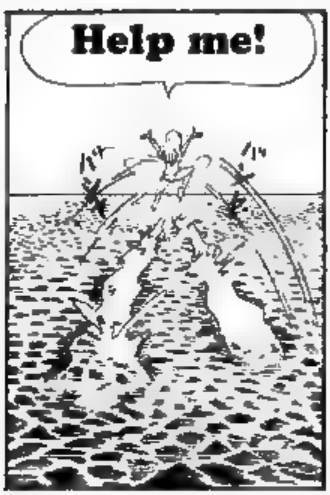
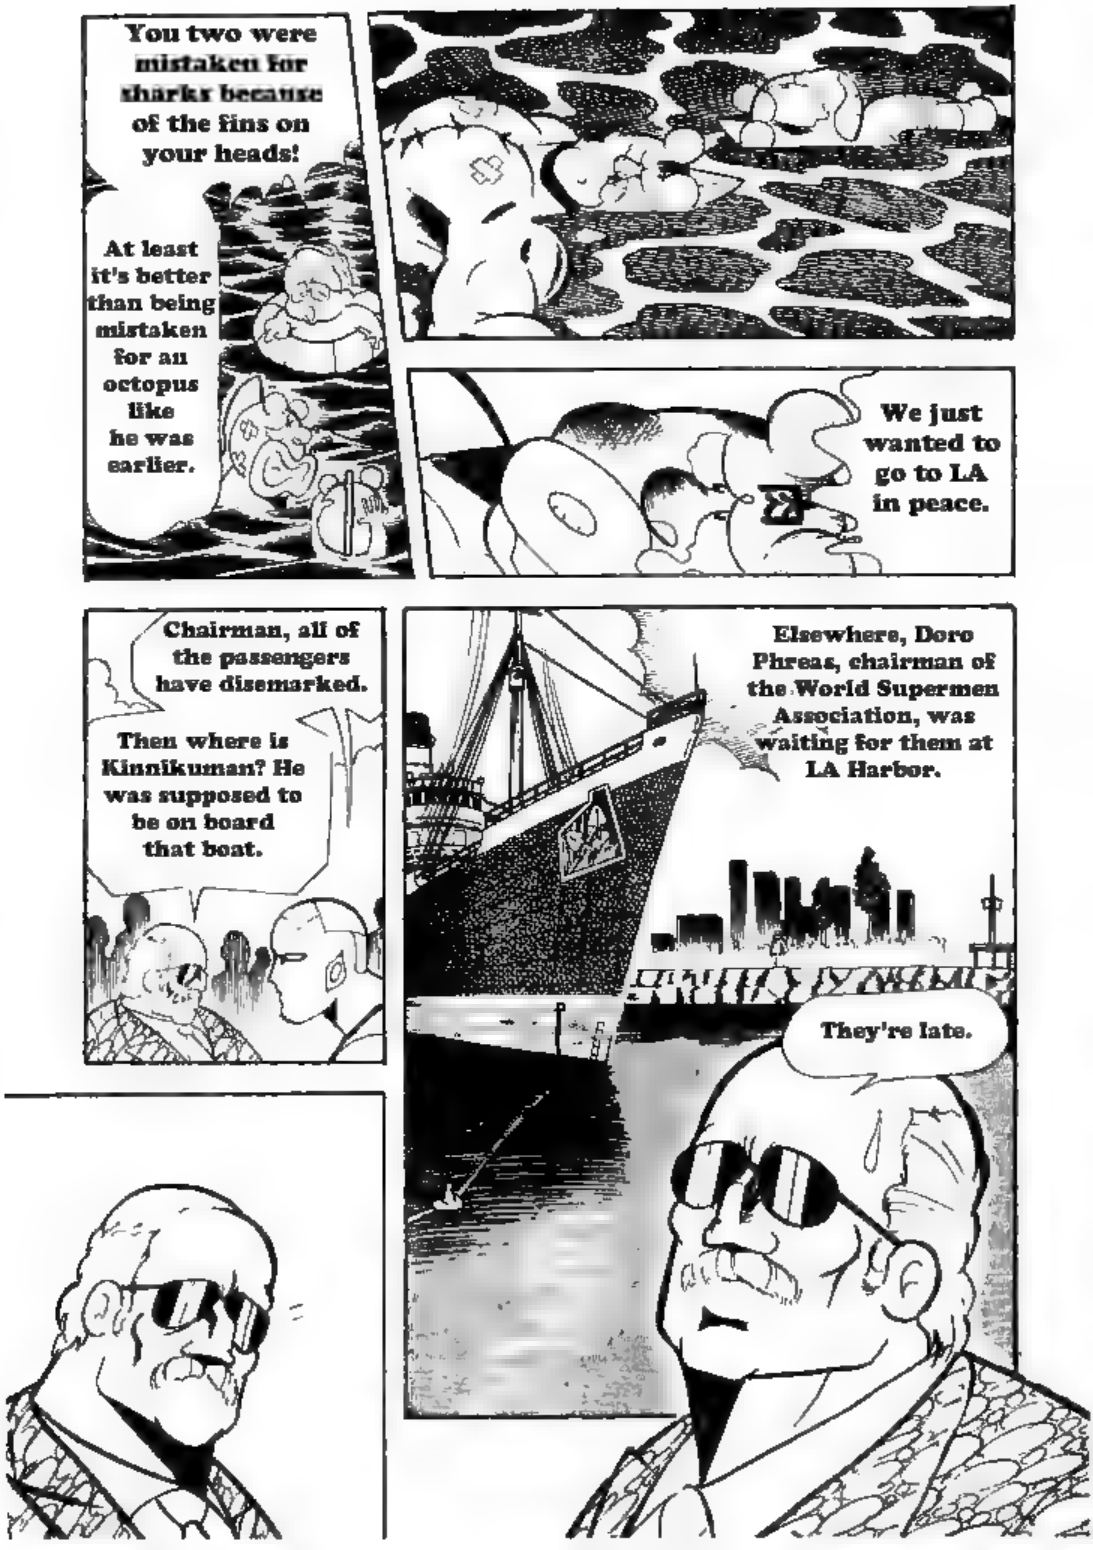
Jaws!
OH!



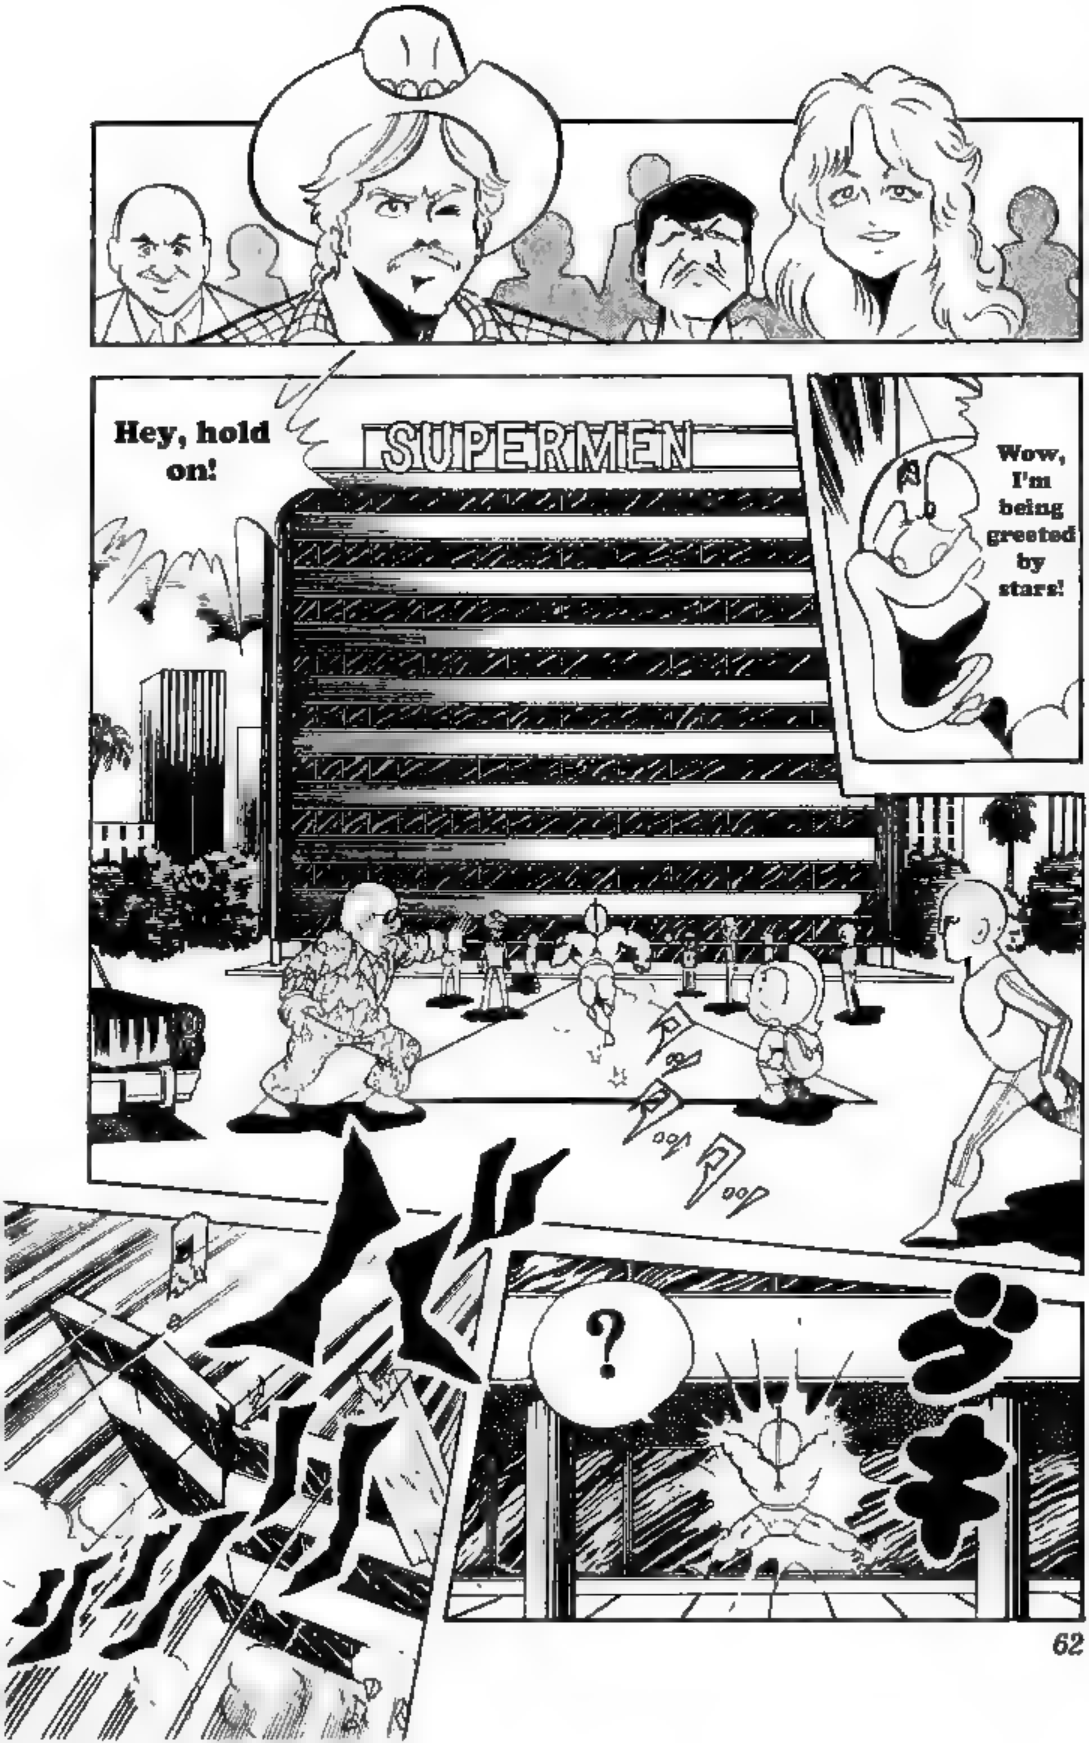
Help me!

Whaa!
Kyaa!
ドガドガドガドガ



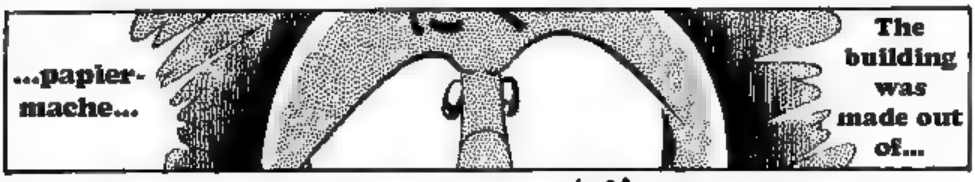
You two were mistaken for sharks because of the fins on your heads!
At least it's better than being mistaken for an octopus like he was earlier.
We just wanted to go to LA in peace.
Chairman, all of the passengers have disemarked.
Then where is Kinnikuman? He was supposed to be on board that boat.
Elsewhere, Doro Phreas, chairman of the World Supermen Association, was waiting for them at LA Harbor.
They're late.

You're a champion. It's pathetic to be mistaken for a fish.
Huh? It seems I've caught some strange fish...
ドド
Oh, they're here.
This is incredible!
Look, it's the World Supermen Association!



Hey, hold on!
SUPERMEN
Wow, I'm being greeted by stars!
?

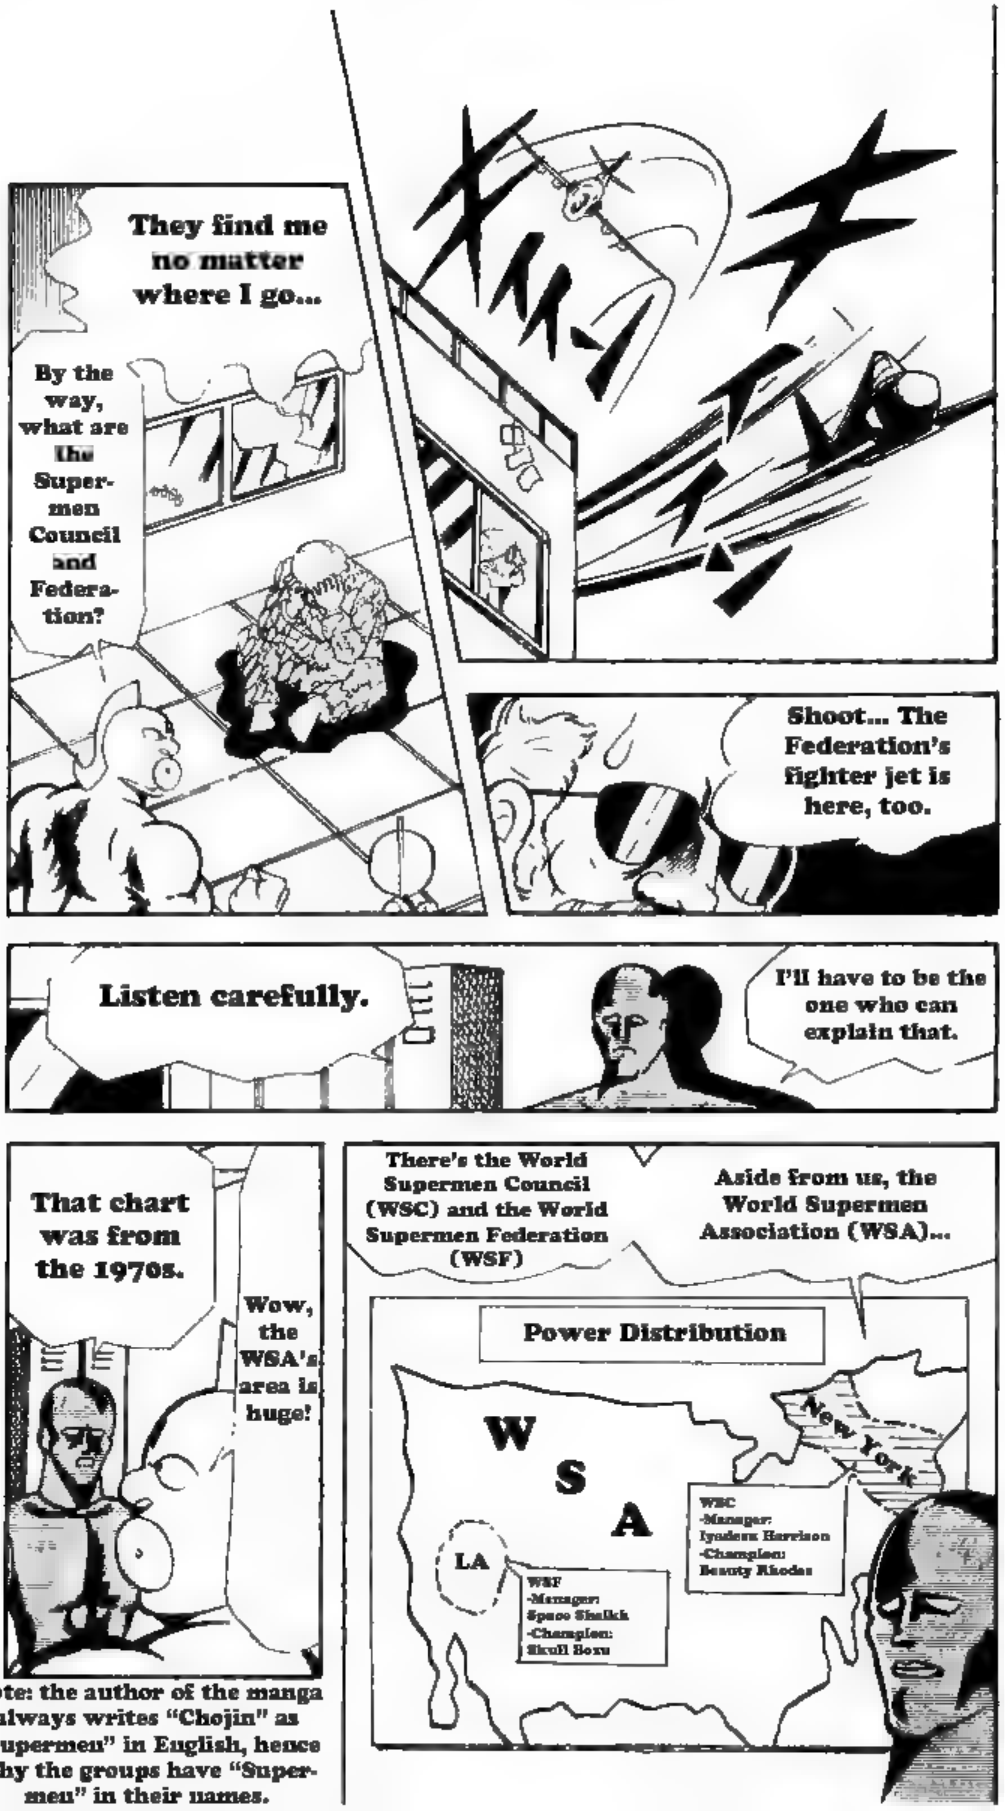
The real one.



...papier-mache...
The building was made out of...

Chairman, it's the Council's fighter jet!
I'll tell you the reason later, just get in the building, quick!

That's because...
These stars are just dolls!



They find me no matter where I go...
By the way, what are the Supermen Council and Federation?
Shoot... The Federation's fighter jet is here, too.
Listen carefully.
I'll have to be the one who can explain that.
That chart was from the 1970s.
Wow, the WSA's area is huge!
There's the World Supermen Council (WSC) and the World Supermen Federation (WSF)
Aside from us, the World Supermen Association (WSA)...

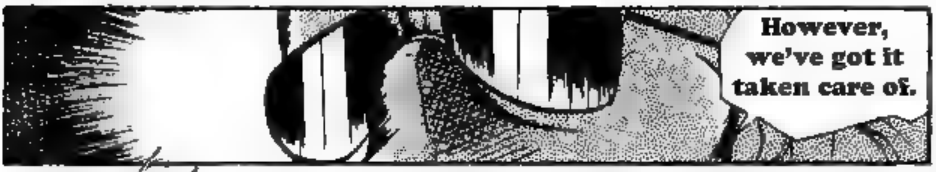
Now it's more like this.
The once-mighty WSA has been reduced to Califonia!



However, we've got it taken care of.

Don't worry! Chabo's been training extra hard for today. He won't lose!
If he loses, you lose Cali-fornia.
If we wins, we get the west back!
New power distribution
Chabo Keroli, the champ of Califonia under the WSA, is facing off against Skull Bozu, champ of the WSF!

How'd the match go? Did you win?

We'll position ourselves there and start from scratch.

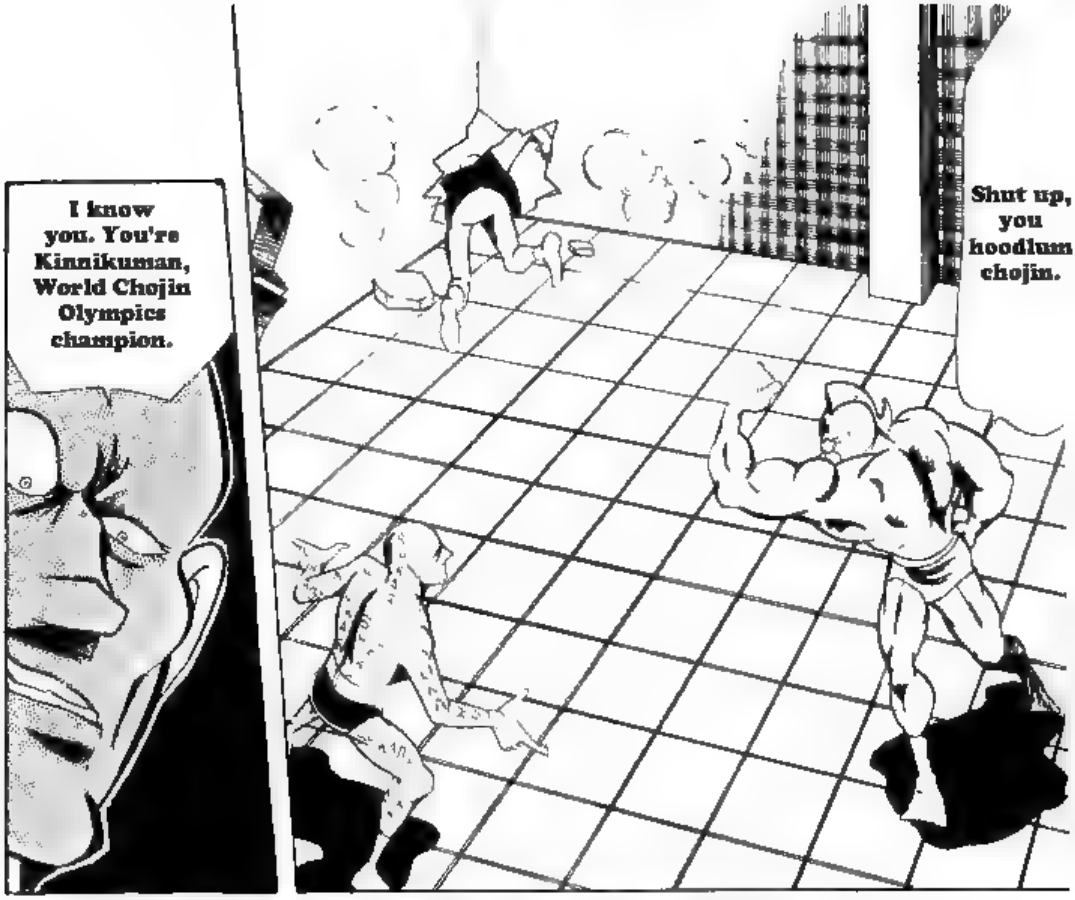
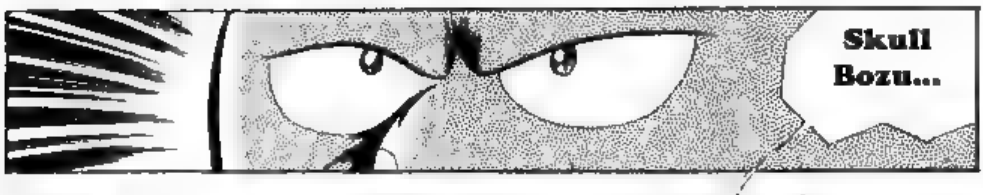
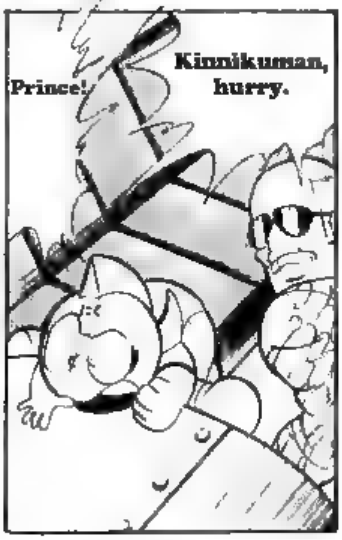
Hahahaha! Victory belongs to the WSF! If you don't want to be crushed, leave immediatly!
WSA
Didn't you hear him!? That's Skull Bozu, WSF champion!







Note: Umibozu is a Japanese spirit that's bald and sinks ships.

It's already done?
Your jaw's gonna drop when you see our new base.
GOOO
You could even call it a lost world.
It's better than Hollywood or Disneyland.
Lost world?
Right! That's why we've named it "Supermen World"!

Eh? But I don't see anything!
Hehehehe, it seems we're arriving at this awesome place.

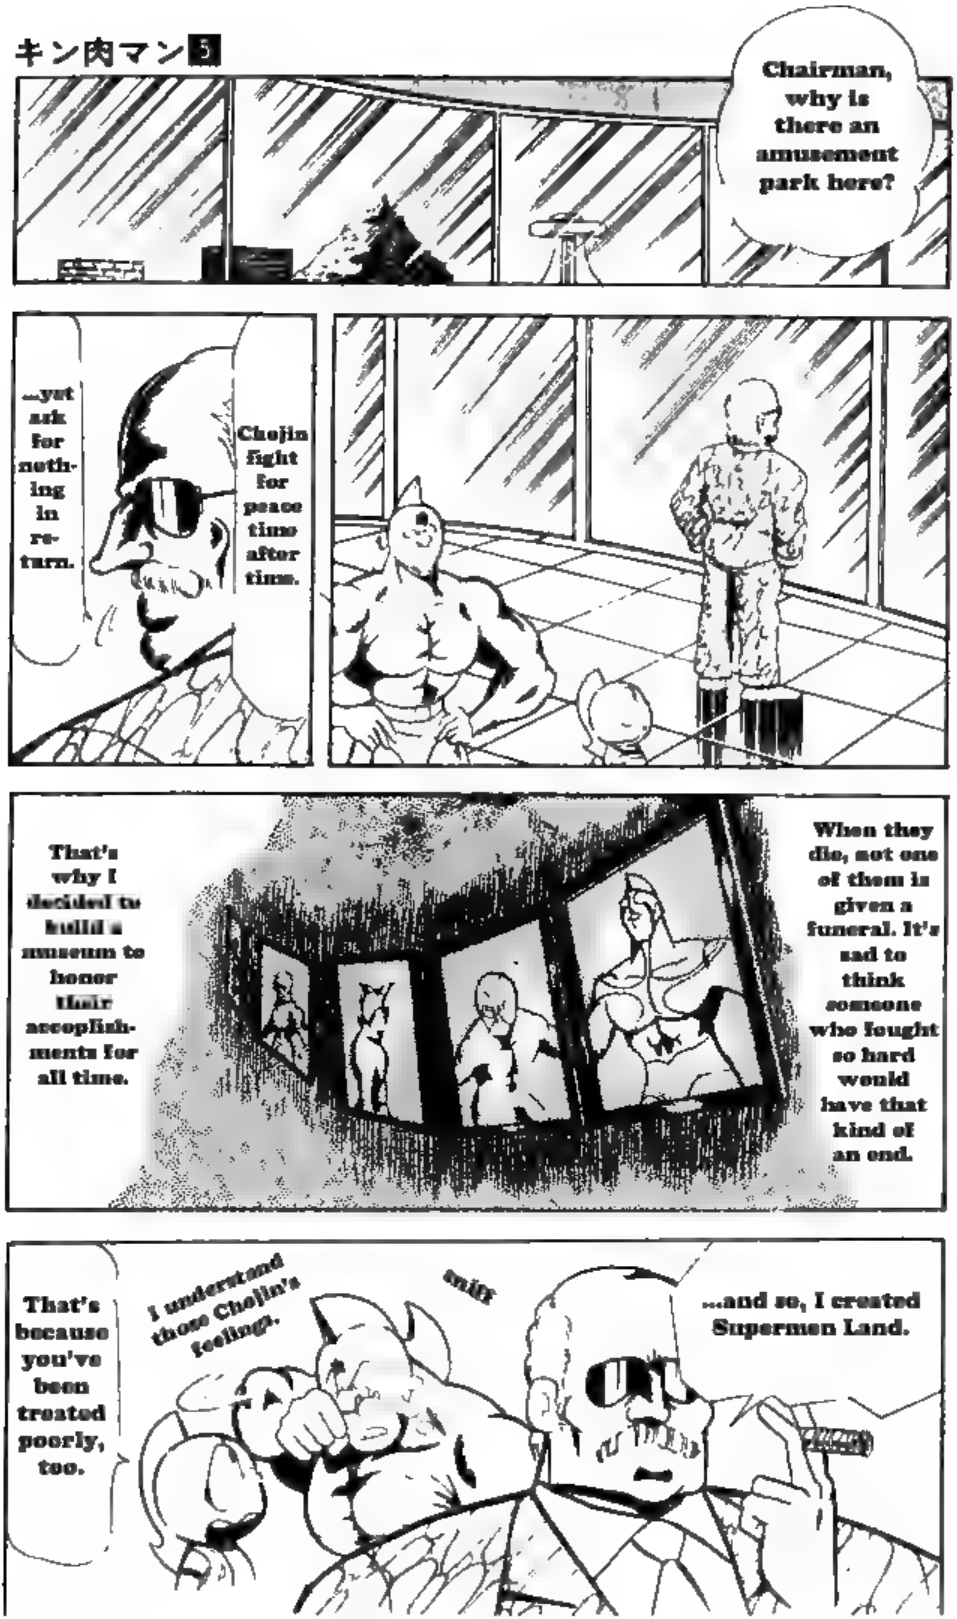
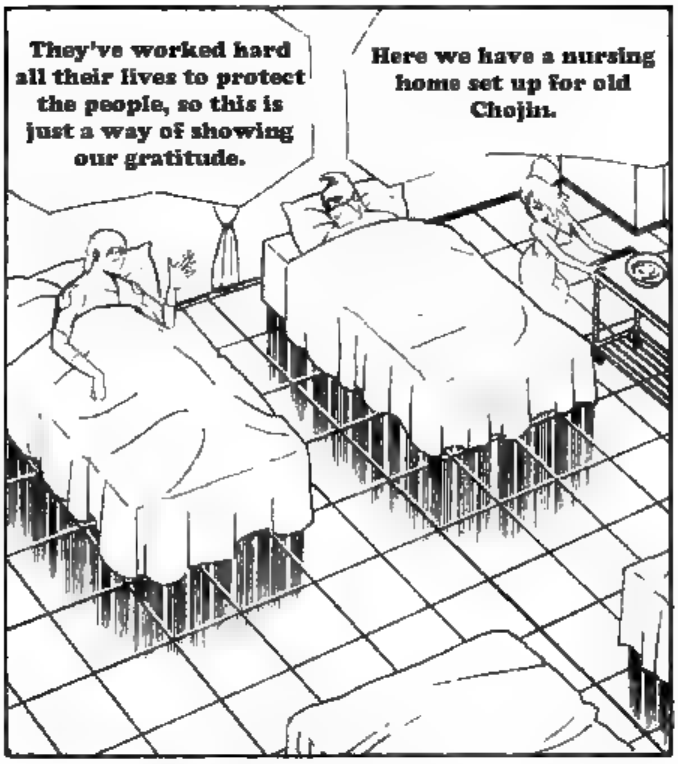
And within it is Supermen Land!
It's like Disneyland!
We'll be able to take a tour from inside the Panorama Tower.
That's because it was intentionally built to be a more advanced version of it.
Hahaha. It's not surprising that you think that.



Chairman, why is there an amusement park here?
...yet ask for nothing in return.
Chojin fight for peace time after time.
That's why I decided to build a museum to honor their accomplishments for all time.
When they die, not one of them is given a funeral. It's sad to think someone who fought so hard would have that kind of an end.
That's because you've been treated poorly, too.
I understand those Chojin's feelings.
suin
...and so, I created Supermen Land.

SWA
This pavilion has a computer which has the history of over 100,000 Chojin of past and present.
According to this, Superman has a job as a reporter. He's listed as an A-rank Chojin.
So then, let's go to the next pavilion.
Calm down, the computer isn't your opponent.
What the?
There's no data for such a useless Chojin, stupid.
History
Let's hear about my life!
Prince has changed a lot since the old days.



They've worked hard all their lives to protect the people, so this is just a way of showing our gratitude.
Here we have a nursing home set up for old Chojin.

Walkway of Glory!?

This is the main attraction of Supermen World: The Walkway of Glory!
Why's the floor uneven here?

These are the marks left by the greatest Chojin in the world!
It's similar to the handprints and footprints of the stars at Grauman's Chinese Theater in Hollywood.
Robin Mask's hand-print!
Yes, and I'm sure Kinni-kuman will be next.
ROBIN

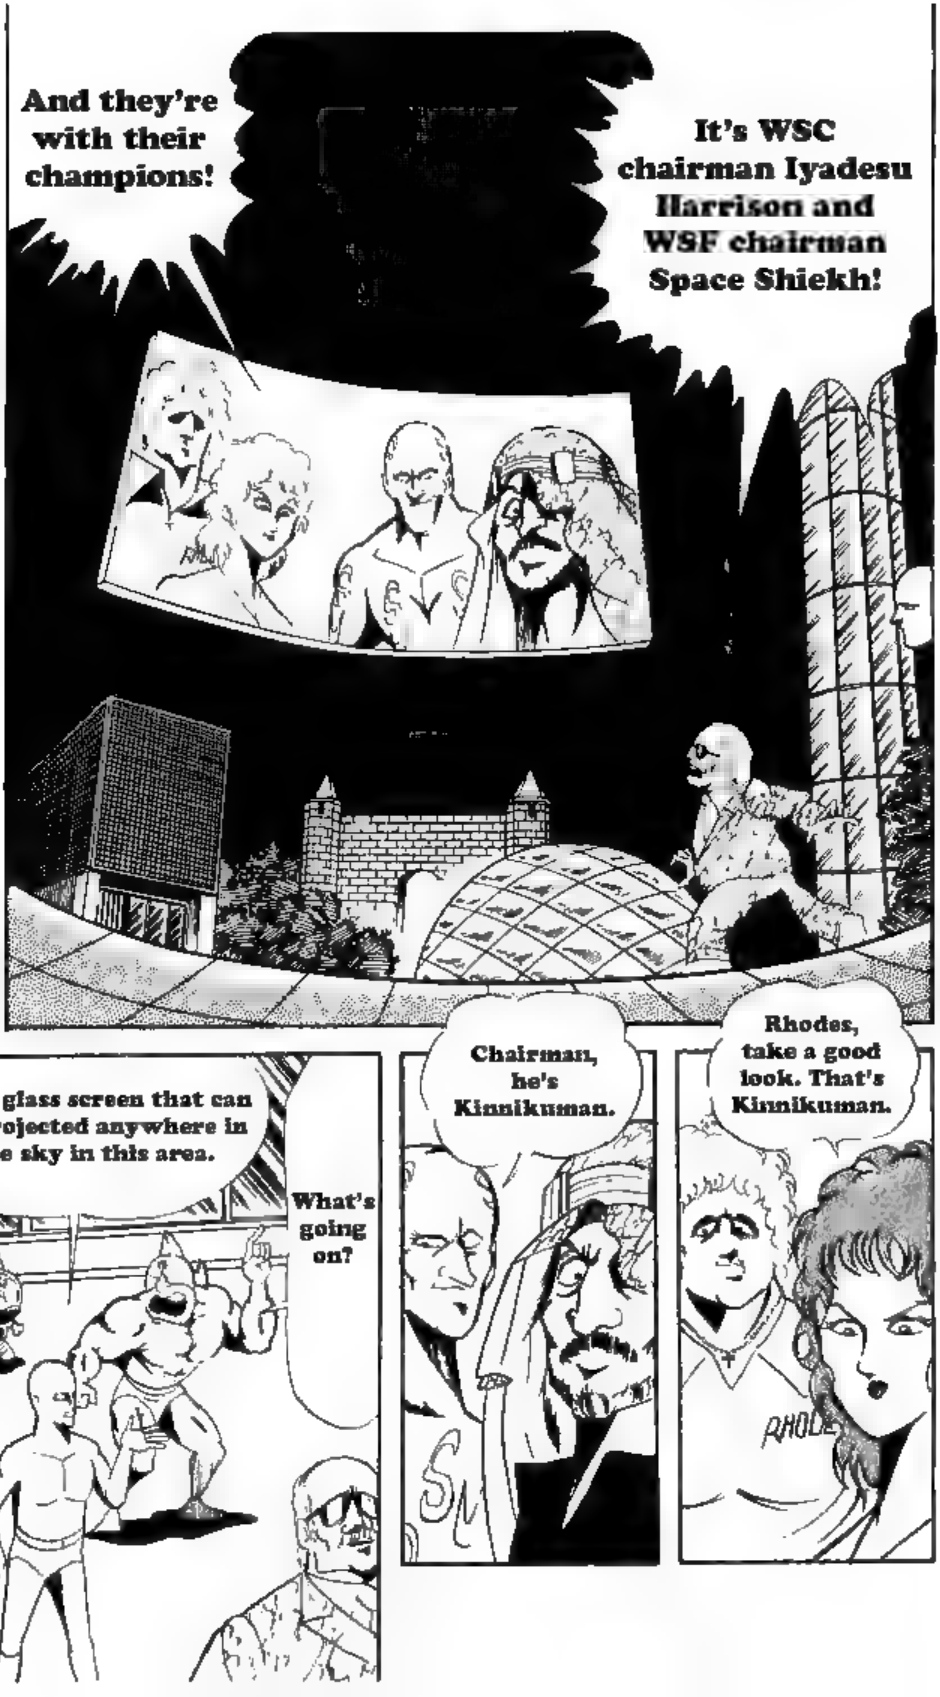
I'll dominate the American Chojin World!



And they're with their champions!
It's WSC chairman Iyadesu Harrison and WSF chairman Space Shiekh!
It's a glass screen that can be projected anywhere in the sky in this area.
What's going on?
Chairman, he's Kinnikuman.
Rhodes, take a good look. That's Kinnikuman.

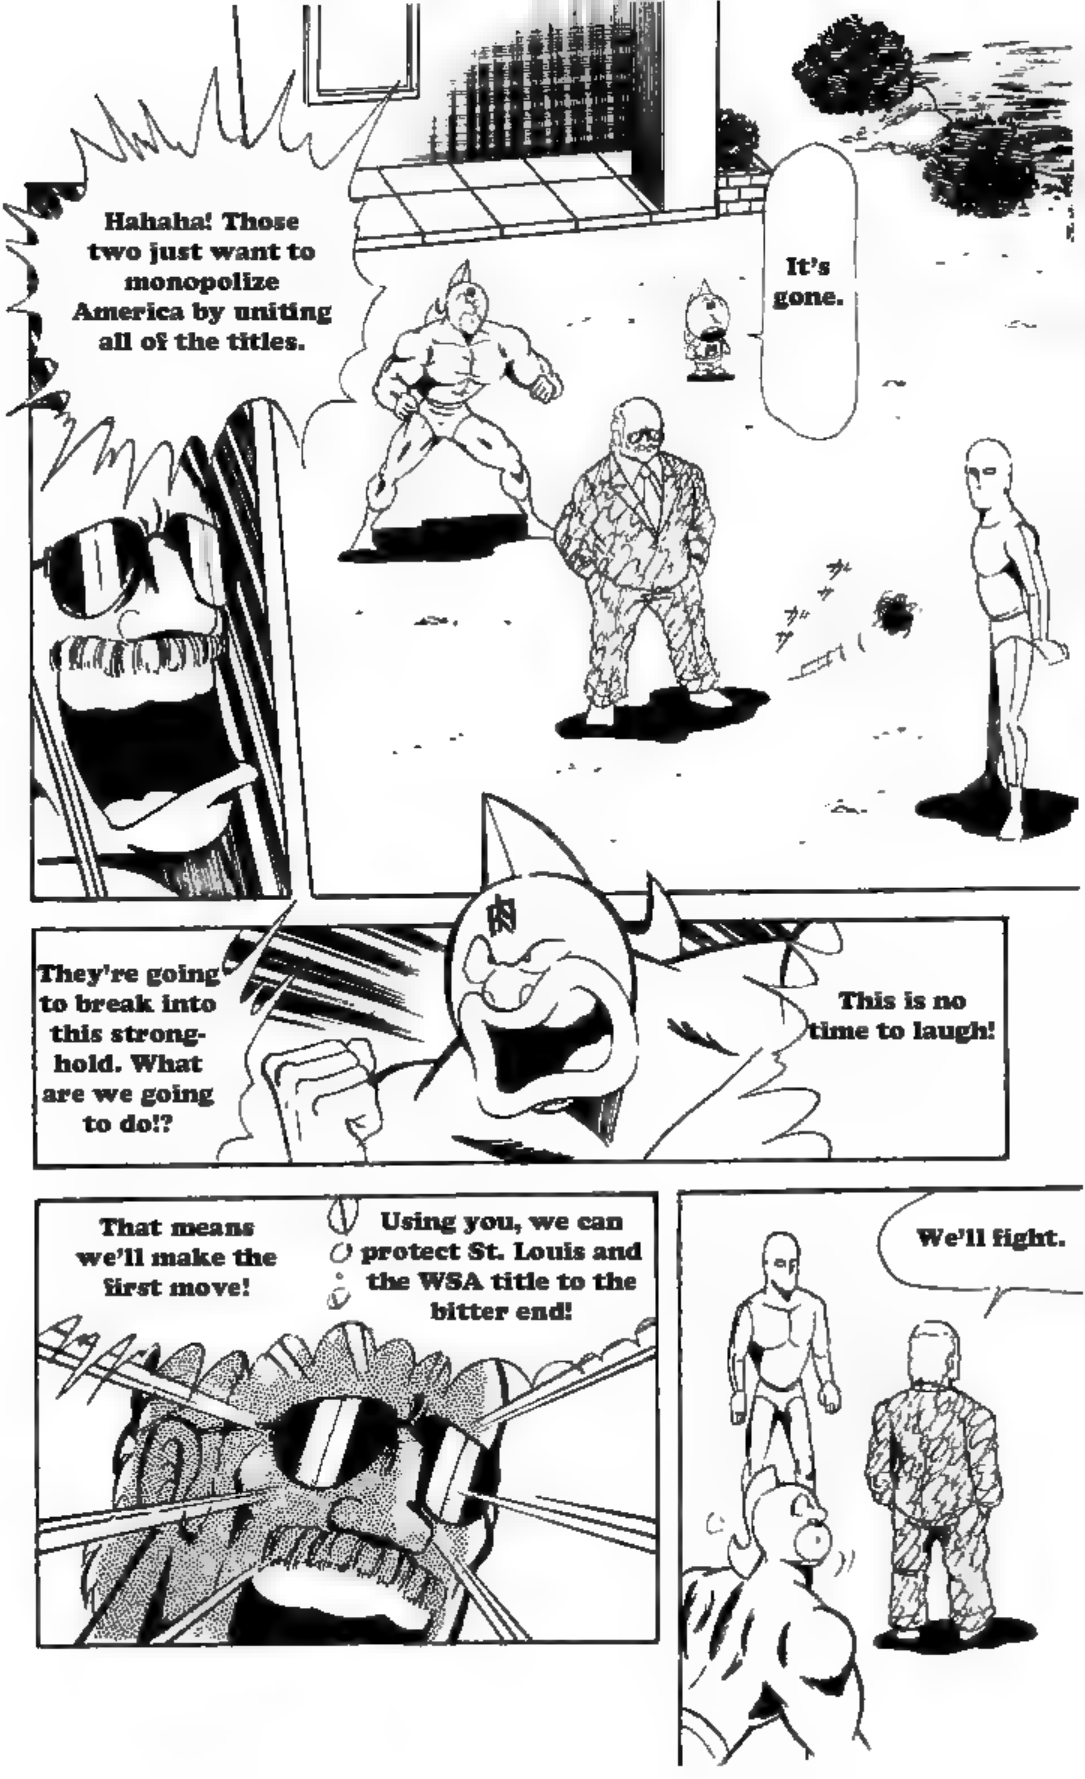
Why are you together if you're from different groups!?
Phreas, we know about your base in St. Louis!
We both want to destroy the WSA, so we've joined forces.
Hold on, Shiekh! Kinnikuman's title has already been challenged by Beauty Rhodes!
Now you have no choice but to come to Las Vegas and fight Skull Bozu.
No, you're vulture can pick at his remains when we're done!
Fine then, your fat boy can him him when we're done with him!

No, he's ours!
He's ours!

Anyhow, the fans' wish for unification of the titles will soon come true.

S.W

Soon, the WSA's belt will be ours!



Hahaha! Those two just want to monopolize America by uniting all of the titles.
It's gone.
They're going to break into this stronghold. What are we going to do!?
This is no time to laugh!
That means we'll make the first move!
Using you, we can protect St. Louis and the WSA title to the bitter end!
We'll fight.

...and then, both of them will fall!
Then, you'll join the WSF and take them down from within!
Kinnikuman, from this point forward, I want you to fight the WSC as hard as you can!
It's not going to...
I'd love to infiltrate them, but they already know how I look!

SWA
Chair-man, stop it!
Endure this, for soon your name will be on the Walkway of Glory!

Rhodes!
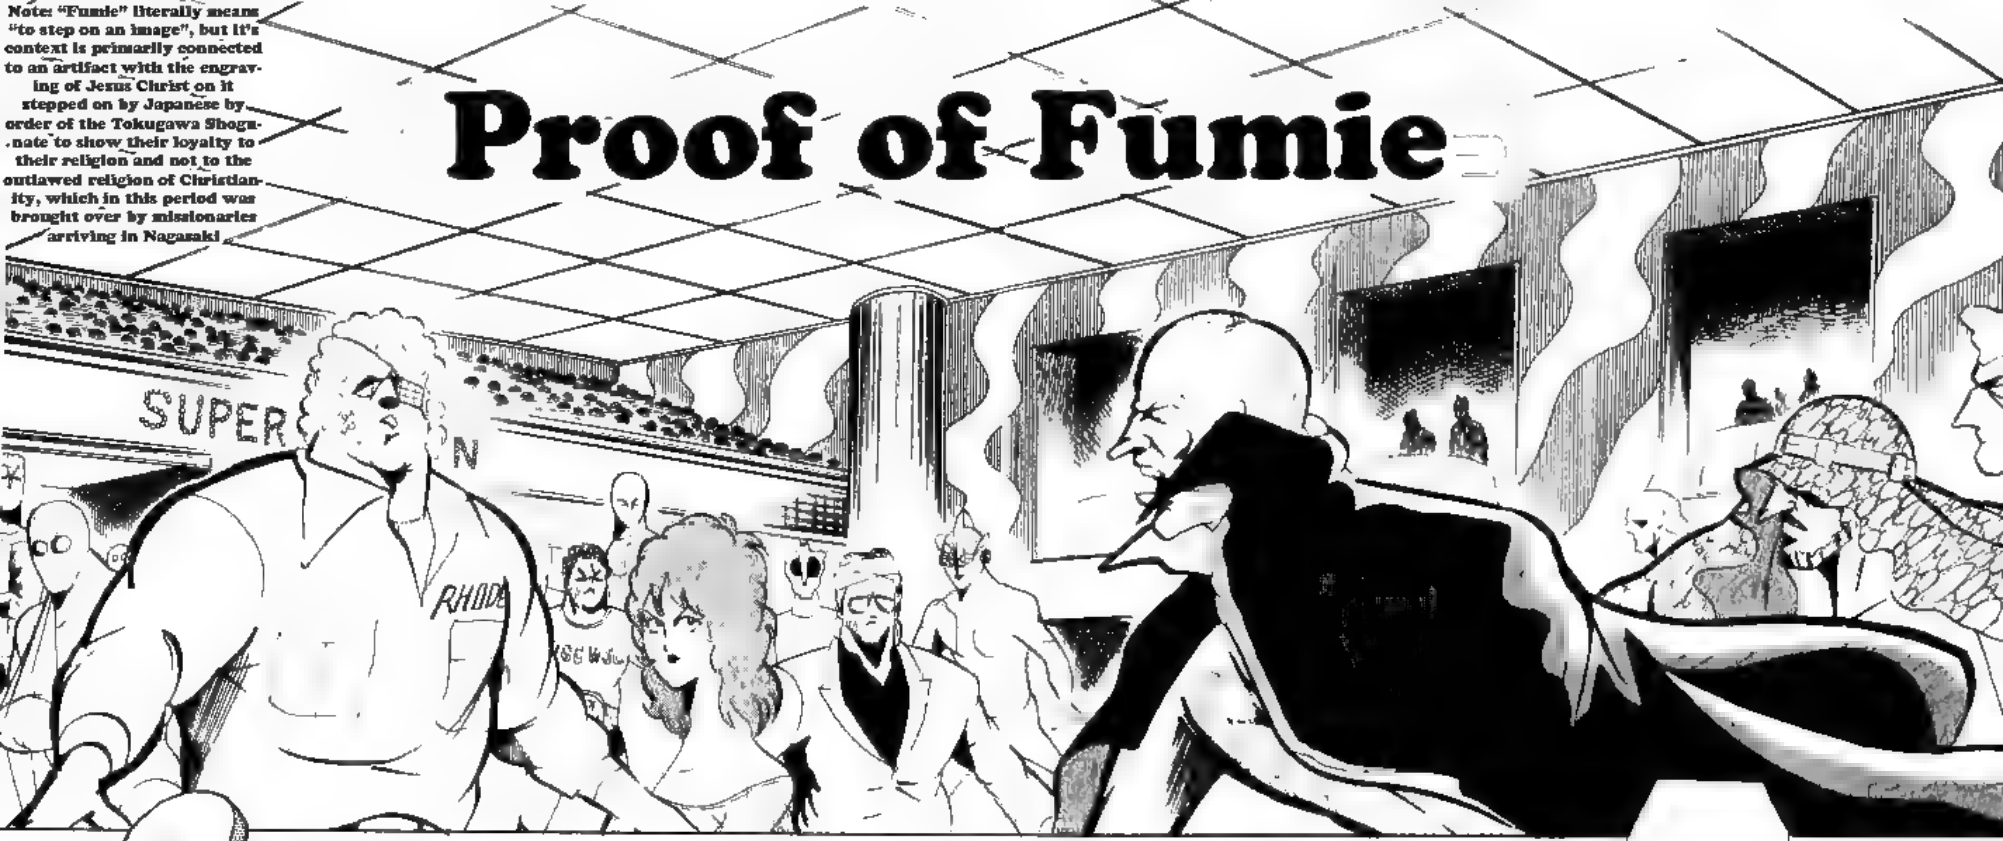
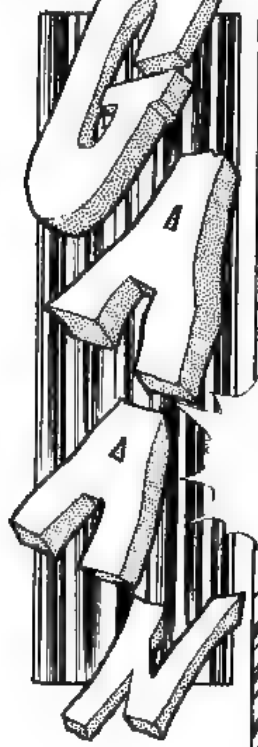
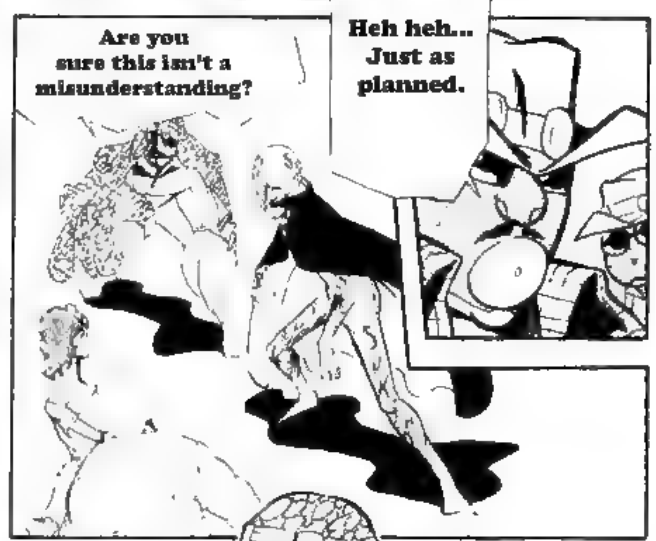
This is getting good.

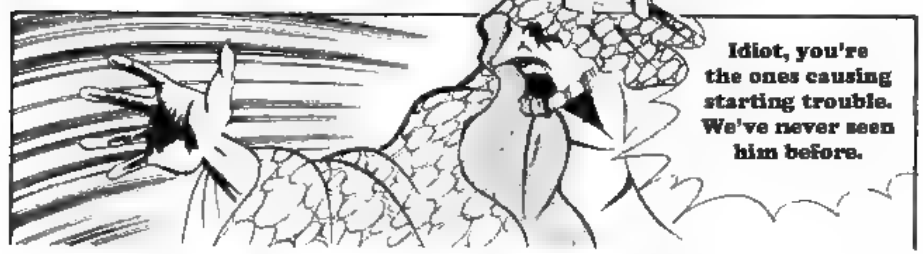
Note: "Fumie" literally means "to step on an image", but it's context is primarily connected to an artifact with the engraving of Jesus Christ on it stepped on by Japanese by order of the Tokugawa Shogunate to show their loyalty to their religion and not to the outlawed religion of Christianity, which in this period was brought over by missionaries arriving in Nagasaki

Proof of Fumie



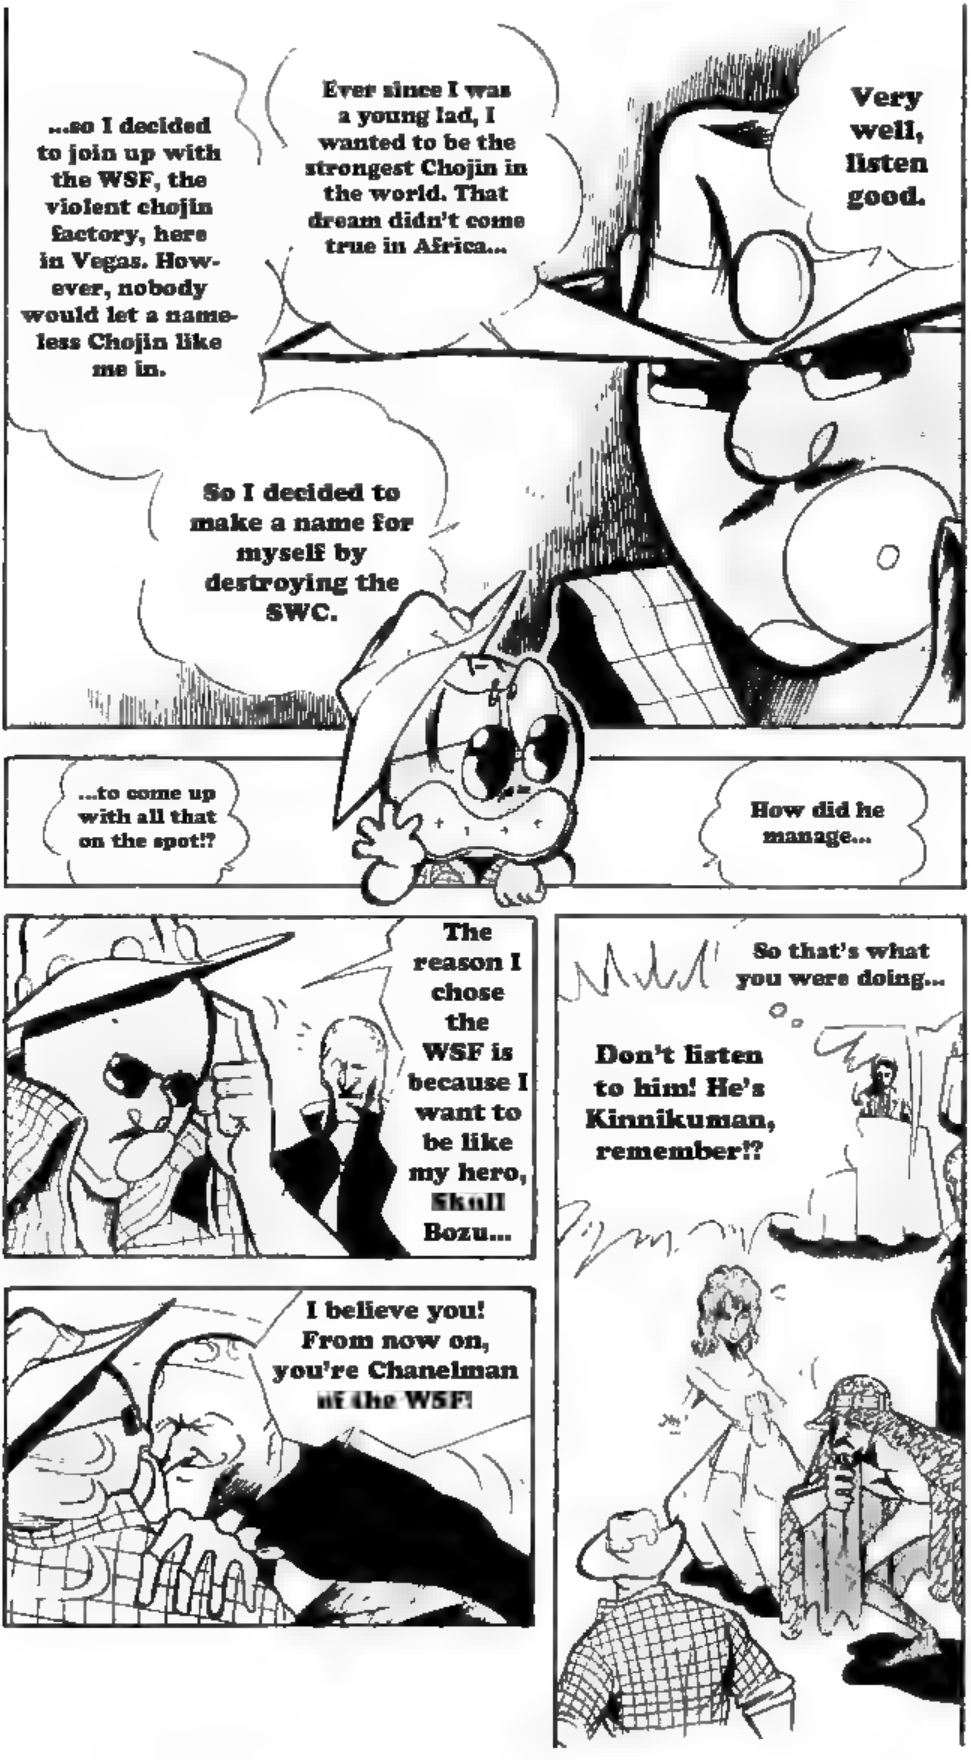




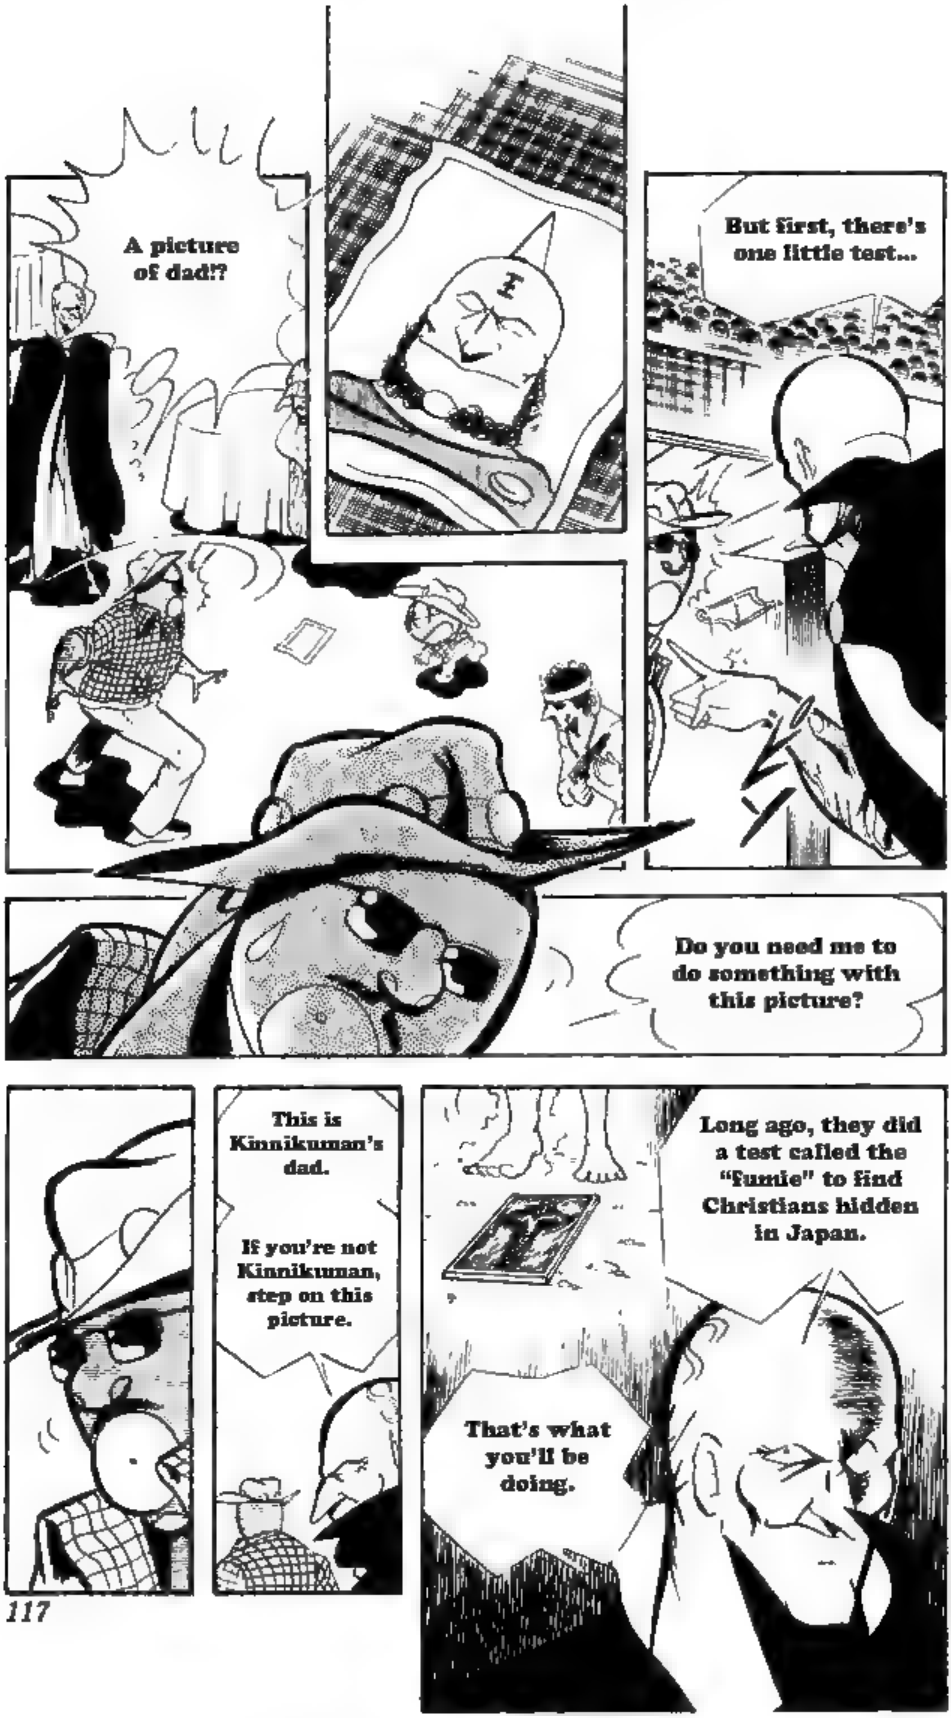


Huh?
ズィ
There's the culprit!
He's sitting right there!
We don't need an explaination Chanelman...
Hehehe...
We knew that you two were working for the WSA from the moment Chanelman appeared!
You fell right into our trap!
...or should I say "Kinnikuman"?

So you're saying I'm Kin-niku-man!?
HA-HA-HA-HA-HA-HA!
Heh...
You should fear and respect the violent chojin Chanelman!
I am from Africa, where only the strong survive. In my country, we'd silence crybabies like that.
That speech must have hurt.
Don't even joke. I'd never be caught dead work-ing with that failure!
Why is an African Chojin like you in America?



Very well, listen good.
Ever since I was a young lad, I wanted to be the strongest Chojin in the world. That dream didn't come true in Africa...
...so I decided to join up with the WSF, the violent chojin factory, here in Vegas. However, nobody would let a nameless Chojin like me in.
So I decided to make a name for myself by destroying the SWC.
How did he manage...
...to come up with all that on the spot!?
The reason I chose the WSF is because I want to be like my hero, Skull Bozu...
So that's what you were doing...
Don't listen to him! He's Kinnikuman, remember!?
I believe you! From now on, you're Chanelman of the WSF!

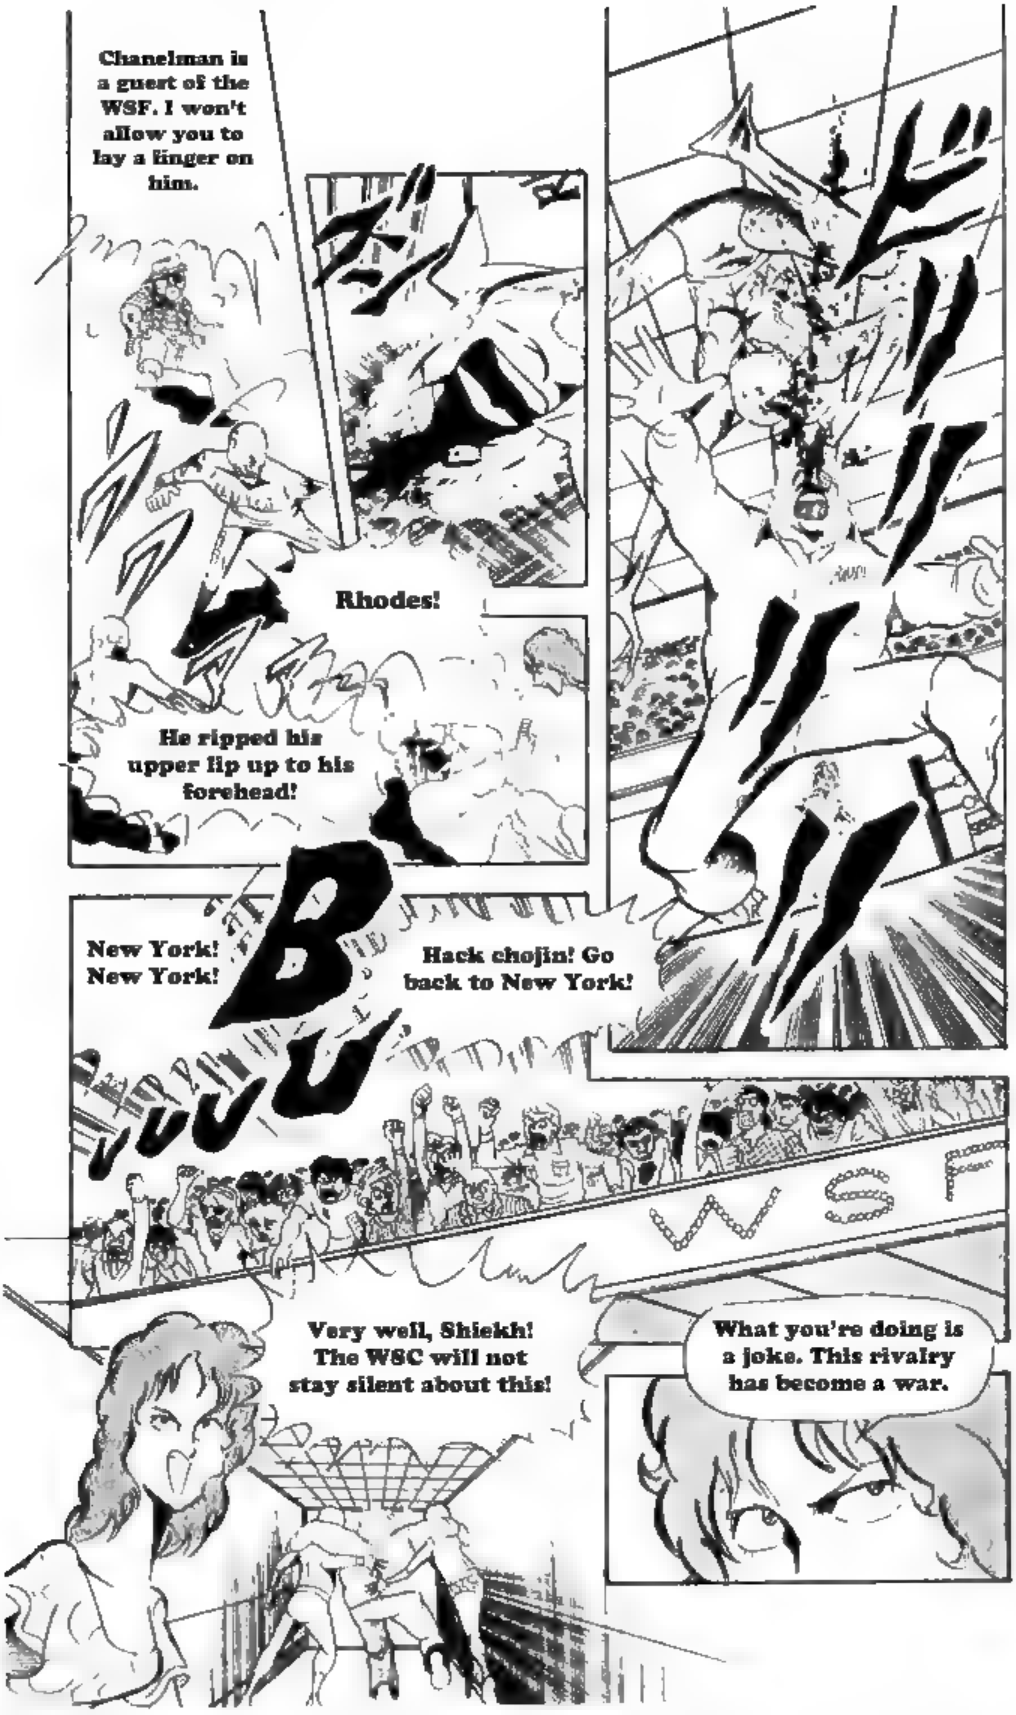


A picture of dad!?
But first, there's one little test...
Do you need me to do something with this picture?
This is Kinnikuman's dad.
If you're not Kinnikuman, step on this picture.
Long ago, they did a test called the "fumie" to find Christians hidden in Japan.
That's what you'll be doing.

This is a stupid test for the prince who has the least amount of respect for his parents in the galaxy.
DO
GA
ドガ"ドガ"
ドガ"
ドガ"

Good enough?
Yes, that's perfect!
Hey, this is WSF territory! We do things how we like!
The Council will not recognize him just because you do!
Skull, you're selfish!
Welcome to the WSF!
No... I was just...
You're too soft, Shiekh! How is that supposed to prove he isn't Kinnikuman!?

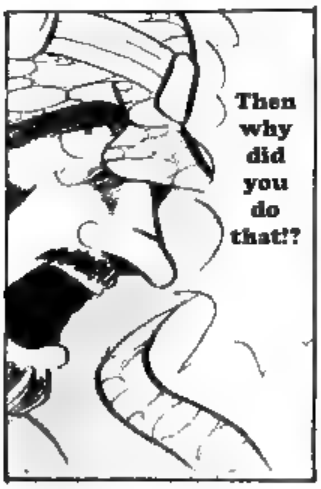
If that's how you want to play, fine! We'll rip his diguise off ourselves!
RHODES



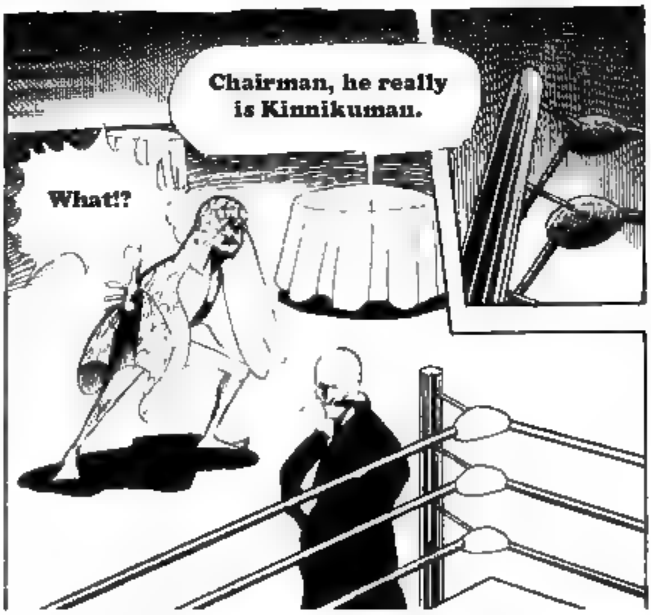
Chanelman is a guest of the WSF. I won't allow you to lay a finger on him.
Rhodes!
He ripped his upper lip up to his forehead!
New York! New York!
Hack chojin! Go back to New York!
WSF
Very well, Shiekh! The WSC will not stay silent about this!
What you're doing is a joke. This rivalry has become a war.

Alright everyone! All guests of Las Vegas can stay at our splended hotel, Shiekh the Tropicana!
What do we do, Meat?
Both groups are fighting, so we won!

Then let's party!

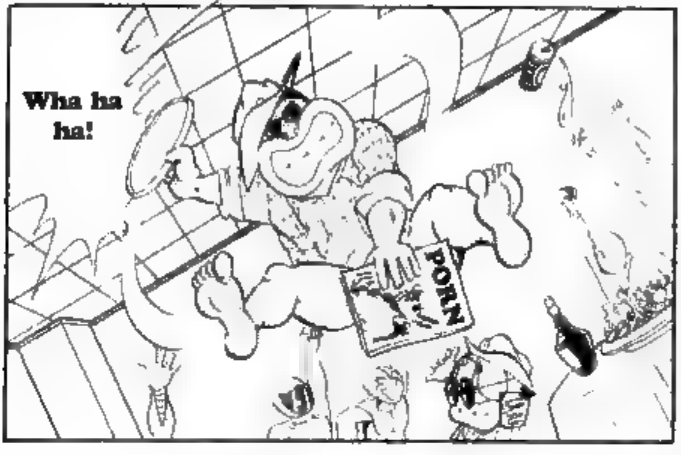


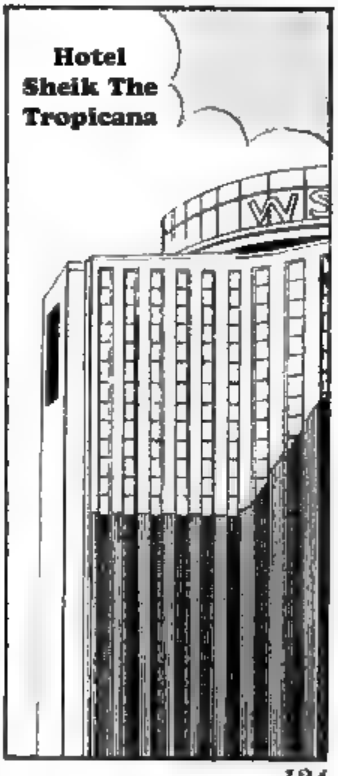
Then why did you do that!?



Chairman, he really is Kinnikuman.
What!?

In short, letting Chanelman in is the same as letting the World Champion belt in!
That way, we ensure ourselves an advantage!
It was easy to tell since he always carries his belt with him.
So I decided to start a fight with the council.
So you got all buddy-buddy with him to get closer to him?
Of course.
But Skull, how do we expose his true identity?
Heheheh...
I've got a good idea...





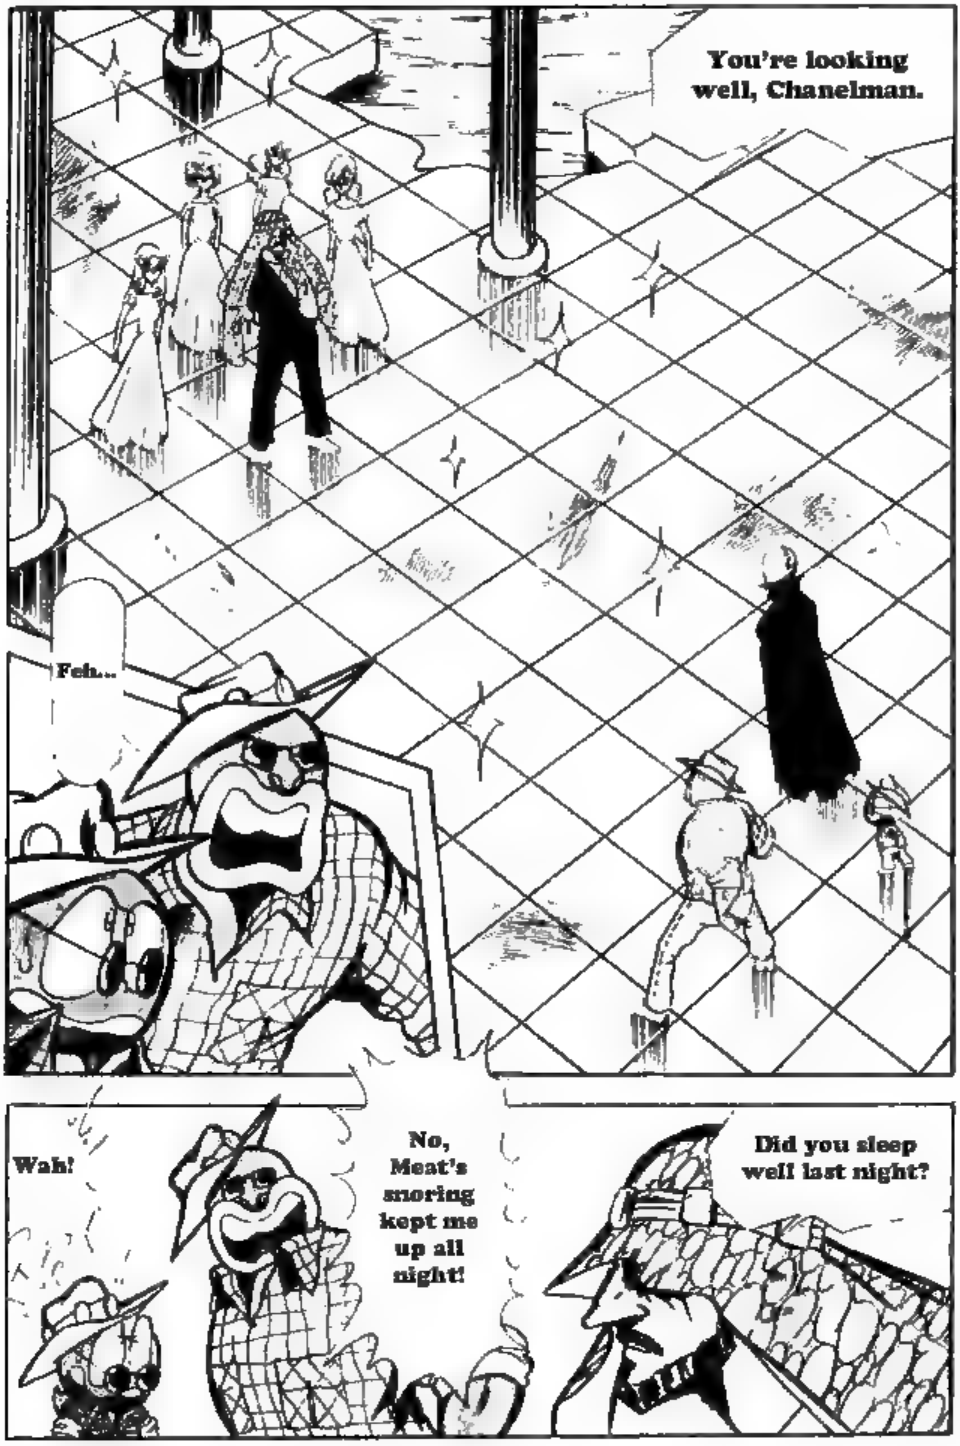
You've jumped into the enemy's arms splendidly. By doing this, you should destroy the WSF from the inside. We're extremely happy. Don't let thm discover your true identity.

-Doro Phreas

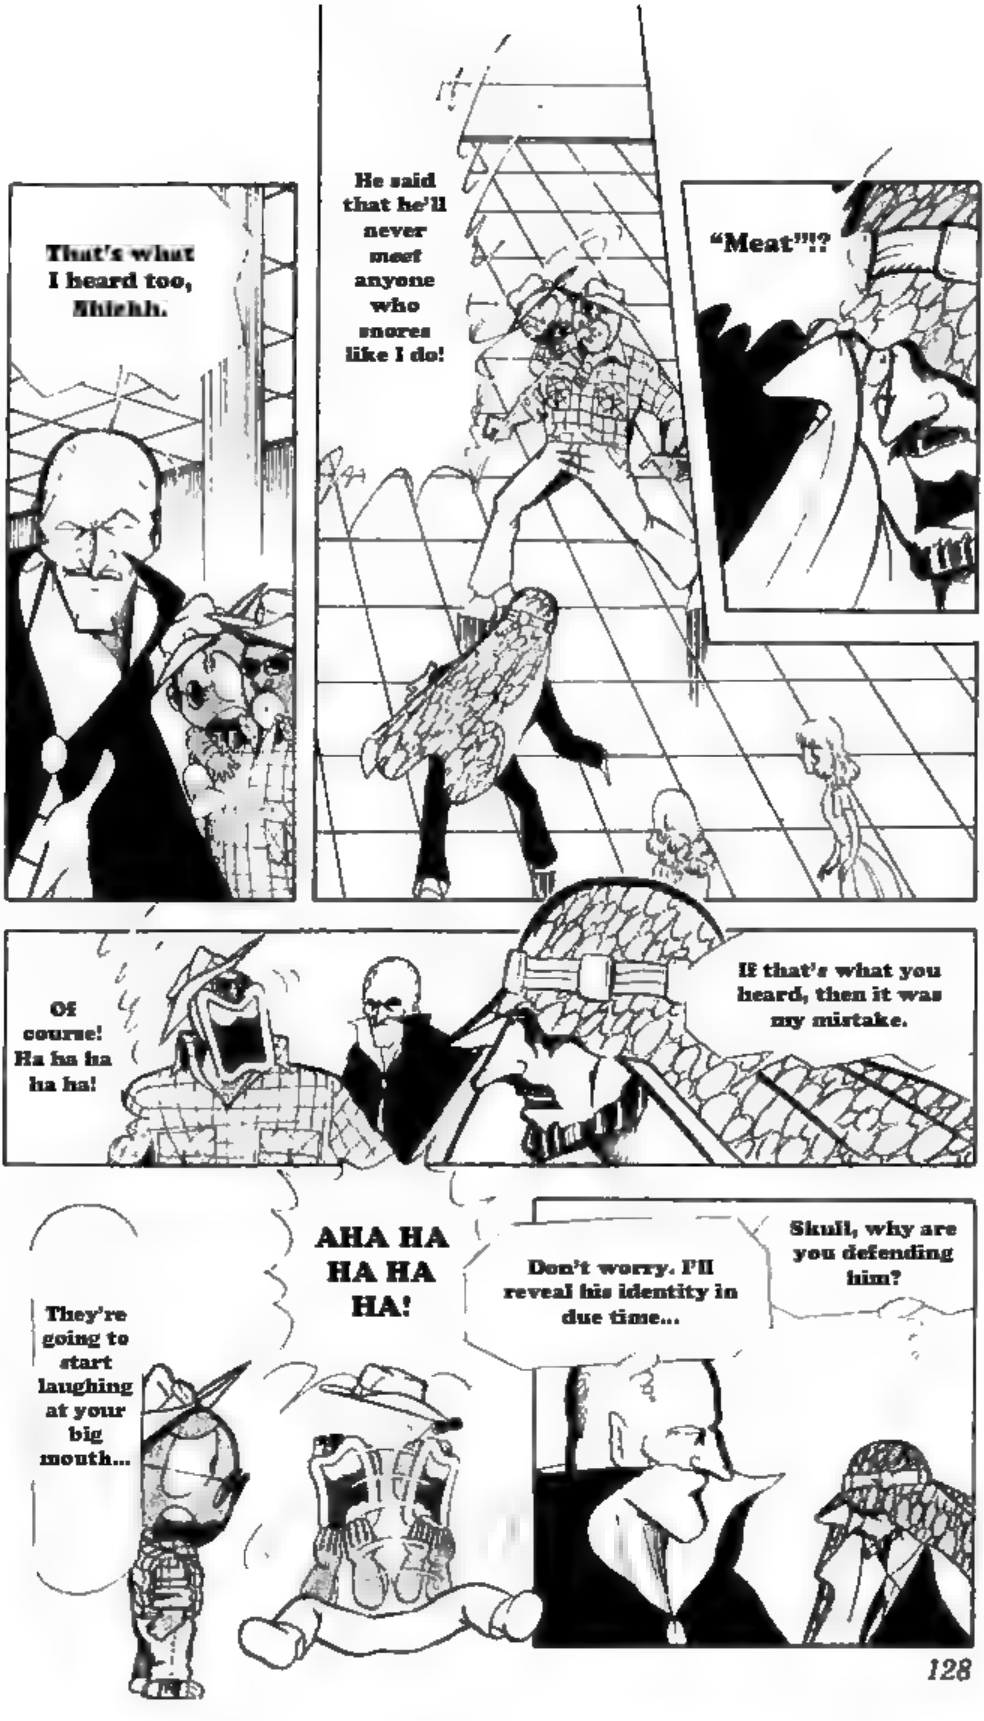
An Unexpected Man

Translation: StrangerAtaru

Don't get the wrong idea. I never discriminate between friend and foe. That's the way of the WSF.
Skull, what's with your gun-toting freind?
Chanelman, it's best that you stay alert, too.
Woah!

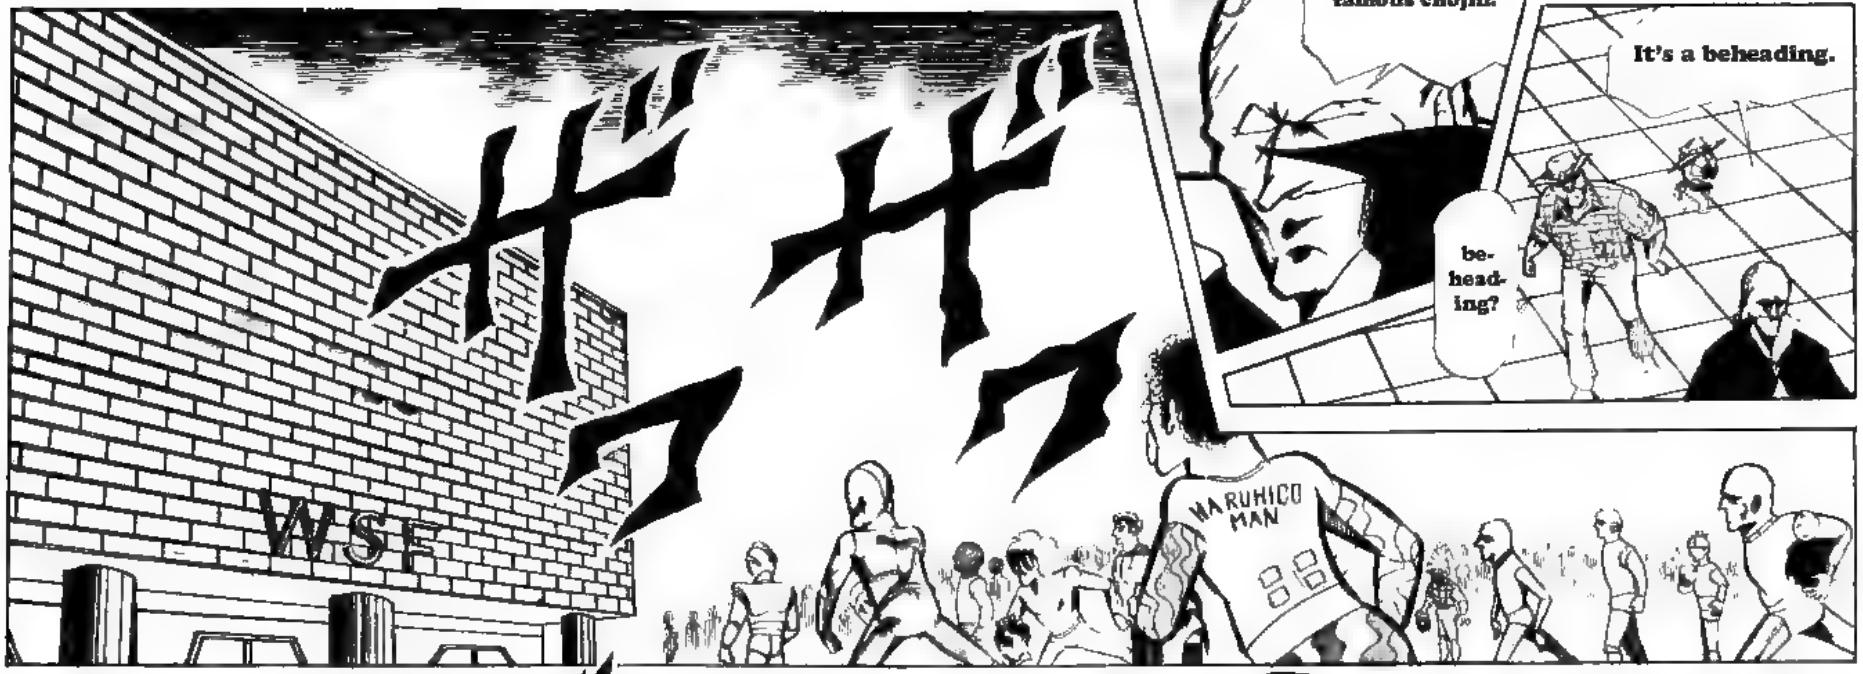


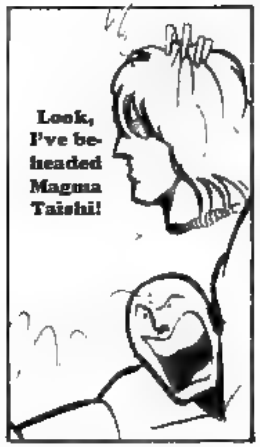
You're looking well, Chanelman.
Feh...
Wah!
No, Meat's snoring kept me up all night!
Did you sleep well last night?



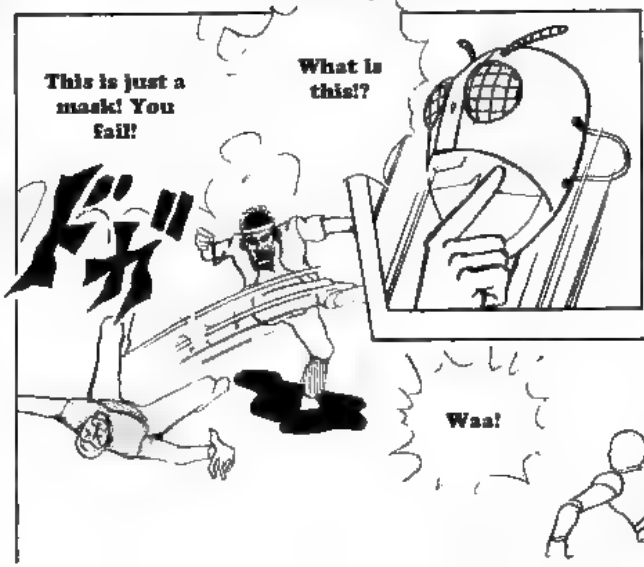
That's what I heard too, Shishh.
He said that he'll never meet anyone who snores like I do!
"Meat"!?
Of course! Ha ha ha ha ha!
If that's what you heard, then it was my mistake.
They're going to start laughing at your big mouth...
AHA HA HA HA HA!
Don't worry. I'll reveal his identity in due time...
Skull, why are you defending him?

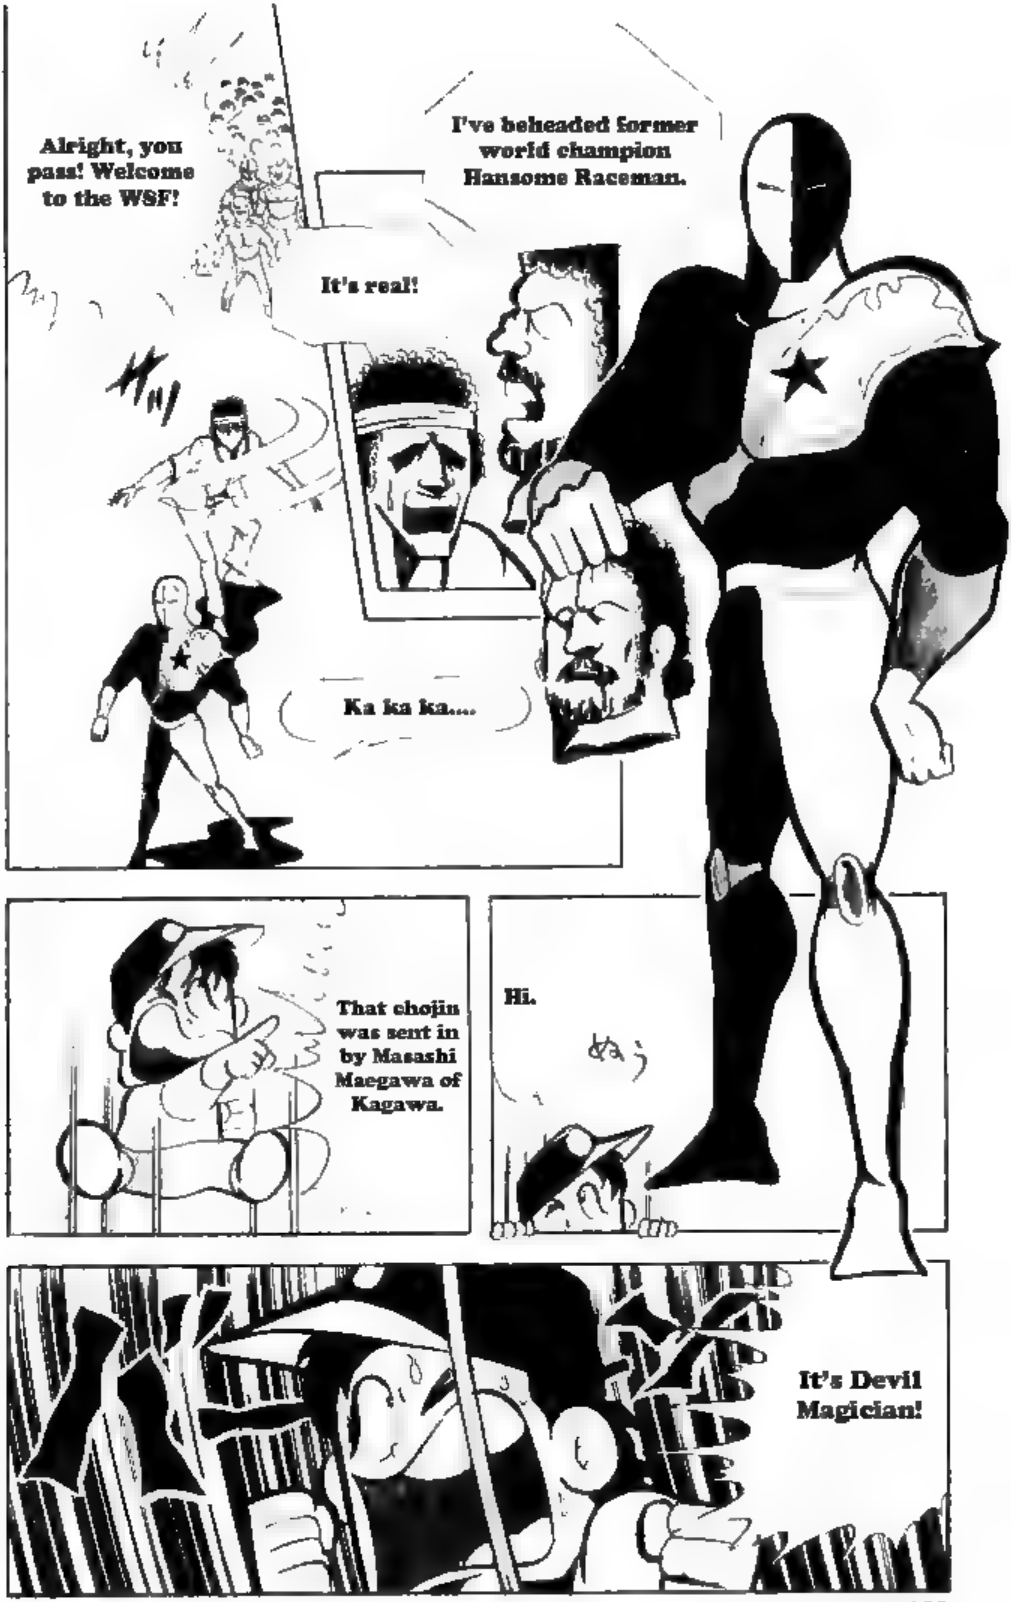
Entr-
ance
test!?
That's the entrance test for leftover chojin.
What's that noise!?
Once a month we hold an entrance test for them.
Correct. Our Federation likes to recruit Chojin who can't get into A-rank organizations.
Since the WSF is a mercenary organization of evil yakuza Chojin, the test nees to be extremely brutal.
Skull, what exactly is this test?
Left-over chojin, huh?



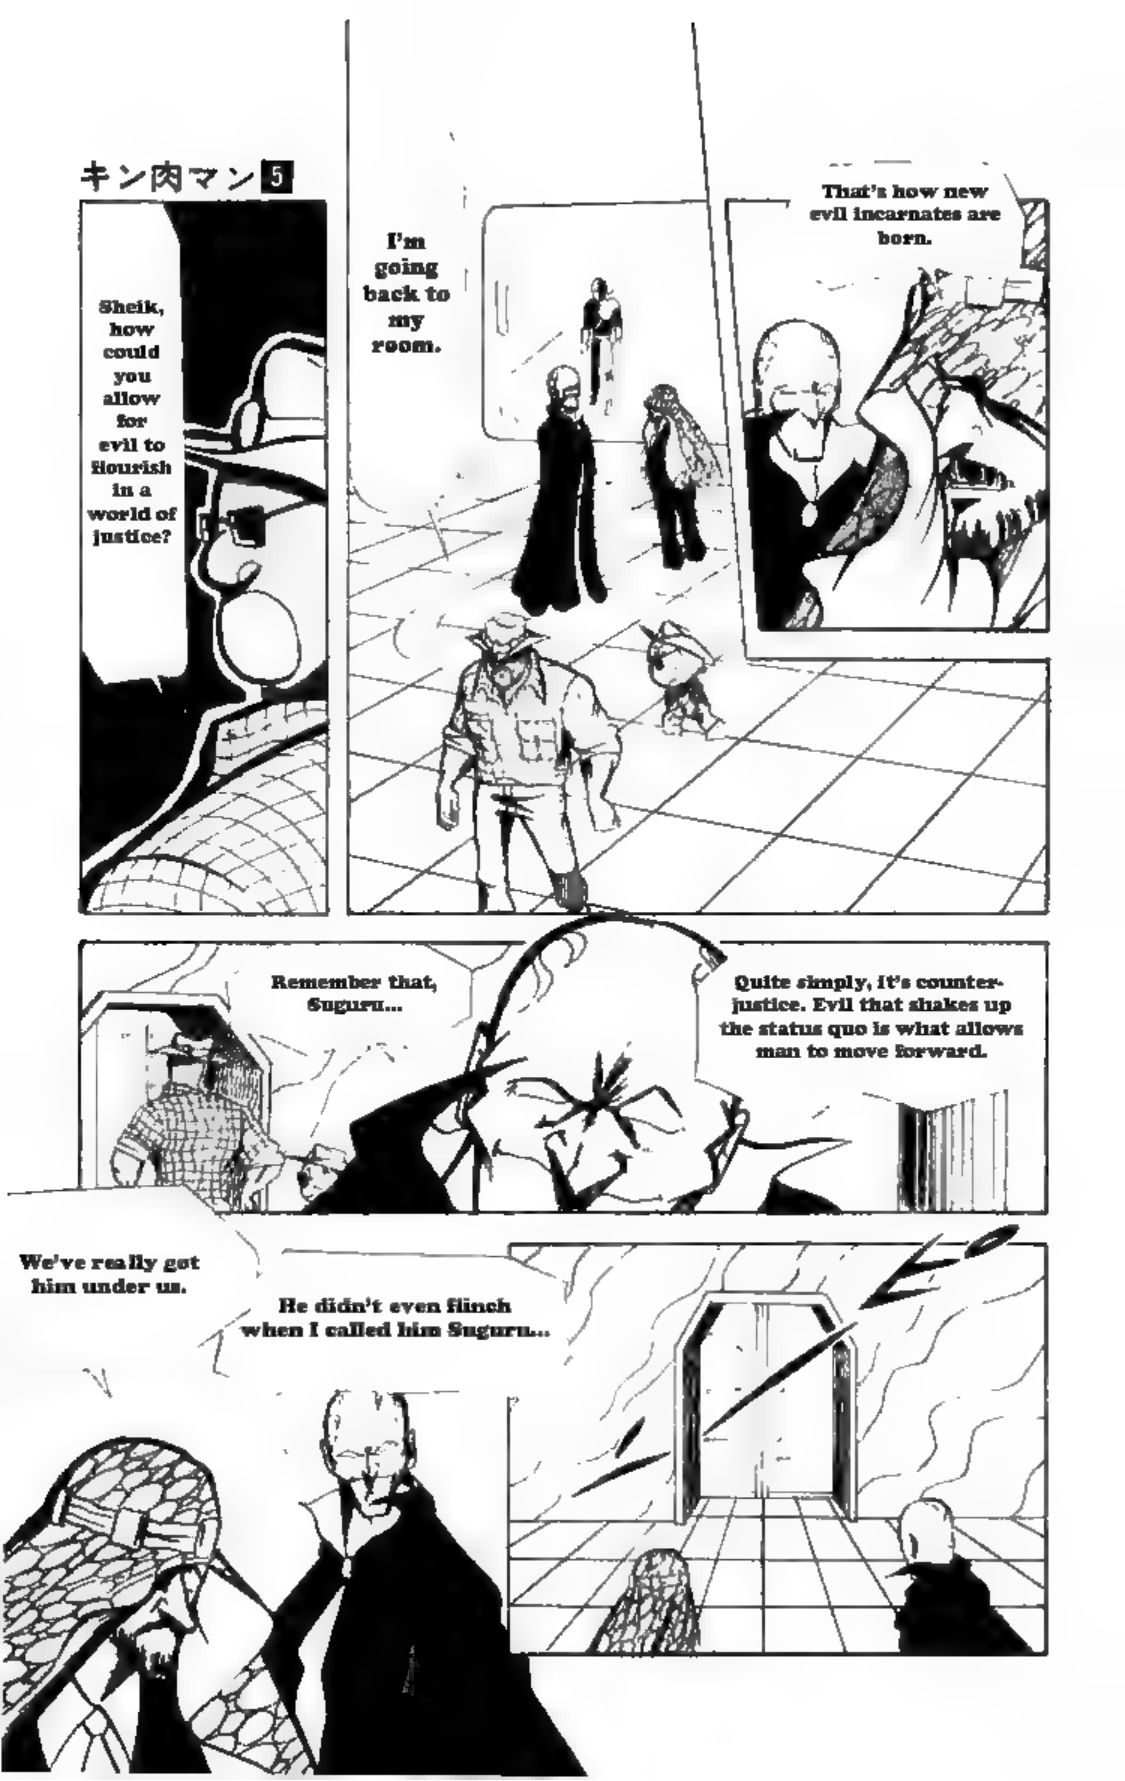


note: Magma Taishi is a classic hero created by Osamu Tezuka.

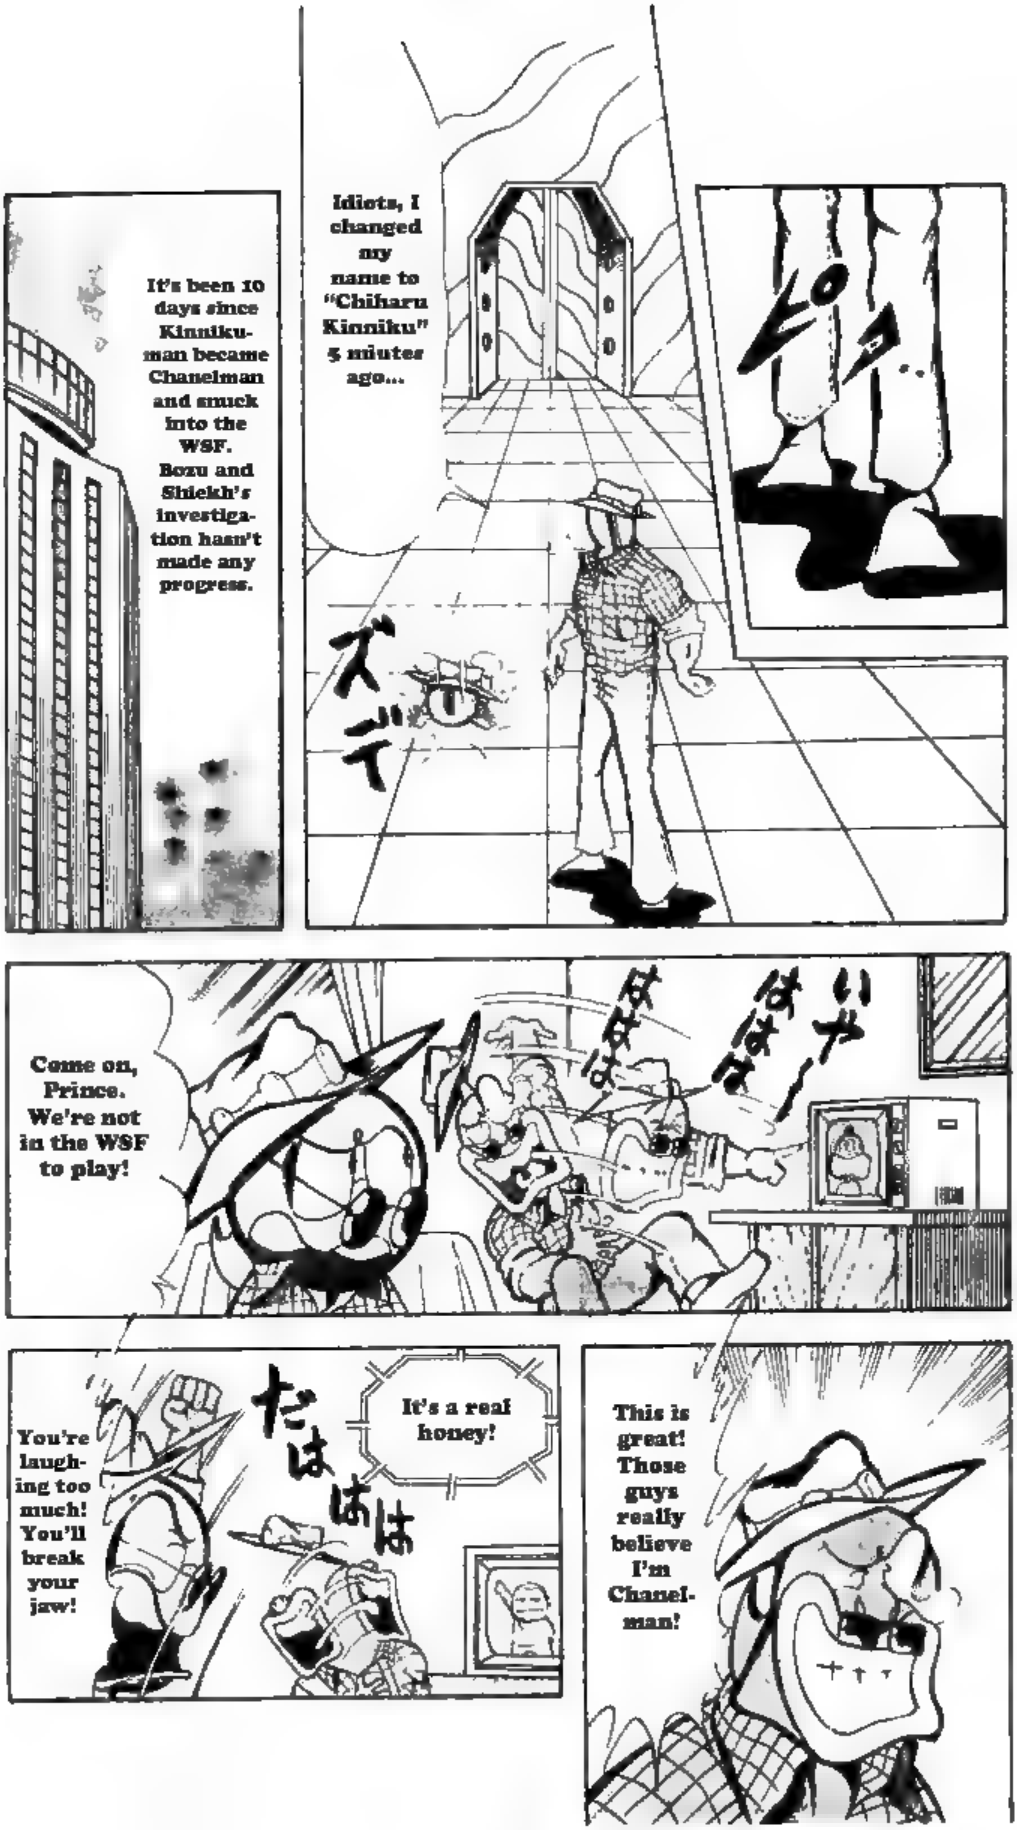




Alright, you pass! Welcome to the WSF!
I've beheaded former world champion Hansome Raceman.
It's real!
Ka ka ka....
That chojin was sent in by Masashi Maegawa of Kagawa.
Hi.
It's Devil Magician!

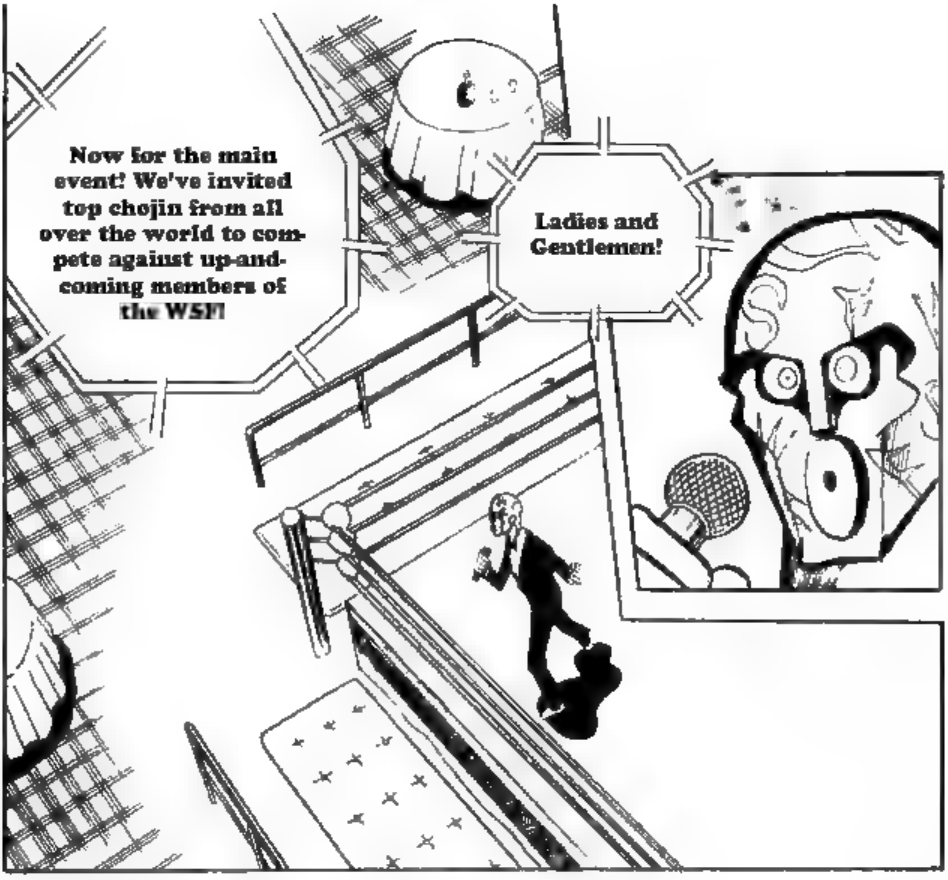


Sheik, how could you allow for evil to flourish in a world of justice?
I'm going back to my room.
That's how new evil incarnates are born.
Remember that, Suguru...
Quite simply, it's counter-justice. Evil that shakes up the status quo is what allows man to move forward.
We've really got him under us.
He didn't even flinch when I called him Suguru...



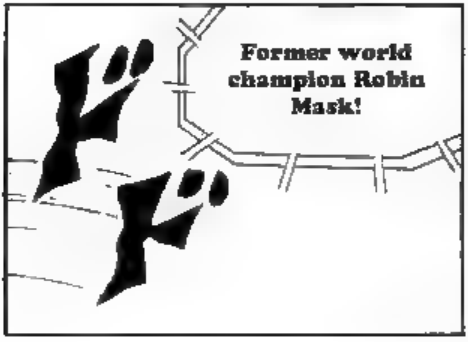
It's been 10 days since Kinniku-man became Chanelman and snuck into the WSF. Bozu and Shiekh's investigation hasn't made any progress.
Idiots, I changed my name to "Chiharu Kinniku" 5 minutes ago...
ズゴゴ
Come on, Prince. We're not in the WSF to play!
だはは
いやーだはは
You're laughing too much! You'll break your jaw!
だはは
It's a real honey!
This is great! Those guys really believe I'm Chanelman!

...or maybe not...
おがーオオ
Even so, this whole thing has been easy... almost too easy...
Sorry to make you wait.
Skull, when are we going to expose him?
We're doing it tonight. The setup is the Lumber Jack Joe.

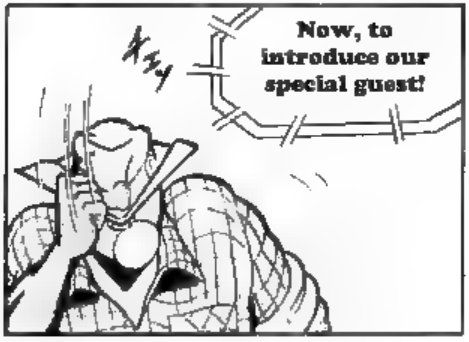


Now for the main event! We've invited top chojin from all over the world to compete against up-and-coming members of the WSFI
Ladies and Gentlemen!

You're immature, Chanelman!
What's this about? You interrupted my TV watching for this?



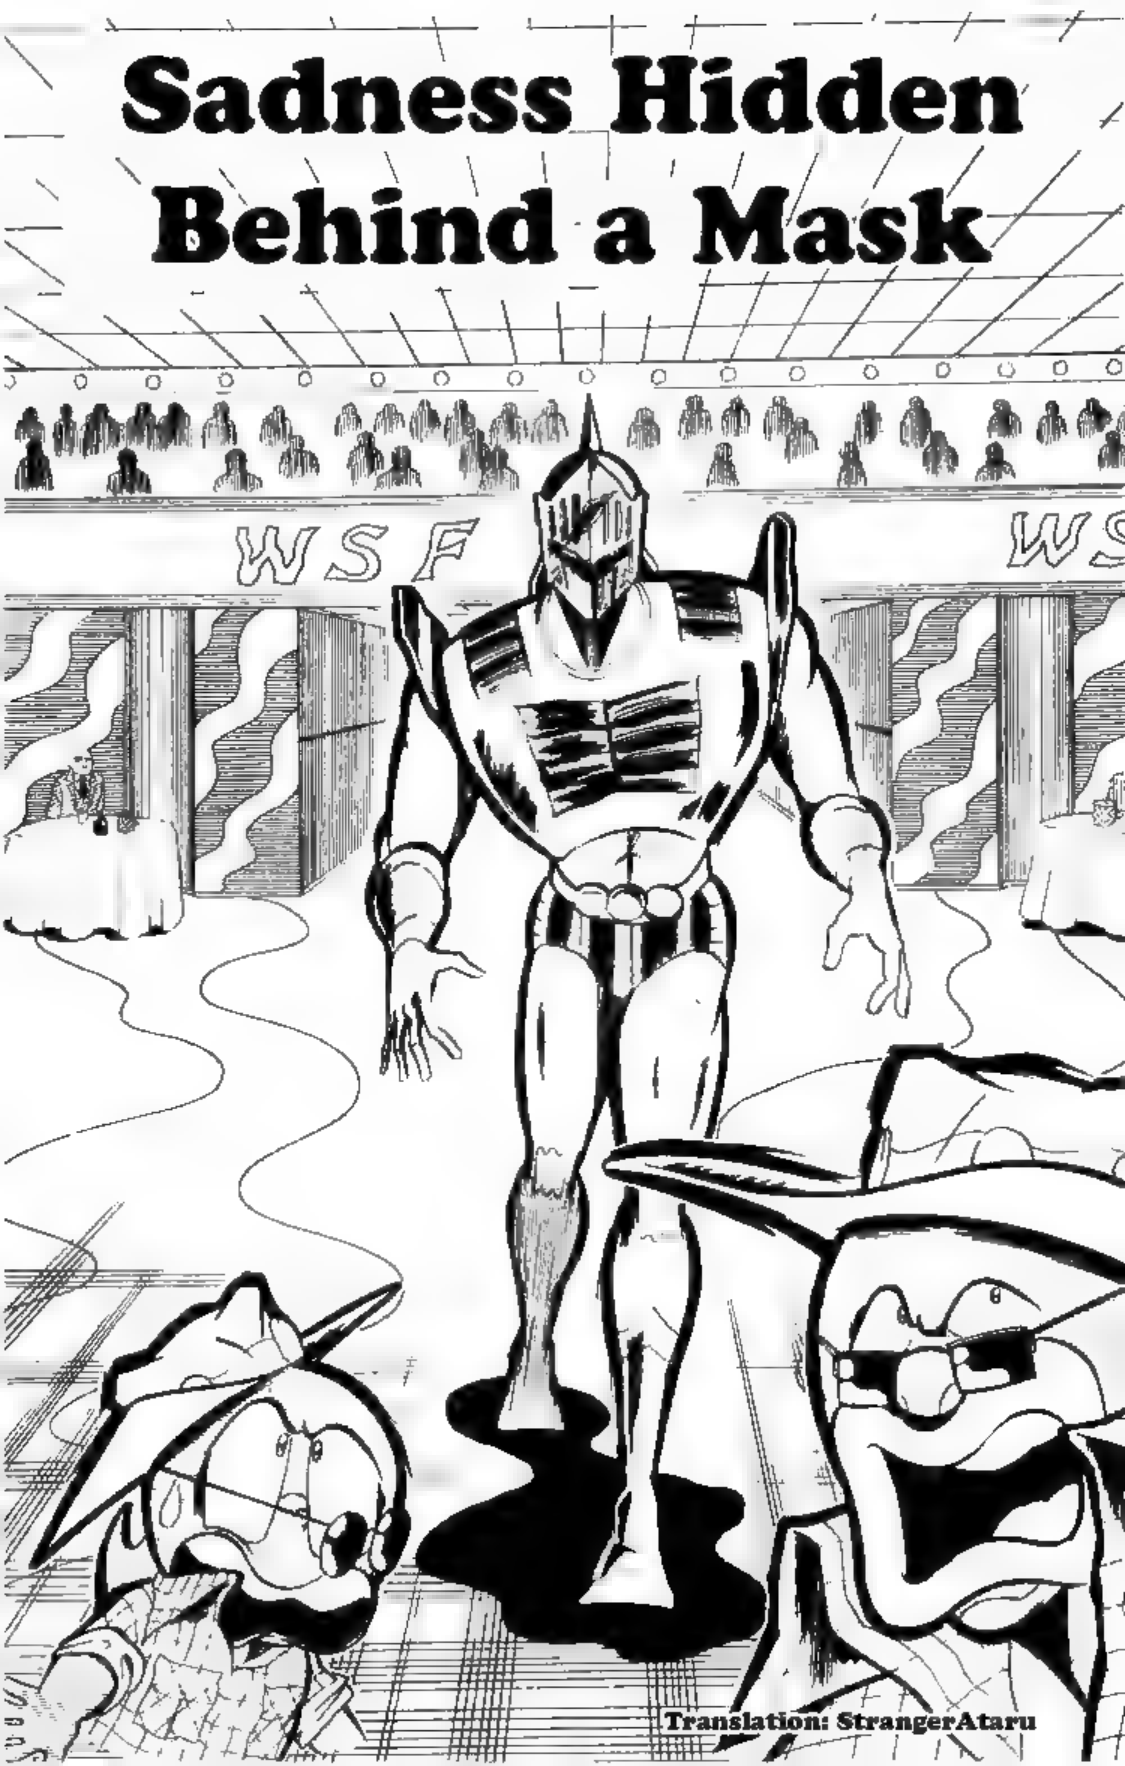
Former world champion Robin Mask!



Now, to introduce our special guest!

WHAT!?
Robin Mask!?
Hehehehe...

Sadness Hidden Behind a Mask

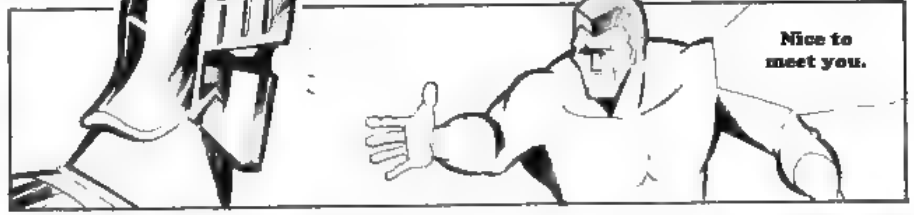


Translation: StrangerAtaru

There's no doubt. That's Robin Mask.
Oh, do you know him?
Yeah, that's it...
No, we've just seen him on TV!

Now, facing the former Choujin World Champion is the roughneck of the WSF, Dynamite Piper!!

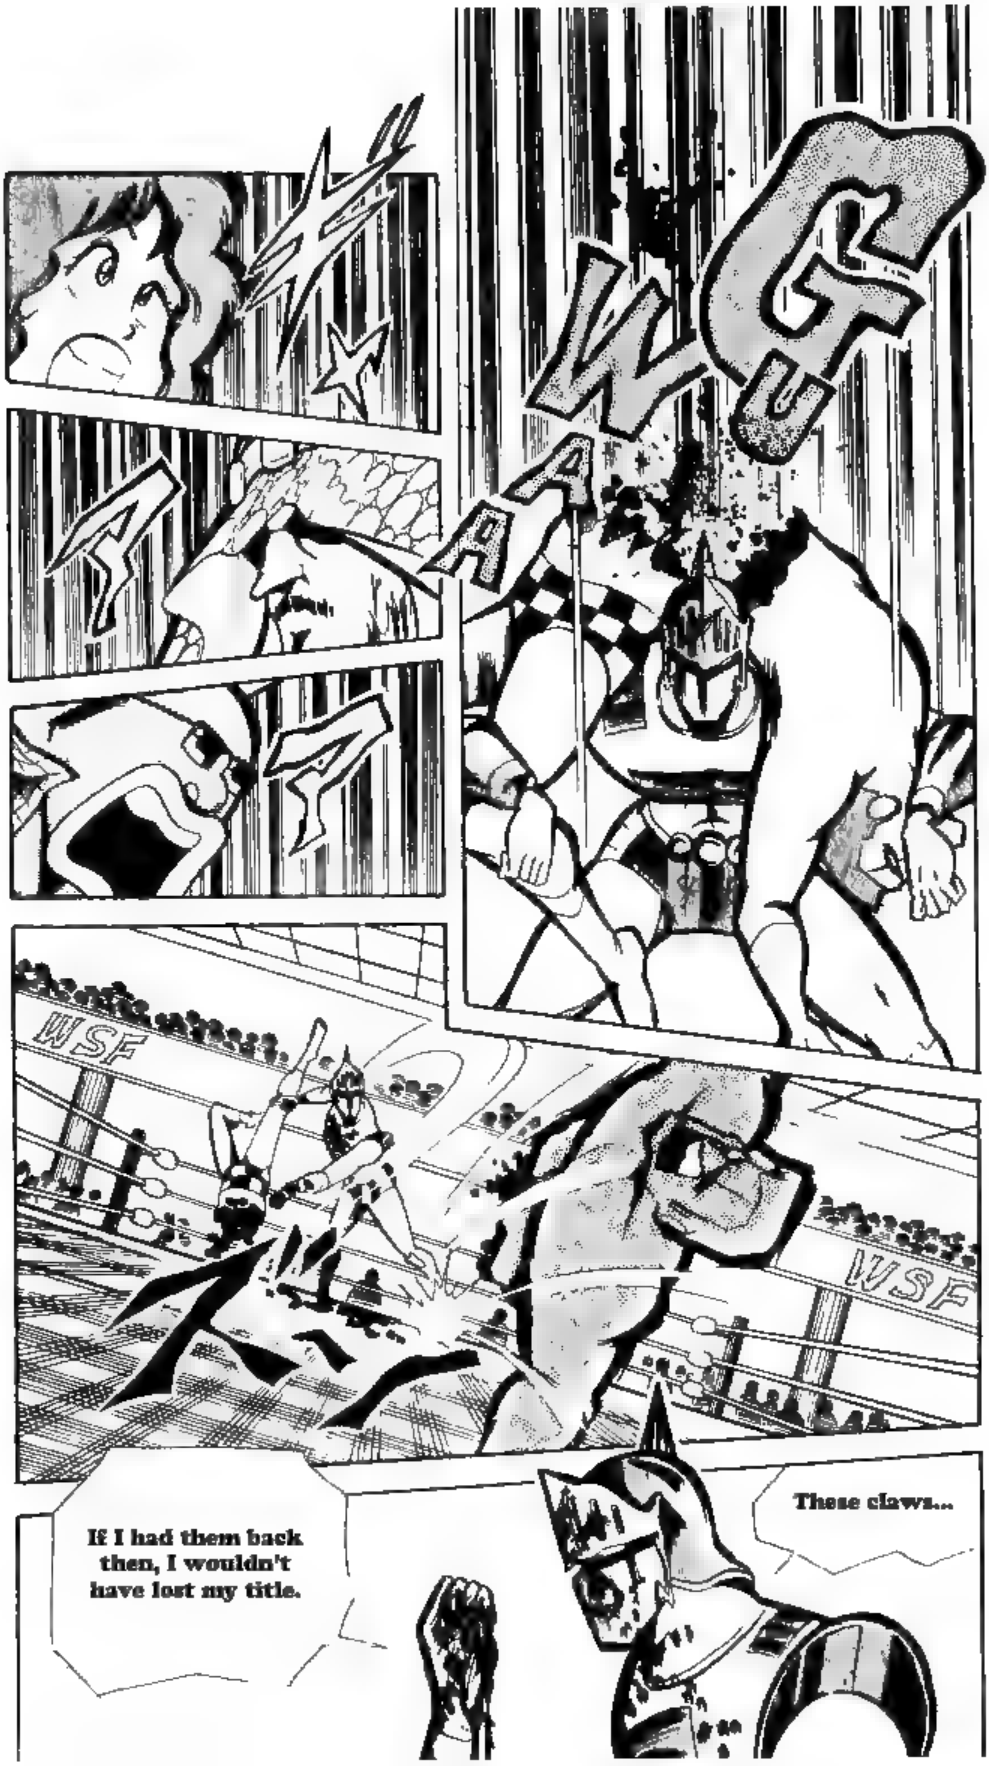
Well then, 150 thousand on Robin Mask.
5000 on Piper!
He he he, I've got you...
I'll bet 4000!



Nice to meet you.

!
WHAT!?
Why did you let that pathetic chojin, Kinnikuman, take your title!?
You're still too soft, Robin.
It's the one he used before!
That move!

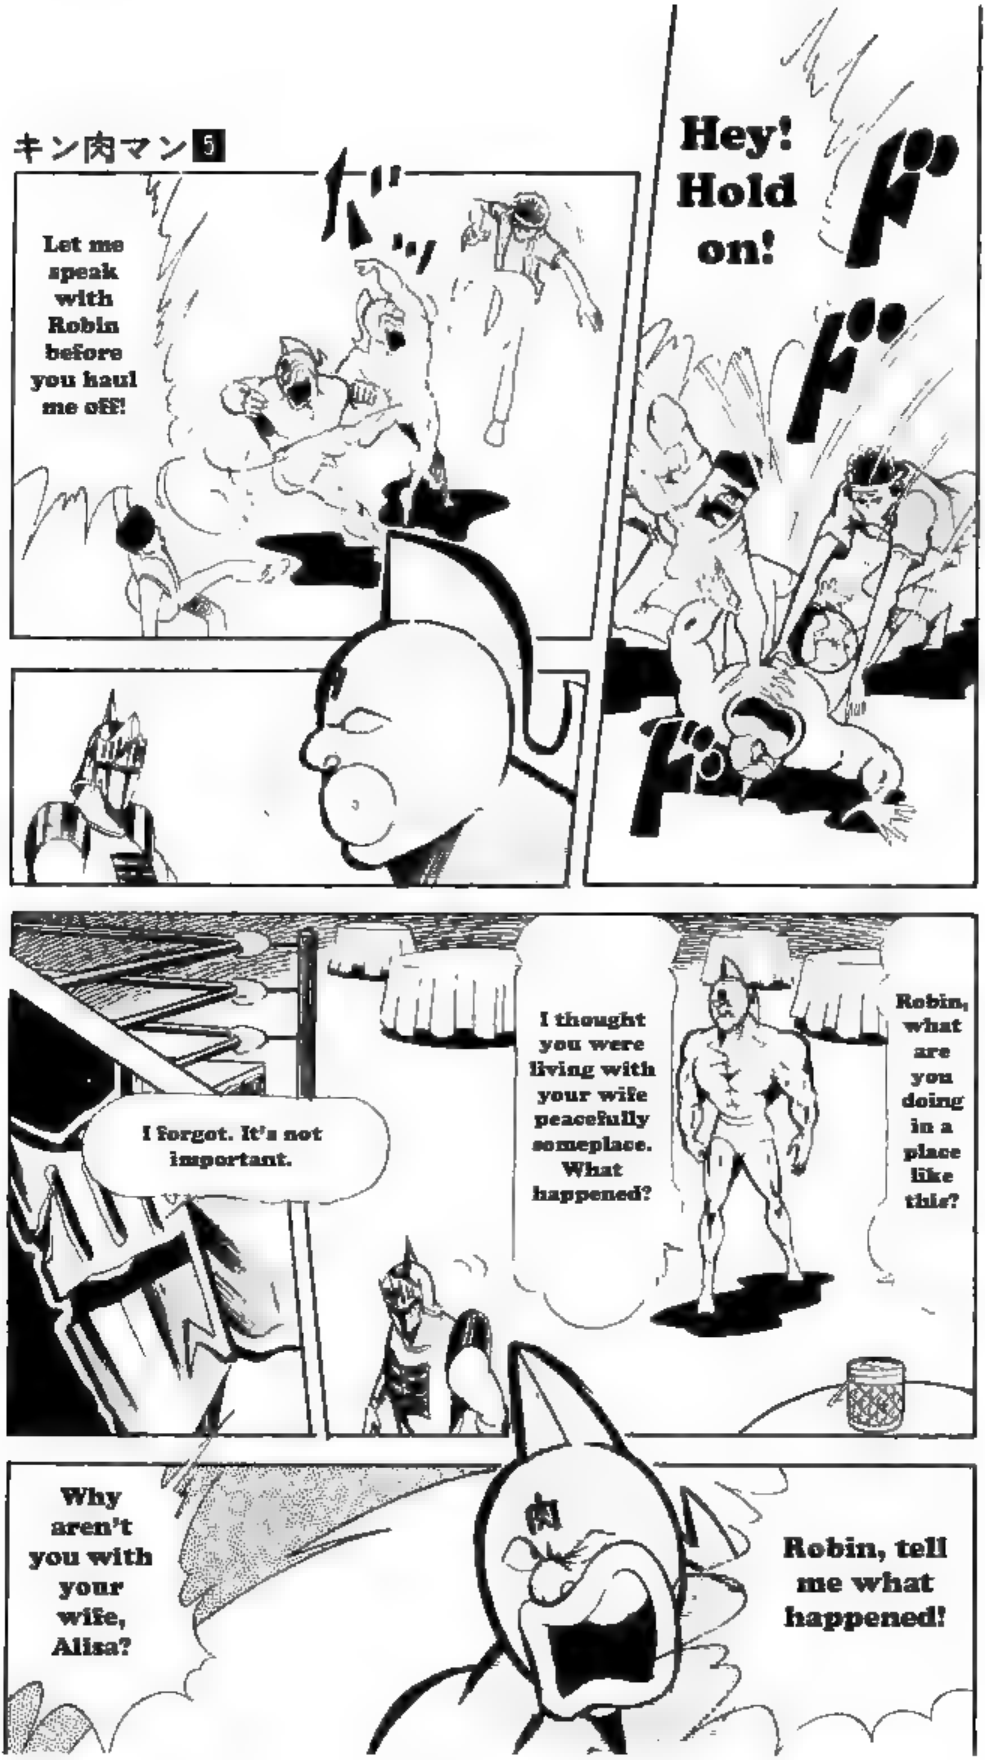
You're right, but it's possible he didn't faint!
Robin, fainting is the same as giving up! Now let him go!
Robin...
Robin, he's lost consciousness! Put him down!
I haven't heard him give up, yet!



AAAG
WSF
WSF
If I had them back then, I wouldn't have lost my title.
These claws...

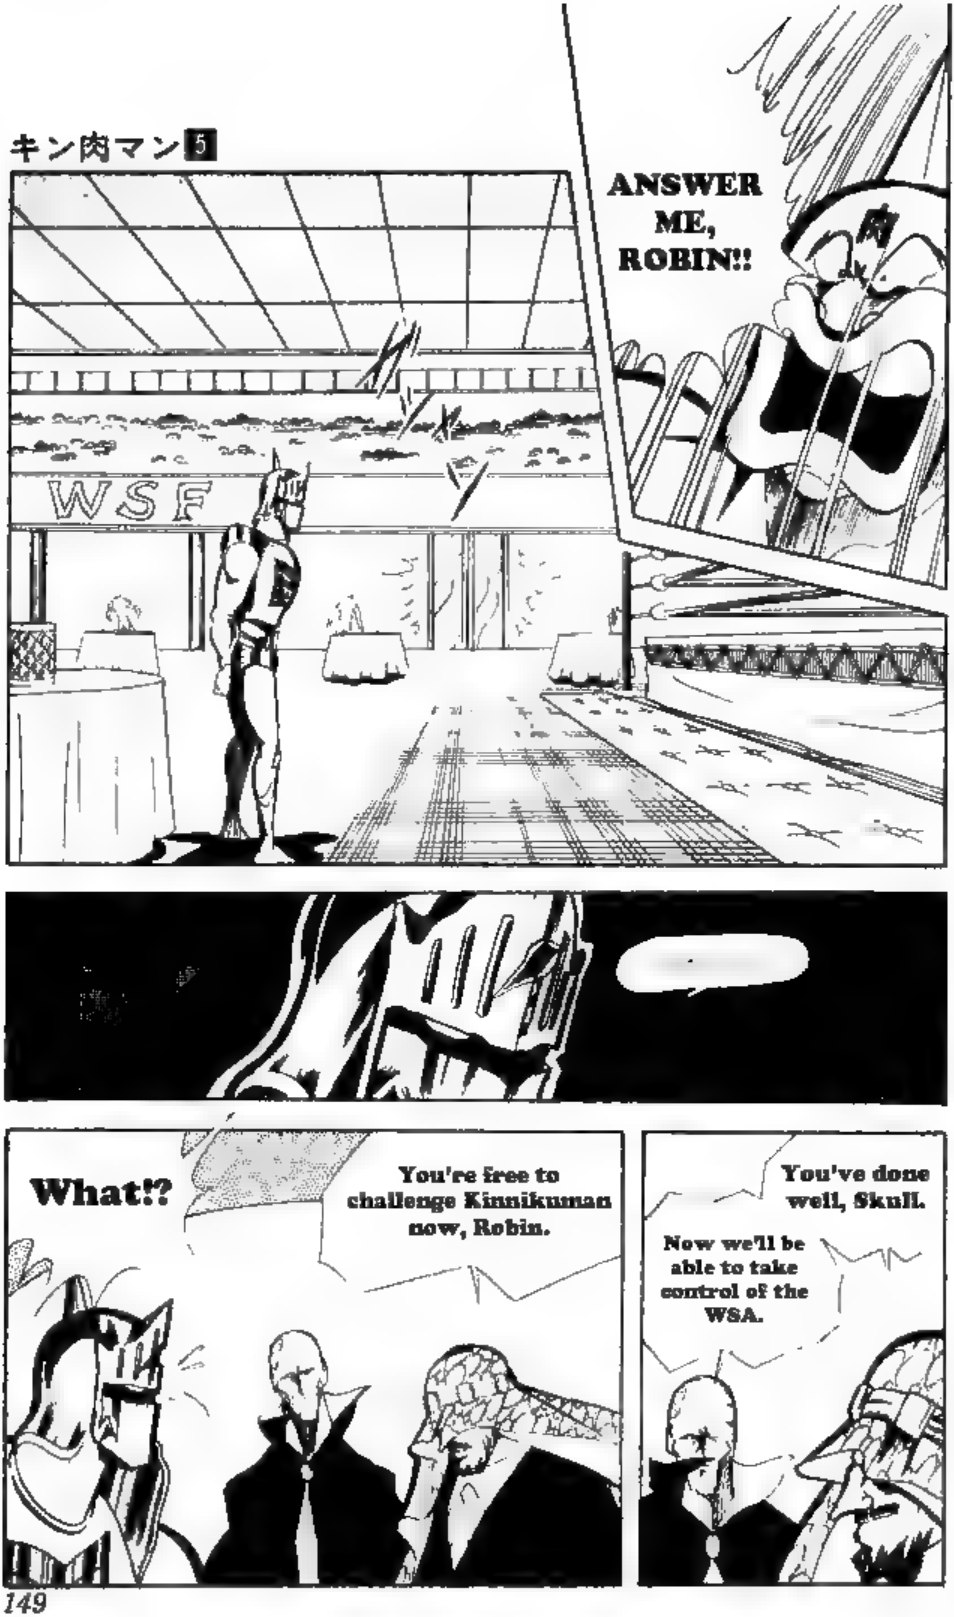
Kinnikuman!
You've changed...
Robin...
Kinnikuman!? He's here!?
Huh?
I'm not Kinnikuman! Look at the color of my skin!
What do you say, Kinnikuman?
I want a rematch for the world title!!

I guess there's no helping it any more.
As you guessed, I'm really...
...and Meat, the heavy-weight!
Kinni-ku-man!
Heh heh... it looks like the cold sweat is washing away your color.
Prince, what have you done!?
It's because I started using ink instead of shoe polish!
It would have happened either way.

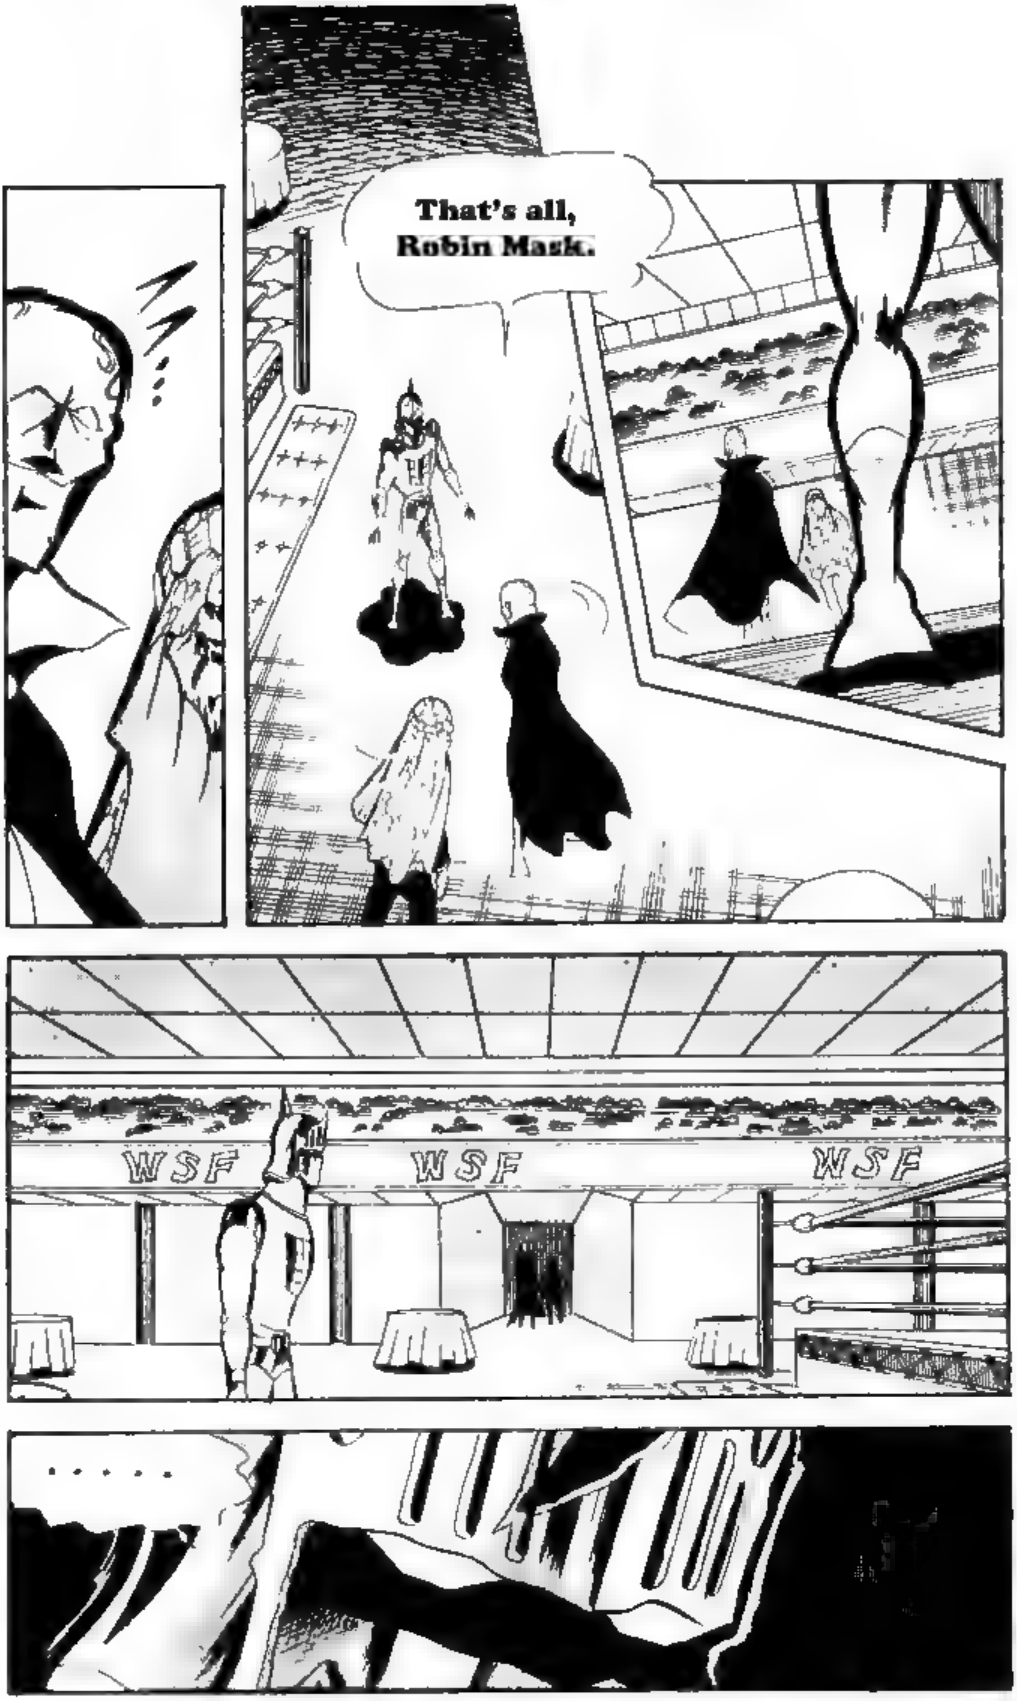


Let me speak with Robin before you haul me off!
Hey! Hold on!
I forgot. It's not important.
I thought you were living with your wife peacefully someplace. What happened?
Robin, what are you doing in a place like this?
Why aren't you with your wife, Alisa?
Robin, tell me what happened!

You mean you broke up, right!?
"separated"!?
We separated.
Weren't you two really in love!?
WHY!?
What happened to you!?
ROBIN!
Take him away.



ANSWER ME, ROBIN!!
WSF
What!?
You're free to challenge Kinnikuman now, Robin.
You've done well, Skull.
Now we'll be able to take control of the WSA.



That's all, Robin Mask.

Grand Canyon Aerial Playoff

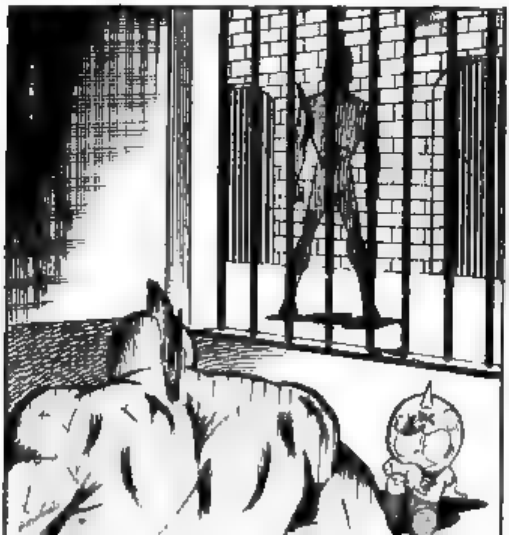
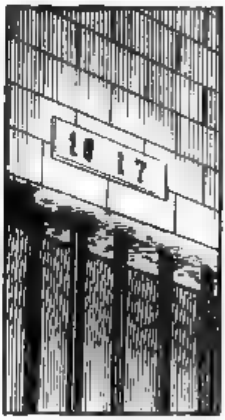
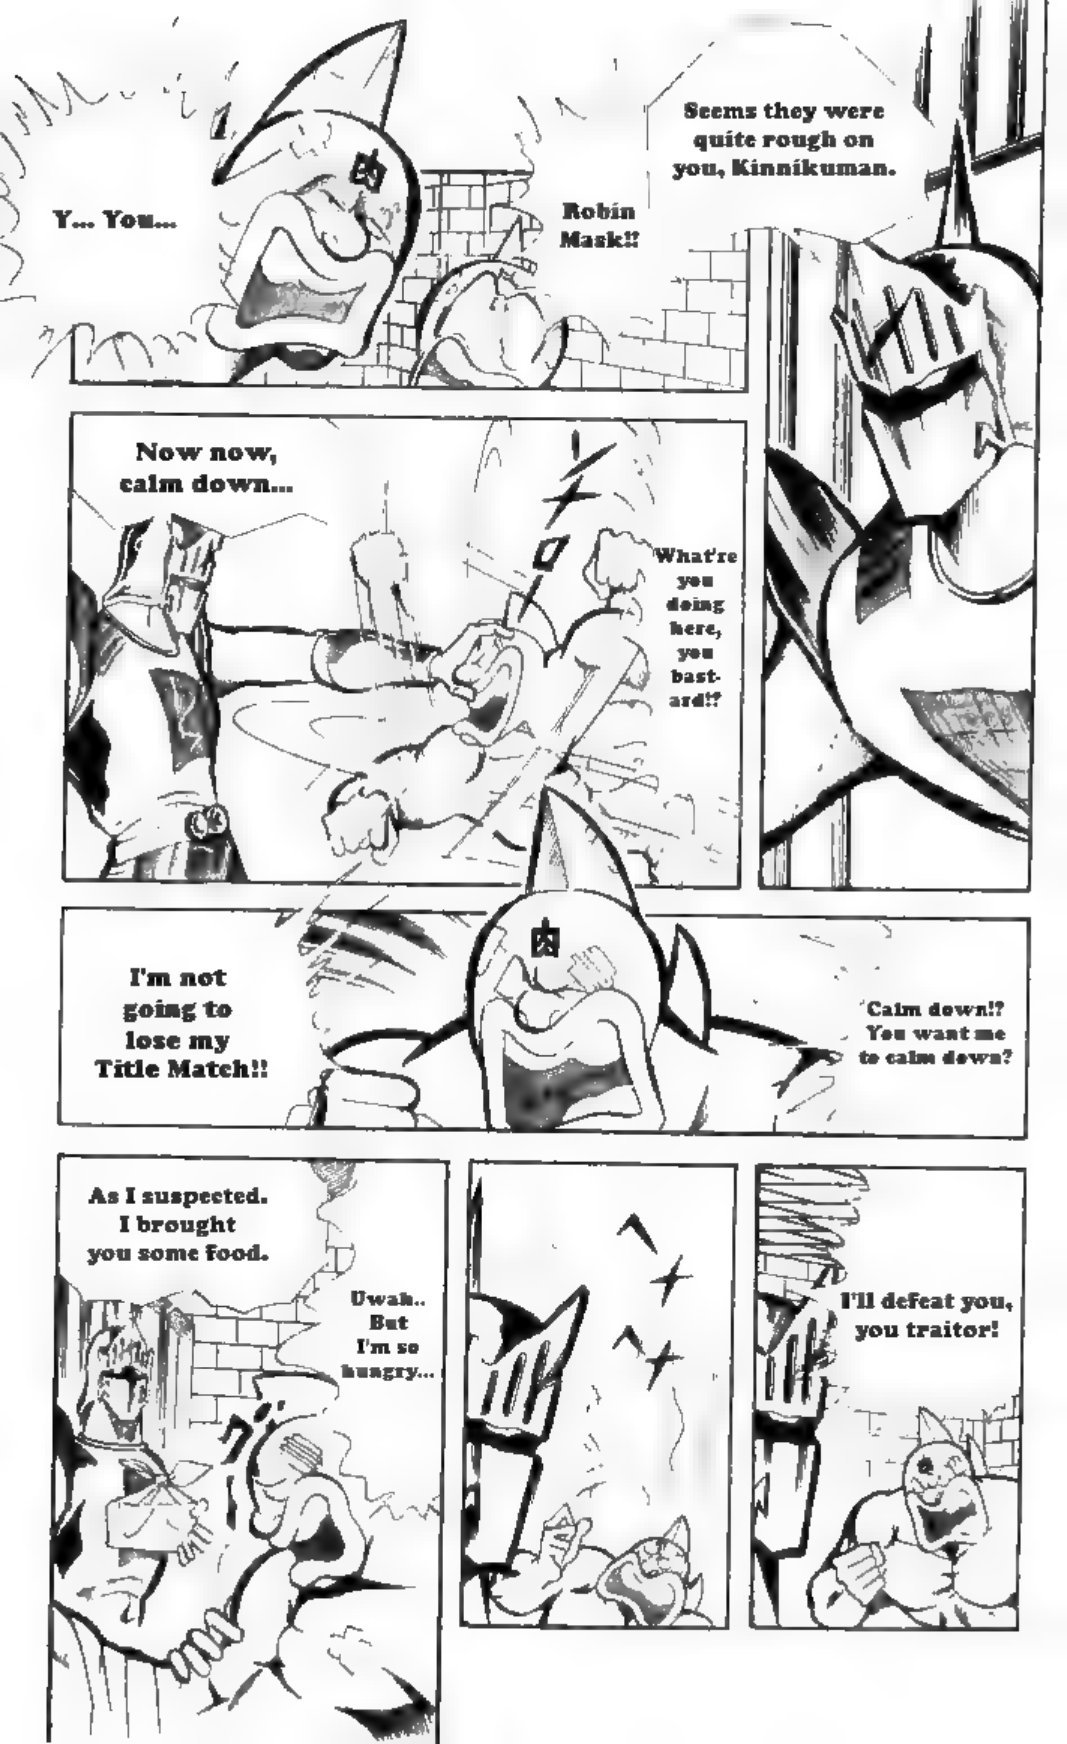
W-water...
Ohh... The agony...

Nah.. Who s there?





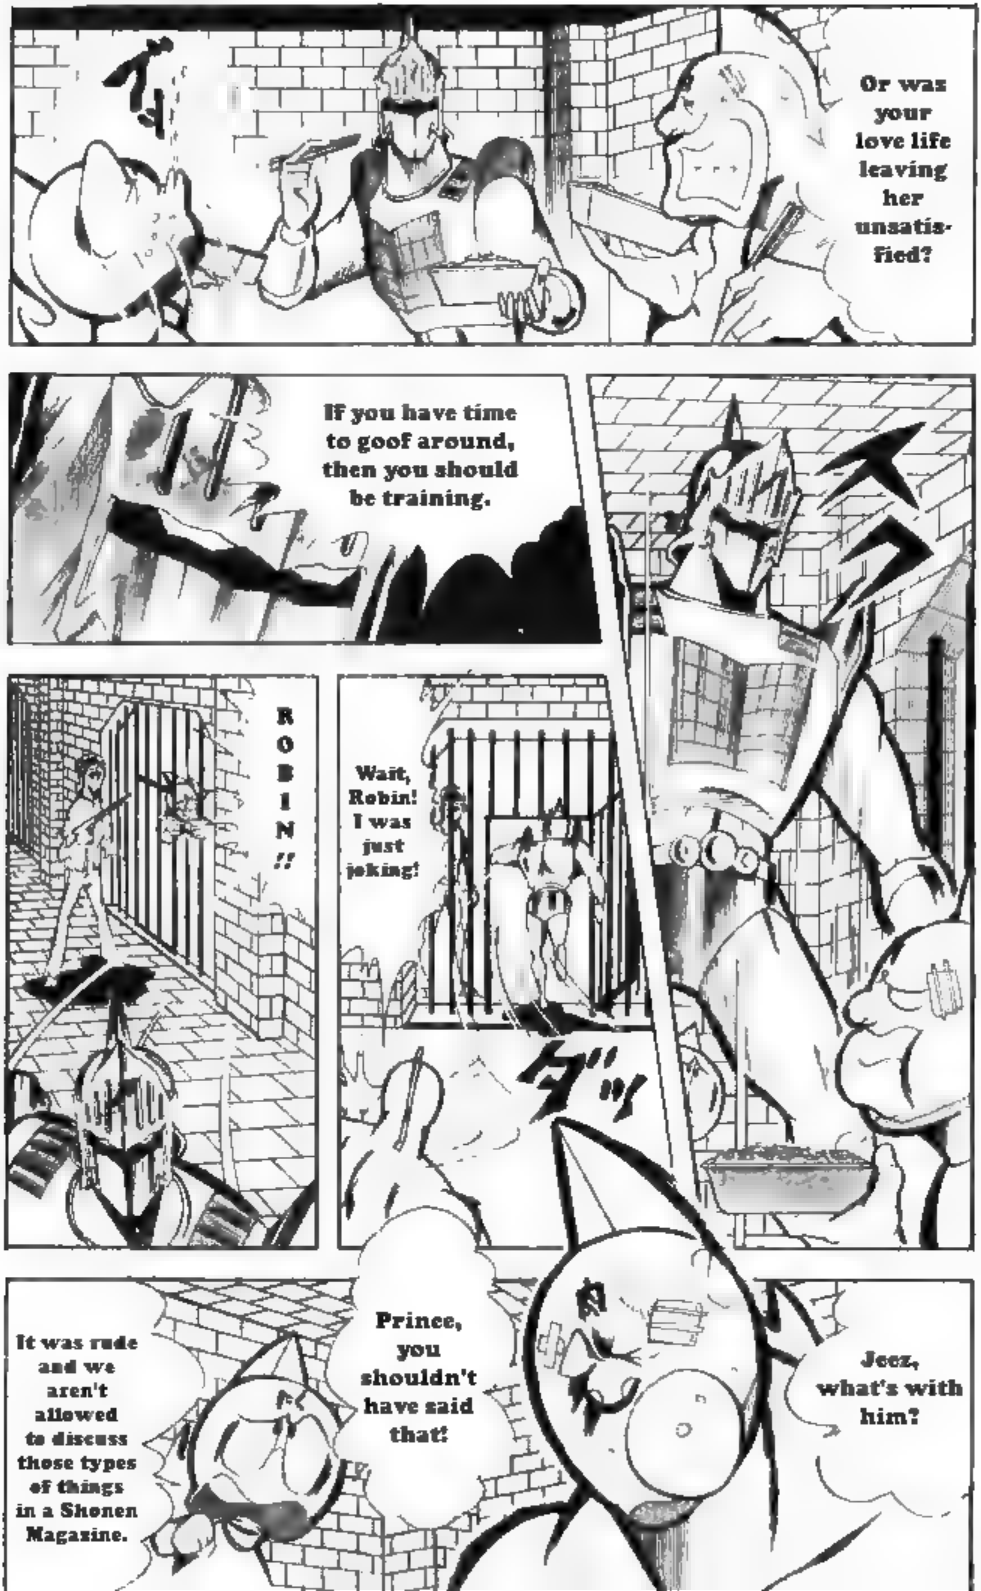
10 17



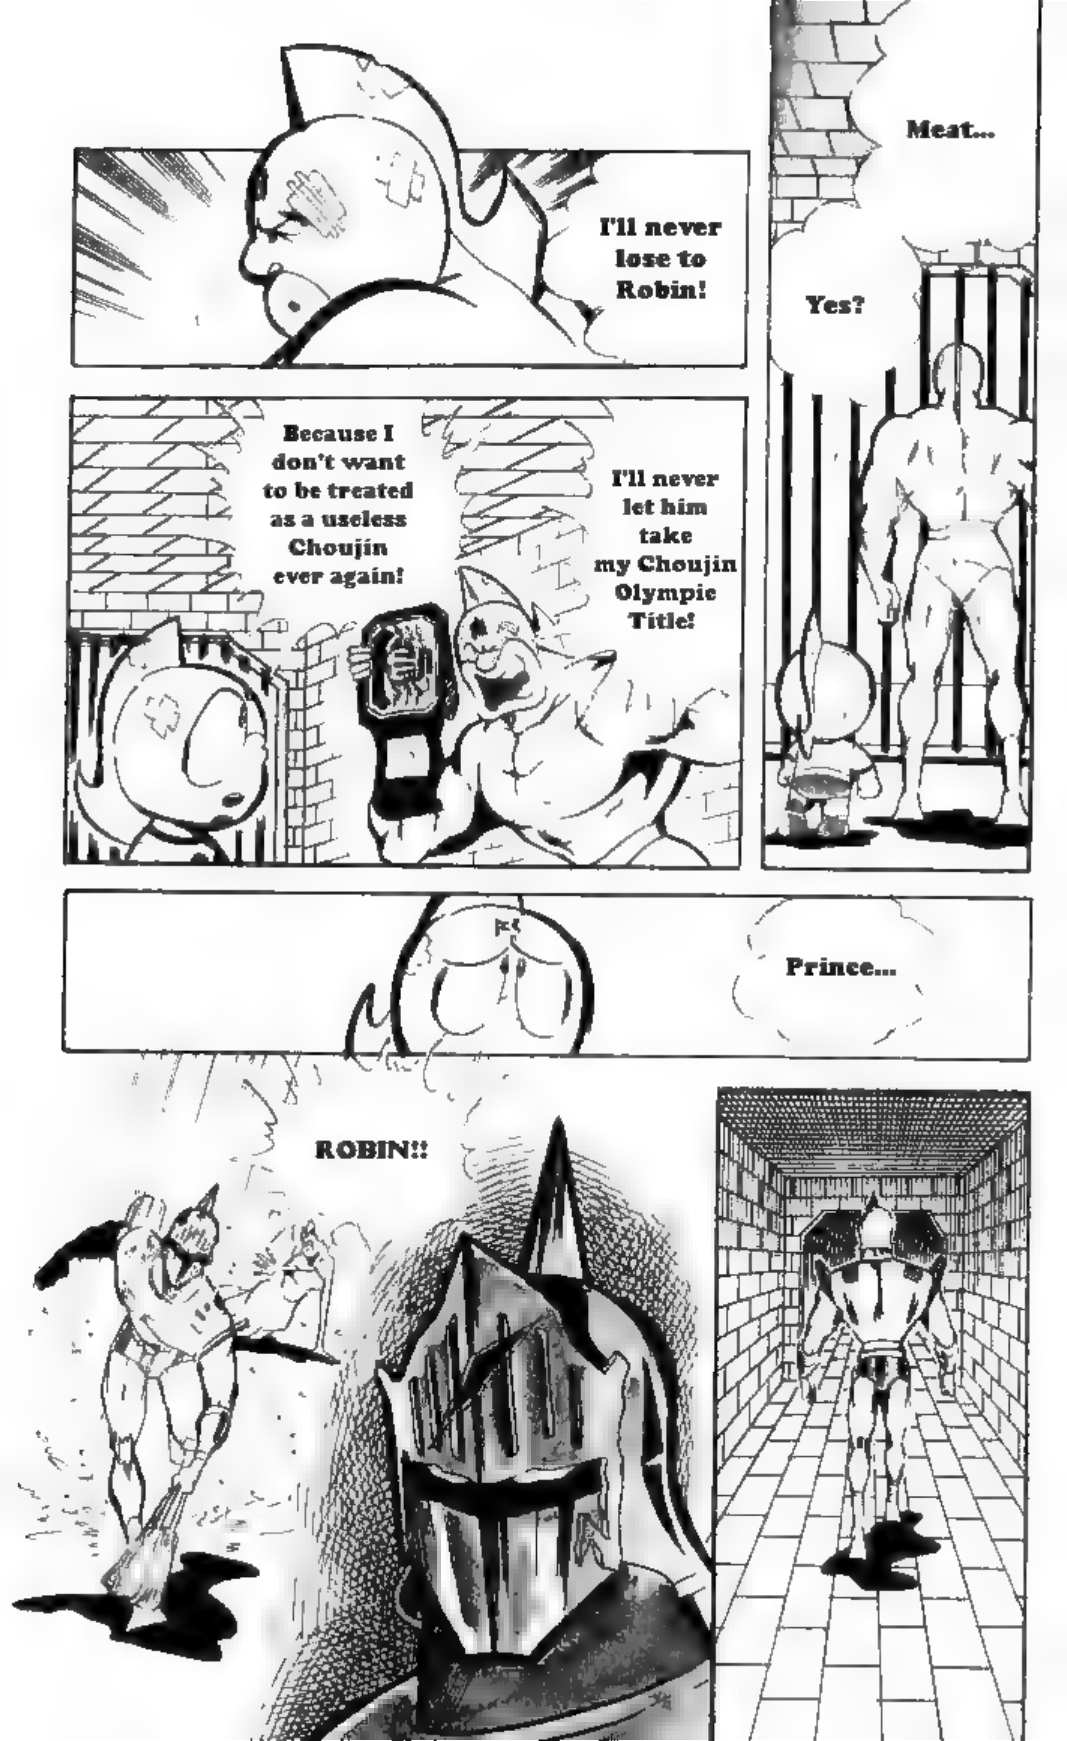
Y... You...
Robin Mask!!
Seems they were quite rough on you, Kinnikuman.
Now now, calm down...
What're you doing here, you bastard!?
I'm not going to lose my Title Match!!
Calm down!? You want me to calm down?
As I suspected. I brought you some food.
Uwah.. But I'm so hungry...
I'll defeat you, you traitor!

(Note: "Yourounotaki" is a reference to both a waterfall and a certain beef dish.)

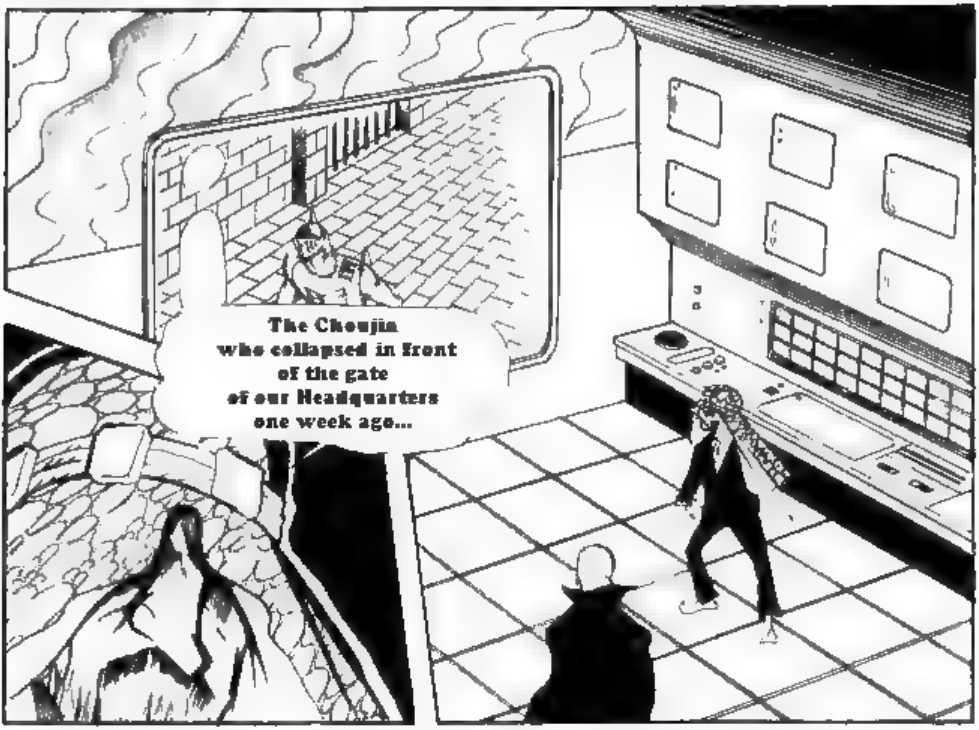
There's Yourounotaki as well.
Aah!! Gyudon!
Sh-shut up! I refuse to take bribes from the enemy!
いただきまーす
If Prince doesn't want any, that means more for me!
What did you say!? You can't eat all of it!
So, Robin, why did you leave Alisa?
Things weren't working out?



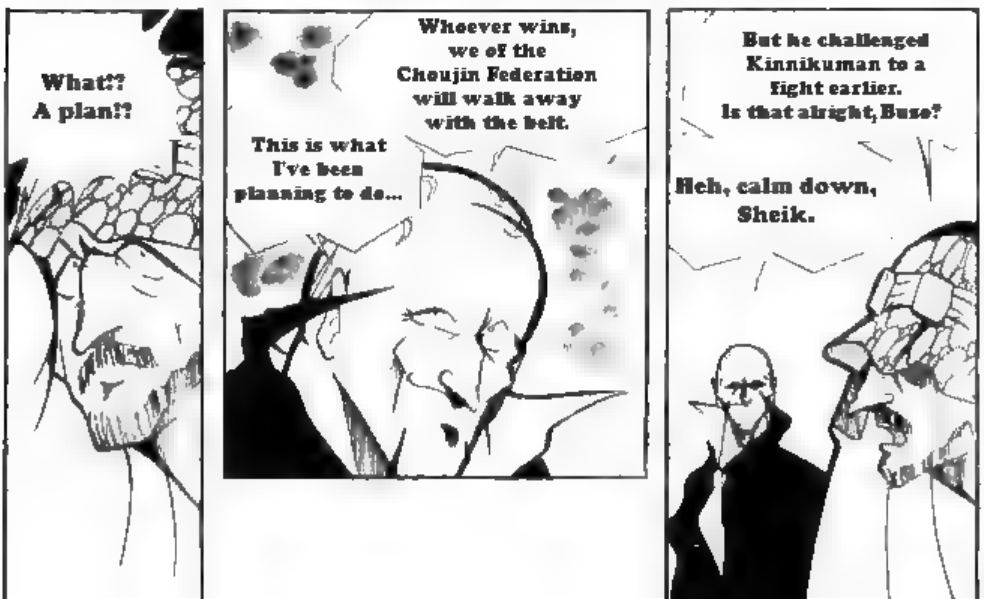
Or was your love life leaving her unsatisfied?
If you have time to goof around, then you should be training.
ROBIN!!
Wait, Robin! I was just joking!
Prince, you shouldn't have said that!
It was rude and we aren't allowed to discuss those types of things in a Shonen Magazine.
Jeez, what's with him?



I'll never lose to Robin!
Meat...
Yes?
Because I don't want to be treated as a useless Choujin ever again!
I'll never let him take my Choujin Olympic Title!
Prince...
ROBIN!!



The Choujin who collapsed in front of the gate of our Headquarters one week ago...
He can't possibly be the former Choujin World Champion, Robin Mask!



What!? A plan!?
This is what I've been planning to do...
Whoever wins, we of the Choujin Federation will walk away with the belt.
But he challenged Kinnikuman to a fight earlier. Is that alright, Buso?
Heh, calm down, Sheik.

(Note: Referred to as "Skullduggery" and "Rocky" in the earlier chapters. We're going to be using their original names from now on.)

They're Kinkotsuman and Iwao, two villains I found while searching through the universe. I've learned that they know much more than we do about Kinnikuman and the others.

Wh-what are they!?

ドゥルルル パーーン

It will be crowded once again with the money-spenders from around the world!

We'll gather all the big millionaires.

Without even lifting a finger, we'll gain the Belt, profit in money, and have all the other fun attractions.

The Choujin World Title Match between Kinnikuman And Robin Mask will begin 3 days from now!

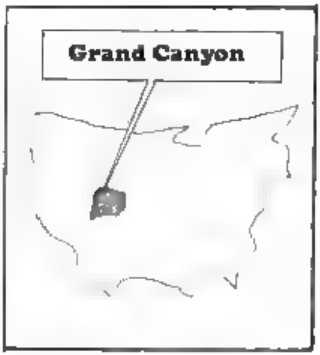
The Grand Canyon!!

The location will be the most remote area in the world...

Fufufu.. I may not be participating in your evil scheme, but it will cetainly be fun to watch.

The Grand Canyon is a large canyon carved from the cutting effect of the Colorado River, which runs through the Rocky Mountains.

This naturally molded wonder is a masterpiece.



GOOOOO!

A specially-built ring was installed in the bottomless valley of the Grand Canyon for the Choujin World Title Match.

$10,000 for Robin!

Since there was no possibly way to set up an audience seating, the entire audience will be watching the match from this luxury liner!

$20,000 on Kinnikuman!

With just 1,600 meters of precipitous cliffs, this is a hell match betting on life and death!!

Everyone, this is the specially-installed ring, established in the bottomless valley of the Grand Canyon.

It's over 1,600 meters high!

There are no ledges or lifelines surrounding the ring.

Dahaha!

Without the push of my farts!

Good luck, Prince!

The Belt has now been handed to the broadcast booth.

Robin flies into the ropes...
バーン
ダッ
The gong has been rung!

...And hits Kinnikuman with a drop kick!

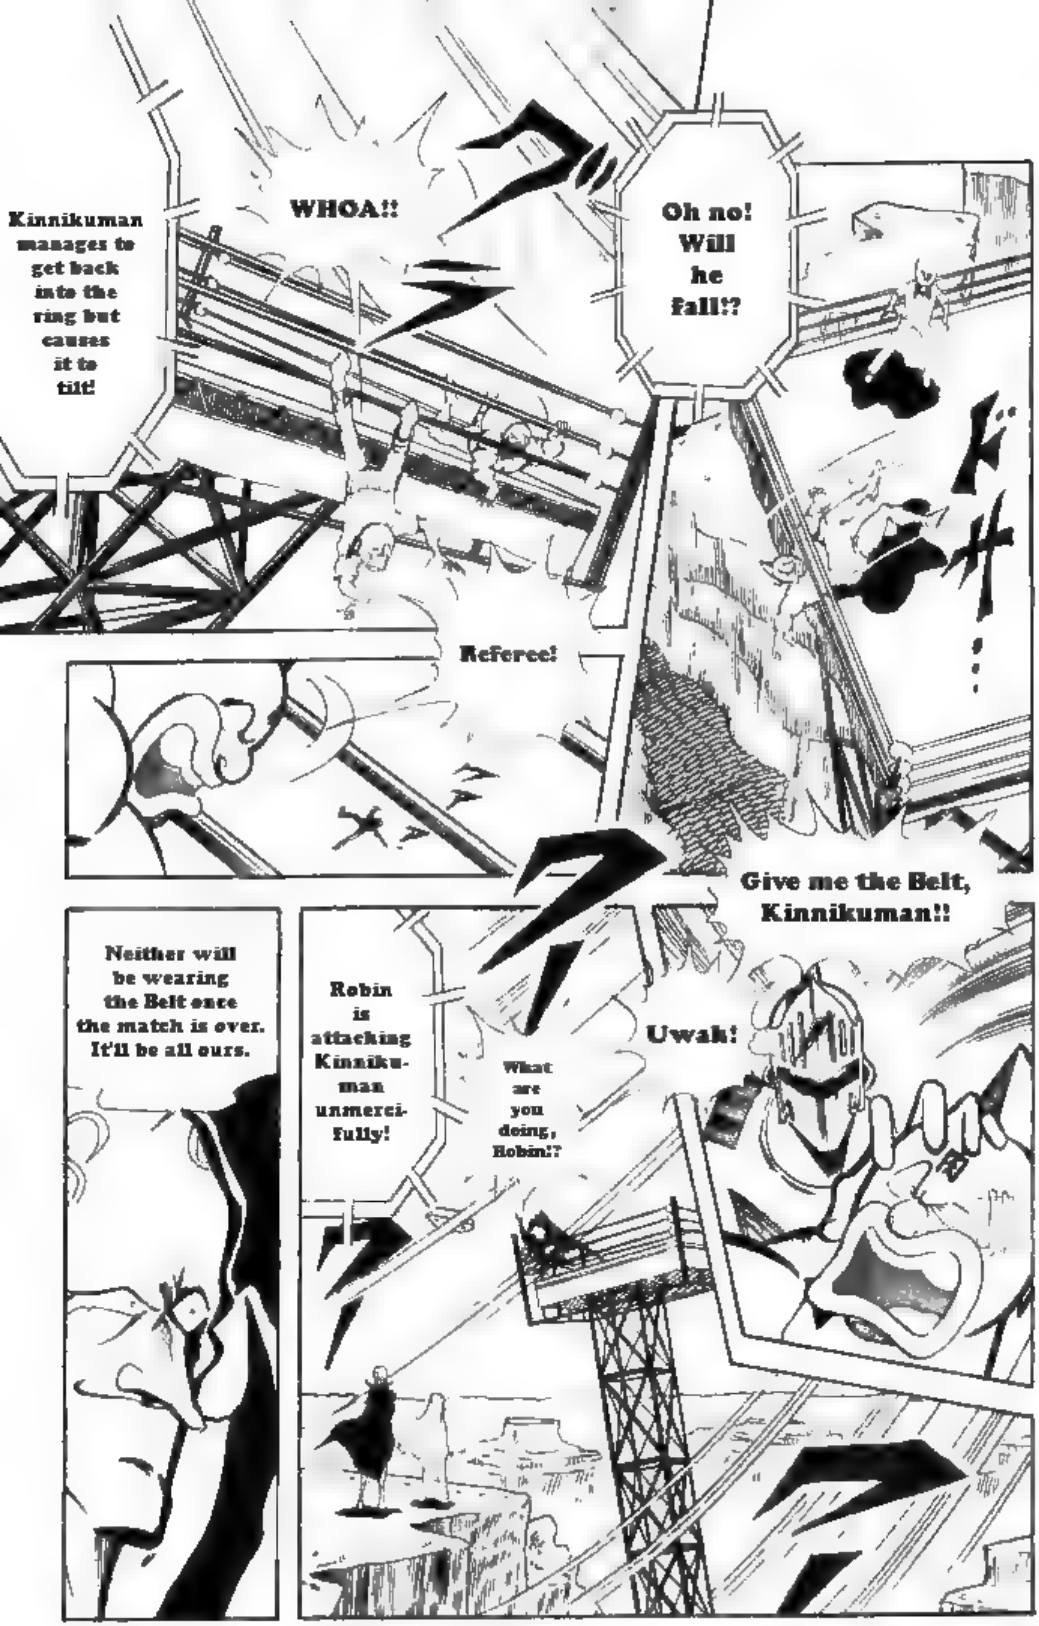
Prince!!



Kinnikuman manages to get back into the ring but causes it to tilt!
WHOA!!
Oh no! Will he fall!?
Referee!
Give me the Belt, Kinnikuman!!
Uwah!
Robin is attacking Kinnikuman unmercifully!
What are you doing, Robin!?
Neither will be wearing the Belt once the match is over. It'll be all ours.

Grand Canyon Scream

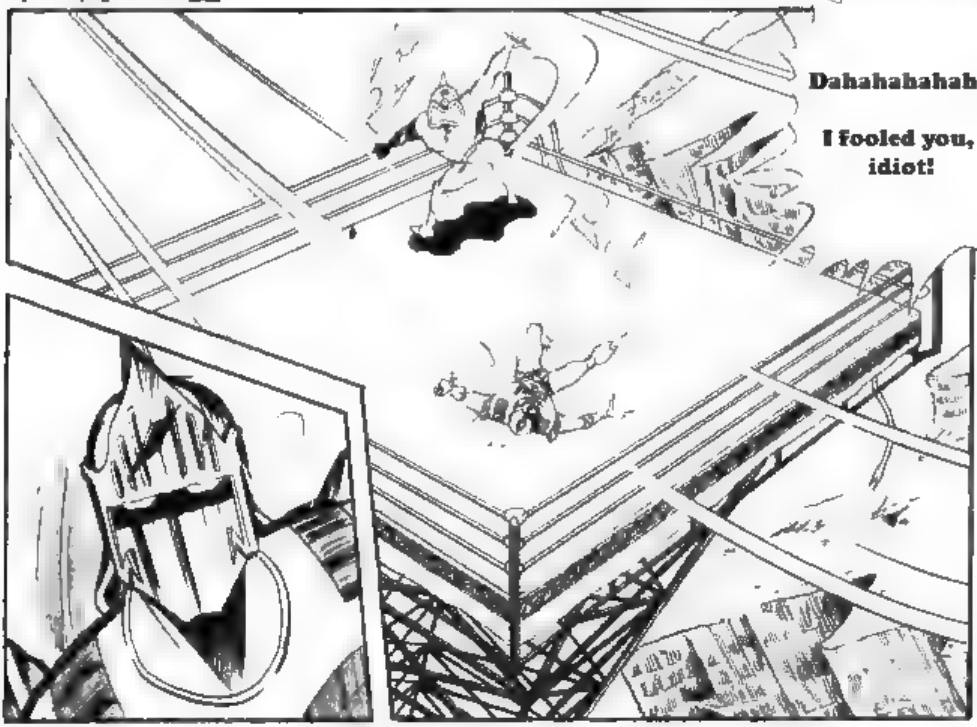
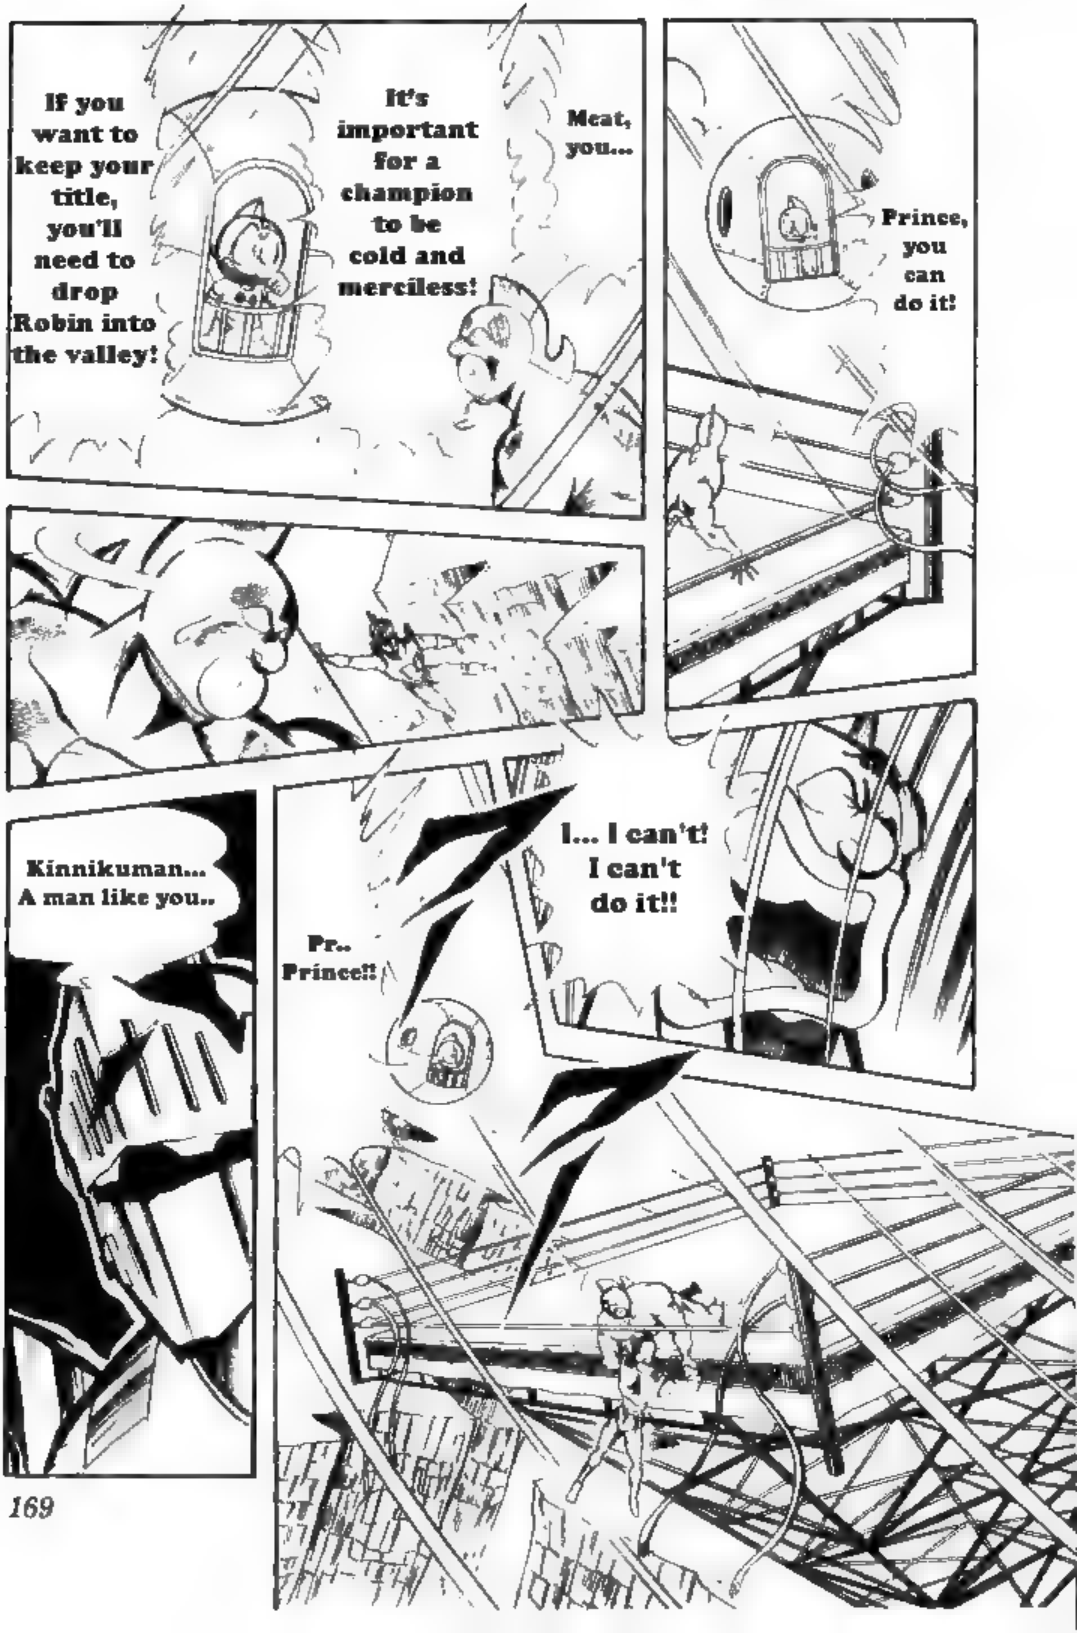
Toss Kinnikuman out of the ring!
Good job, Robin Mask!! Keep it up!
Owa-- Dis ix diffi-kult!!

Oh no! The ropes have snapped!
Waah!!
Prince!! Your legs, use your legs--!
A-ah.. Alisa! Alisa's in the stands....!!
Fool! You can't escape now that the ropes are gone!
Get him...
.....!!



Dahahahahah!!
I fooled you, idiot!
Uh... Robin's perfectly calm... I can't use my diversion tactic...!!
You can't win by just throwing around techniques! Robin's an experienced wrestler!
Ooh, this is a rare sight! Robin's punching attack!! The magnificent technician Robin is holding an unthinkable fight!!
Uwaa!!
BOGA
BOGA
BOGA

Give back my belt!!
Whoa--!
Robin's used too much force and slips from the ring!!
So, Kinnikuman, will you do it?
Are you determined enough to win that you will drop me to my death?
Ro... Robin!!
Amazing!! Robin manages to grab ahold of the ropes!

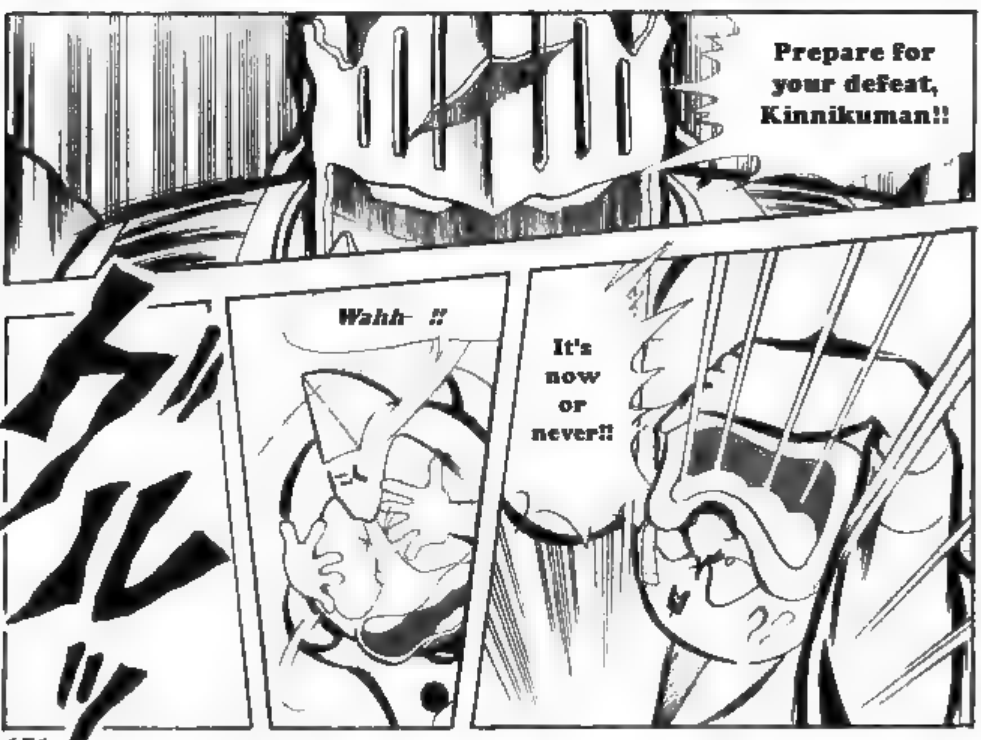


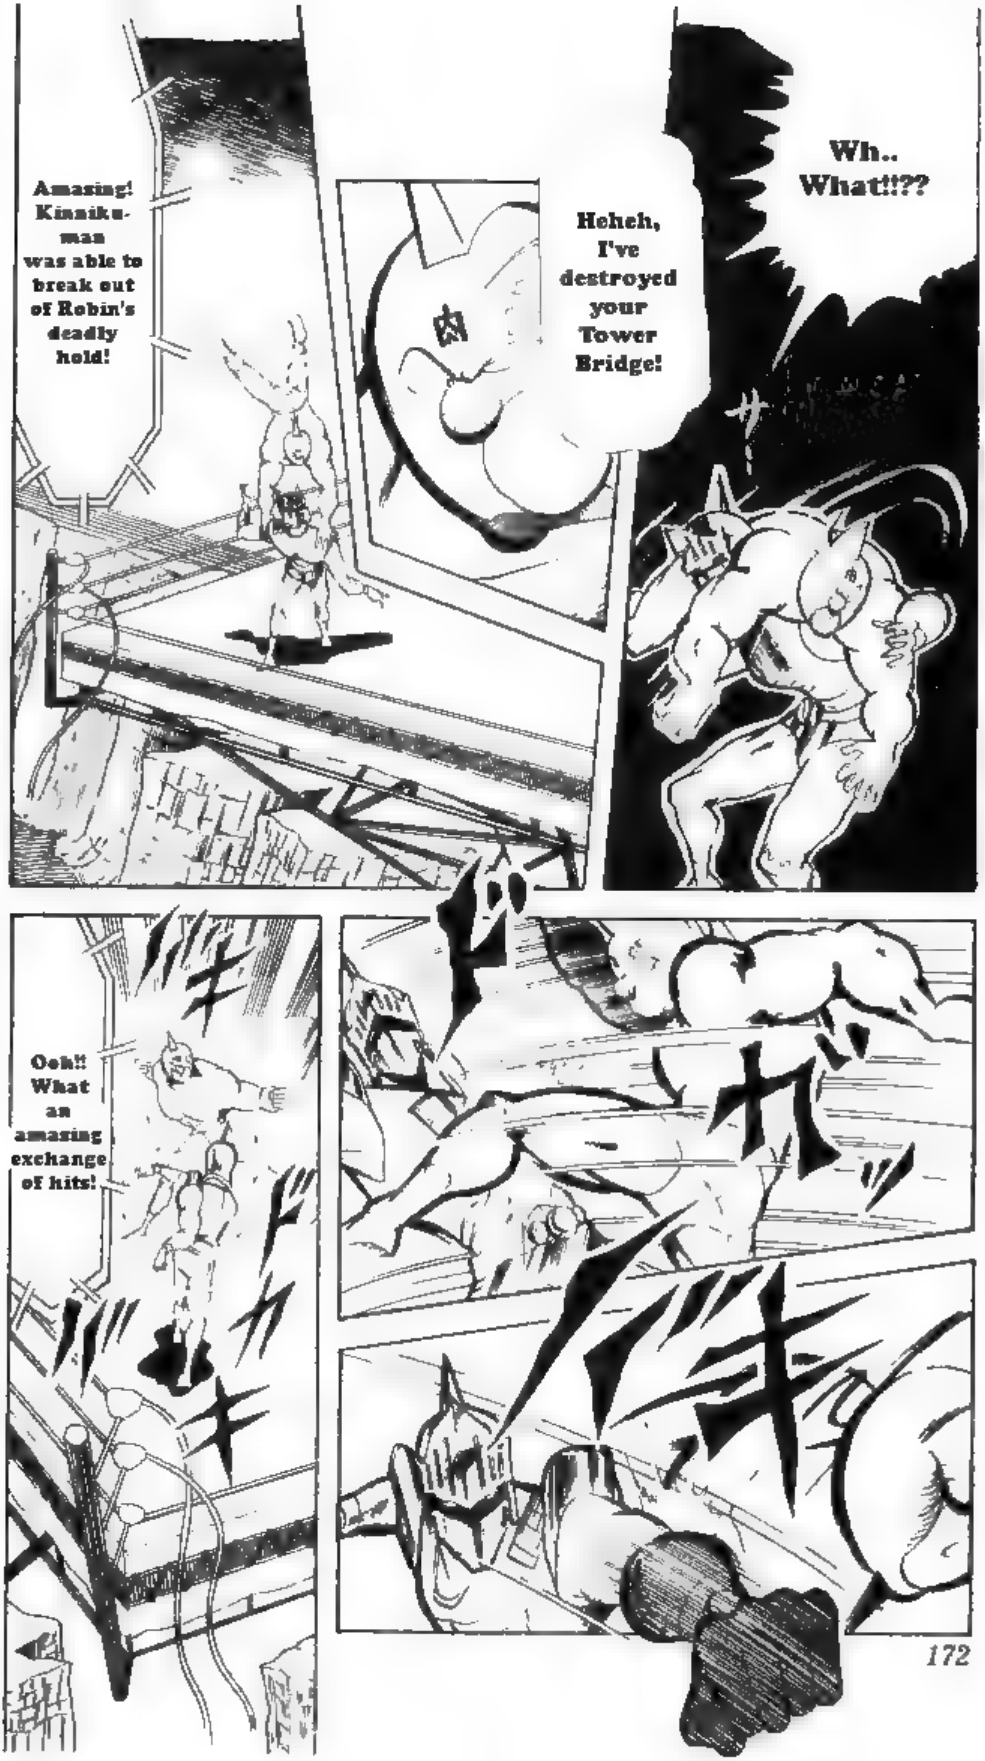
If you want to keep your title, you'll need to drop Robin into the valley!
It's important for a champion to be cold and merciless!
Meat, you...
Prince, you can do it!
Kinnikuman... A man like you..
I... I can't! I can't do it!!
Pr.. Prince!!

... Is an utter *fool!!*
And now to finish this!
Prince!!
D... Damn!!
There it is— Robin's Killer Technique:
The Tower Bridge!!
He's getting his just desserts!

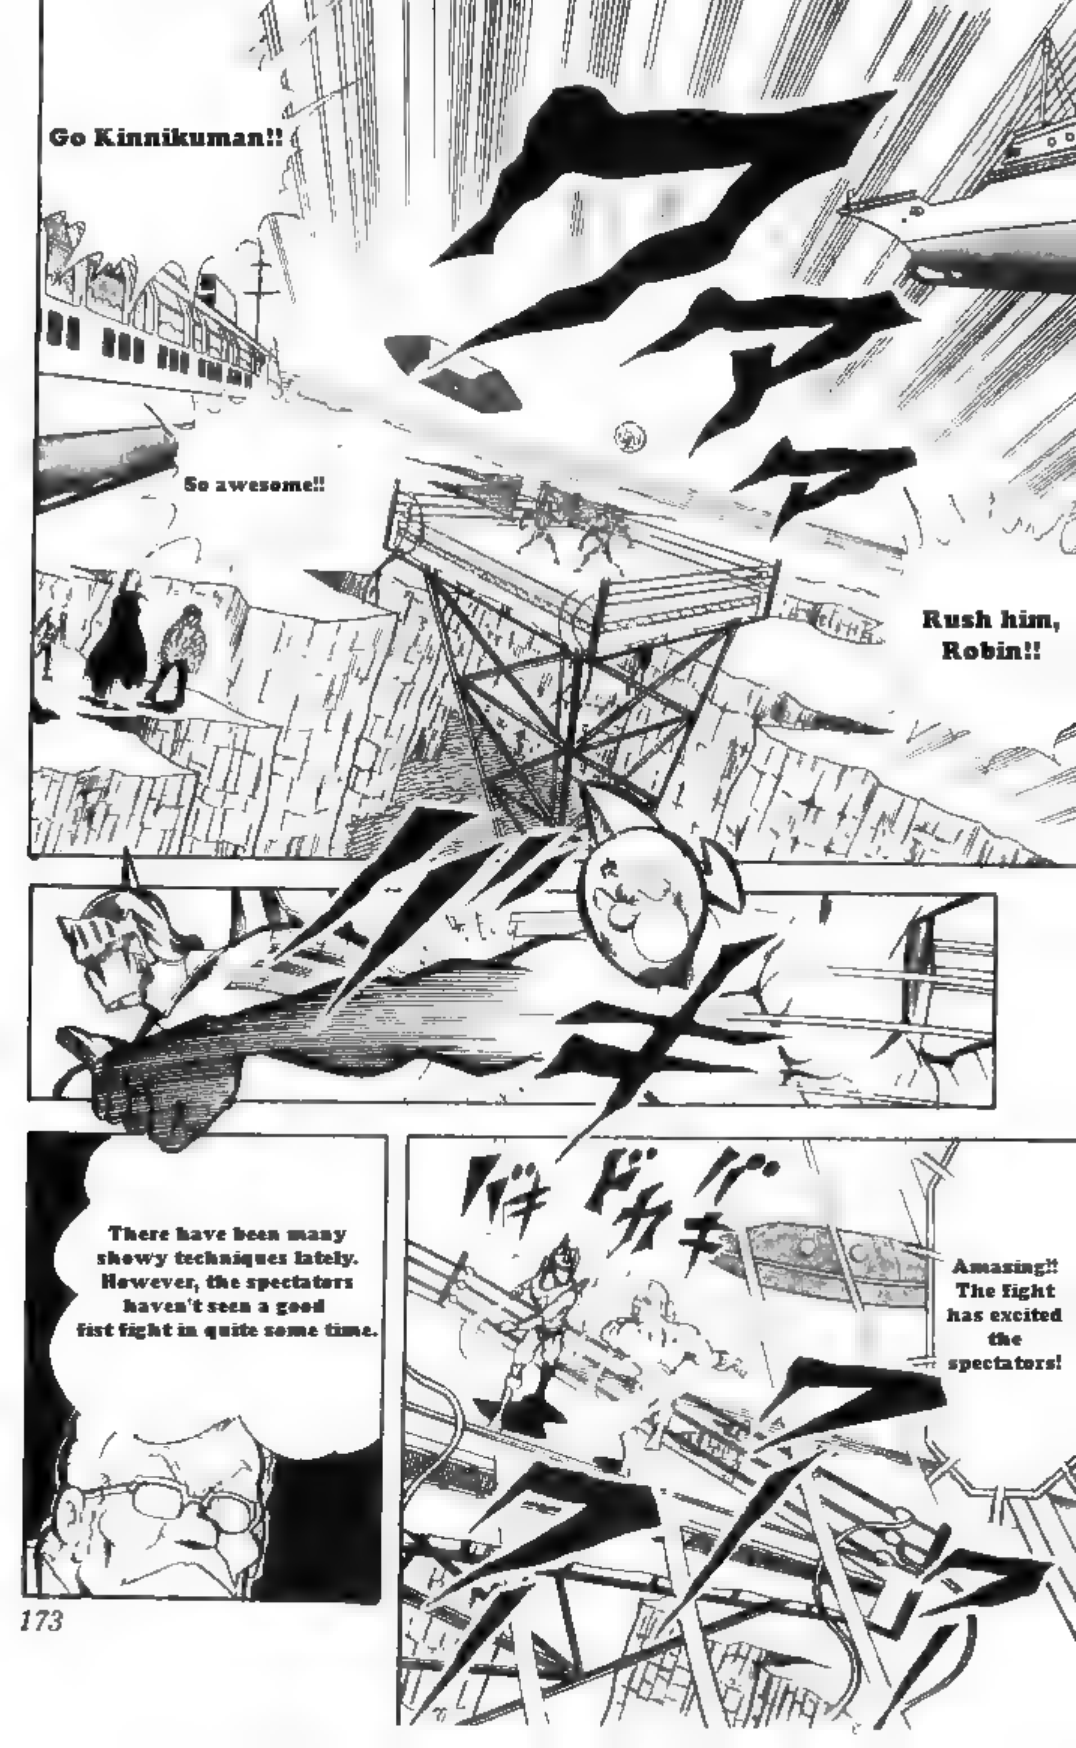
(Note: Kenshi Takanohana is a famous sumo wrestler)

Idiot!! If this was a sumo match, I'd pull out an "Ucchari" reversal technique!!
You're on the edge! Use Takanohana's technique!!
What are you saying!?? You're in a do-or-die situation!
Me... Meat.... It's over for me...
Give me a magnificent funeral....!!
No, wait a minute... I have just the thing!

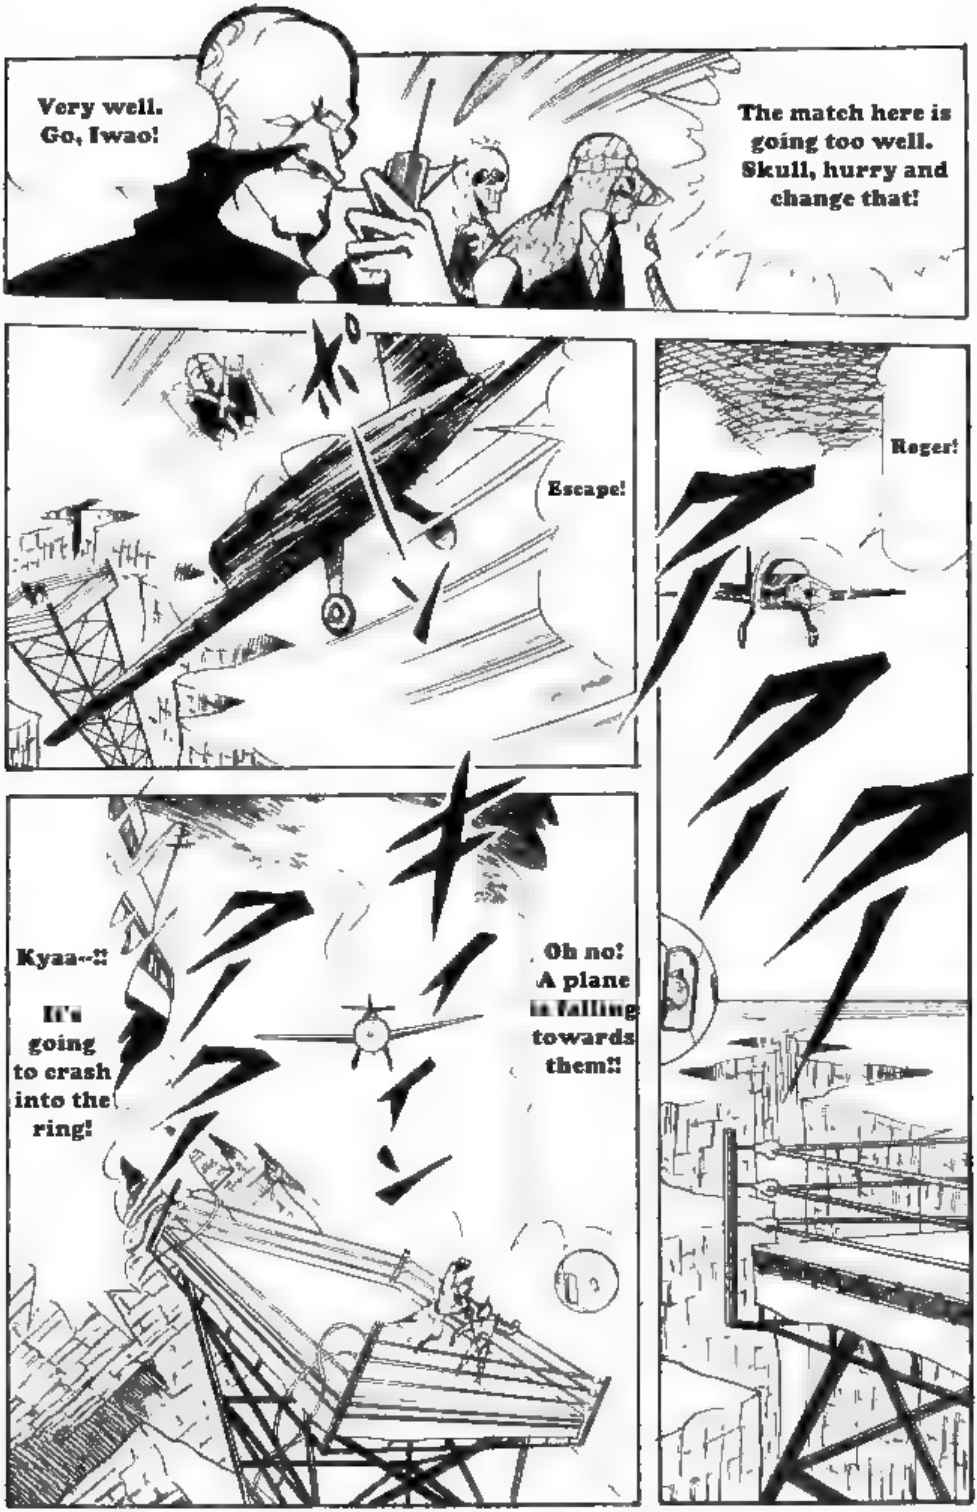




Amazing! Kinniku-man was able to break out of Robin's deadly hold!
Heheh, I've destroyed your Tower Bridge!
Wh.. What!!??
Ooh!! What an amazing exchange of hits!



Go Kinnikuman!!
So awesome!!
Rush him, Robin!!
There have been many showy techniques lately. However, the spectators haven't seen a good fist fight in quite some time.
Amazing!! The fight has excited the spectators!



Very well. Go, Iwao!
The match here is going too well. Skull, hurry and change that!
Escape!
Roger!
Kyaa--!!
It's going to crash into the ring!
Oh no! A plane is falling towards them!!

Prince, Robin! Run away!
UWA!!
NAWG

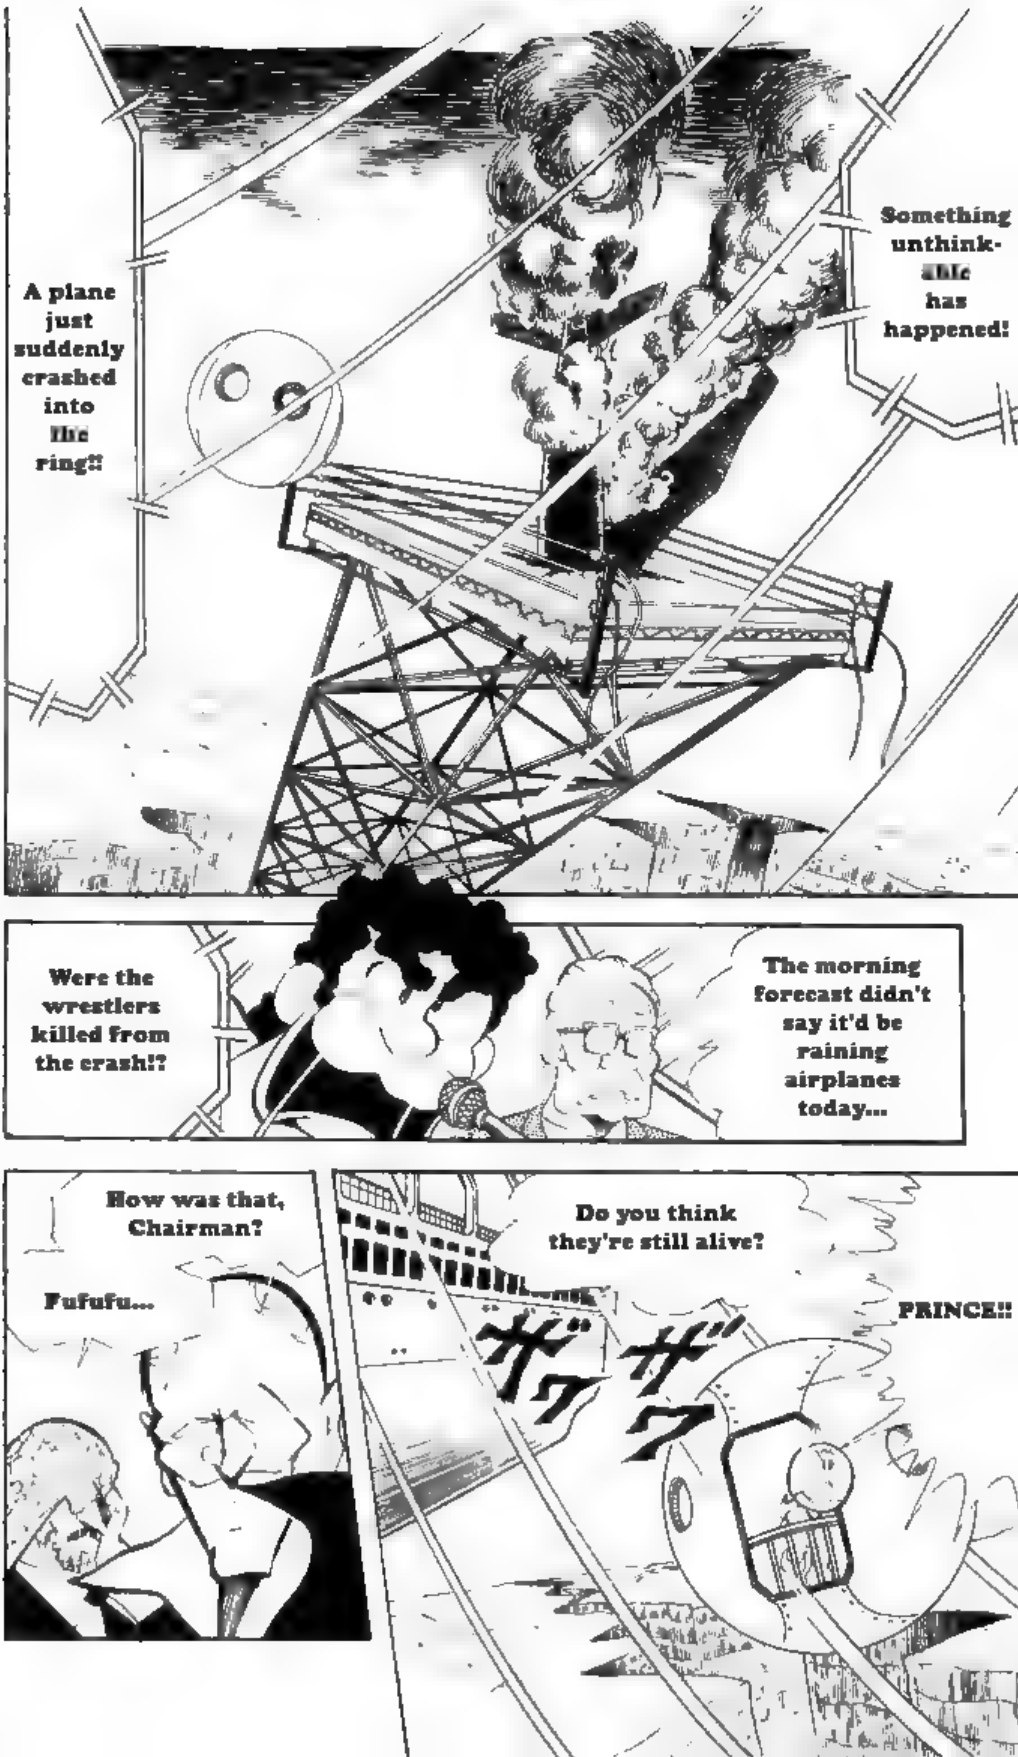
Chapter 67:

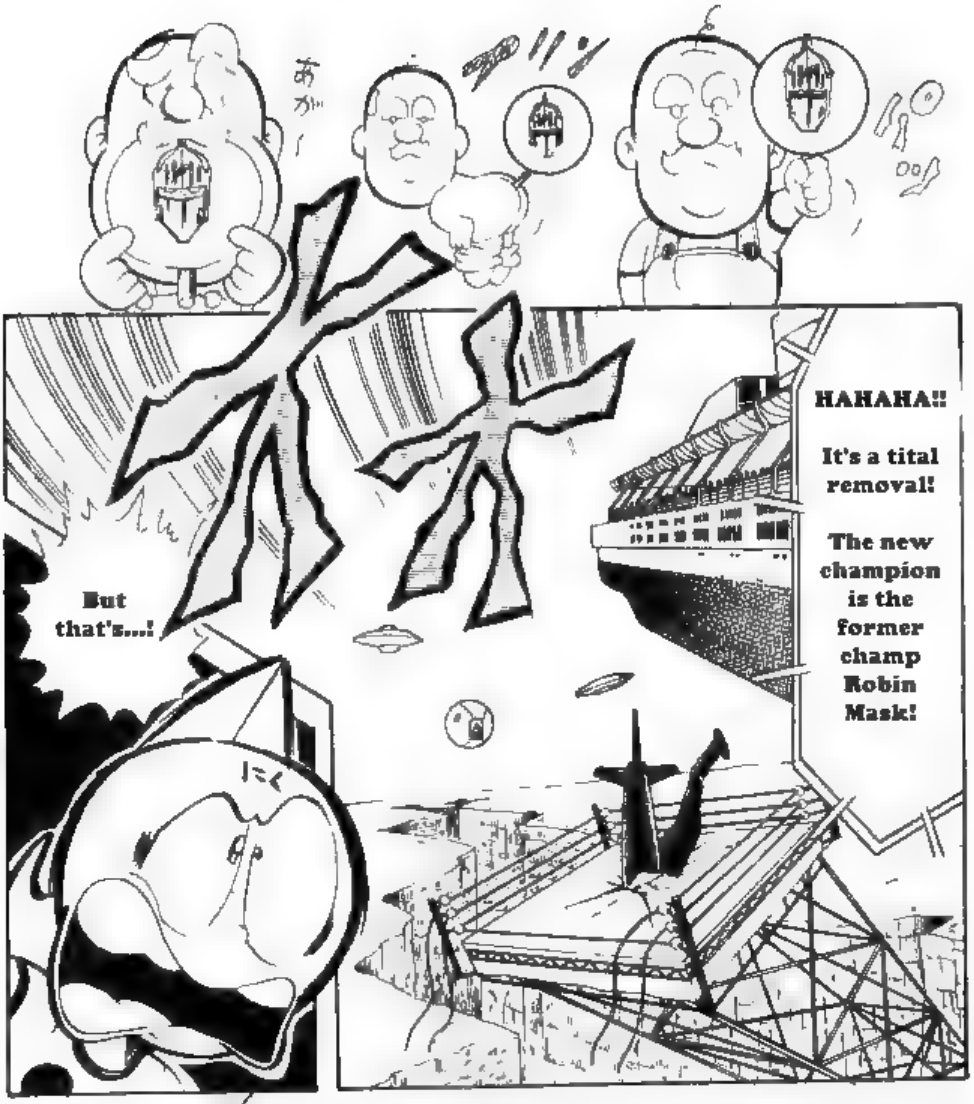
Robin's Secret

Scanlation by: Team Kinniku



A plane just suddenly crashed into the ring!!
Something unthinkable has happened!
Were the wrestlers killed from the crash!?
The morning forecast didn't say it'd be raining airplanes today...
How was that, Chairman?
Fufufu...
Do you think they're still alive?
PRINCE!!

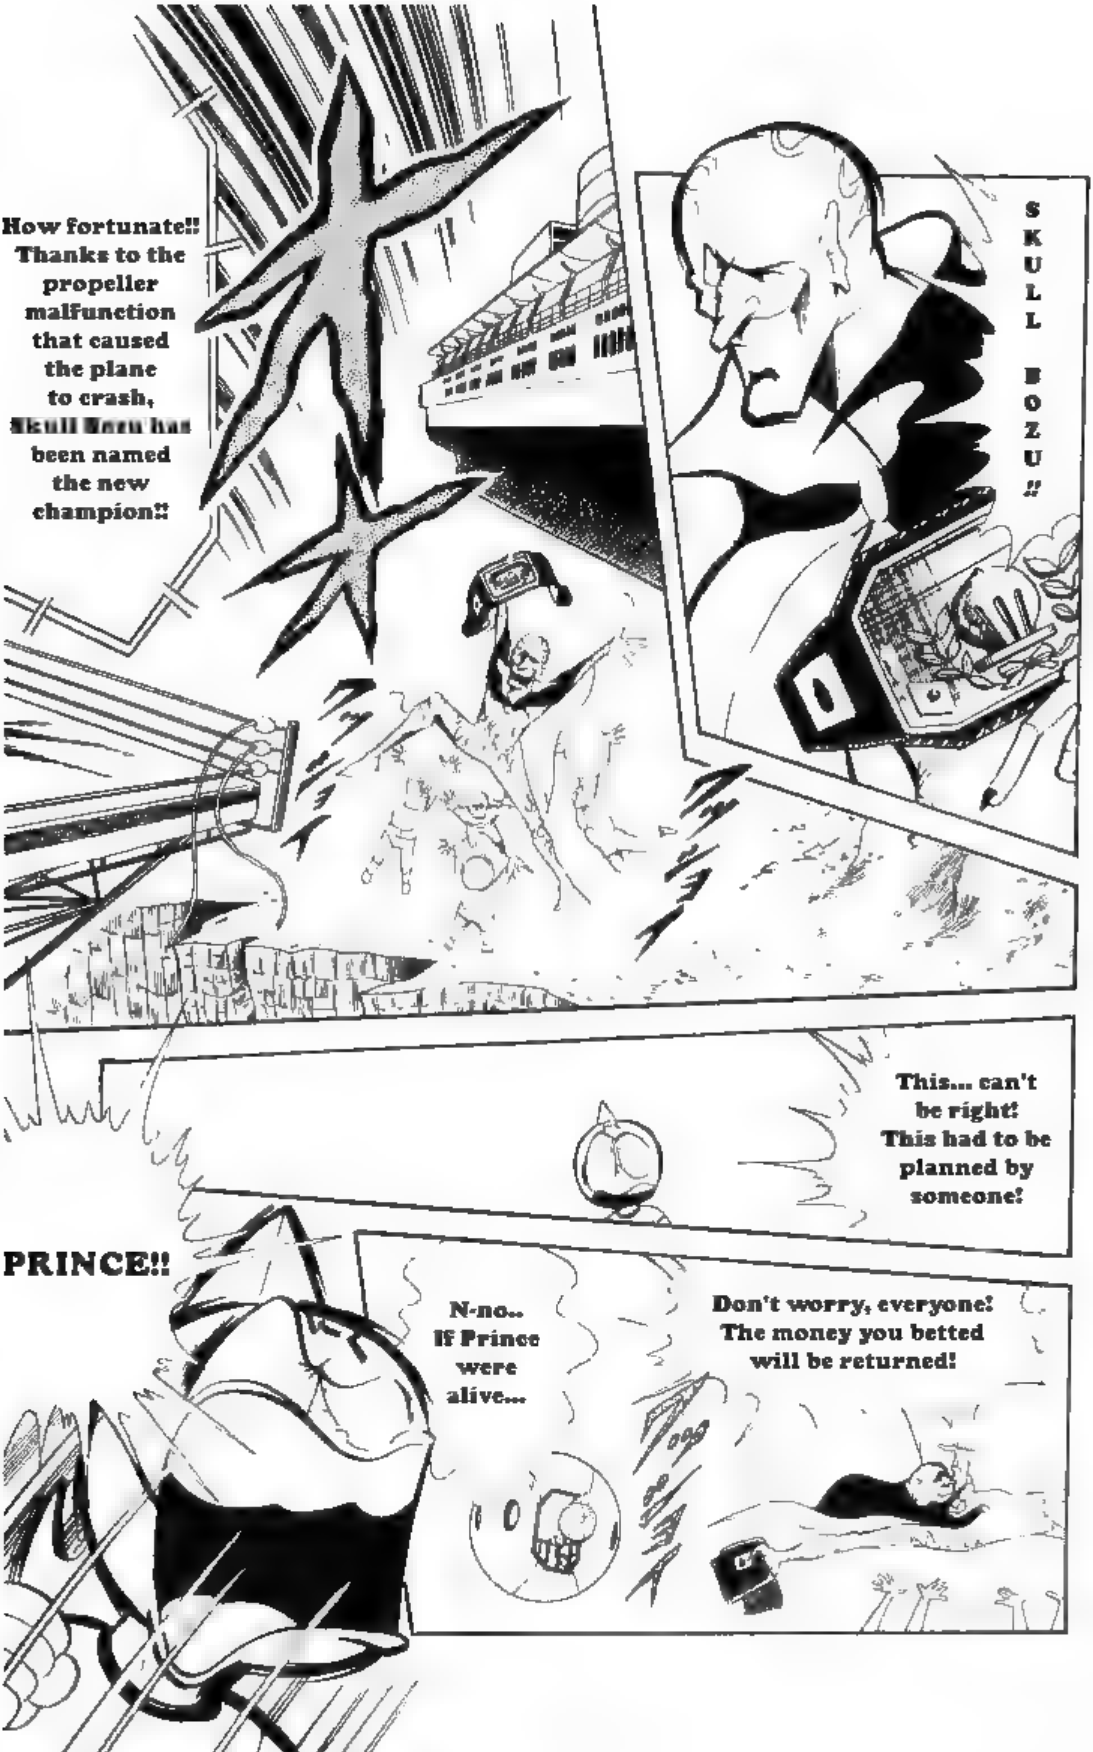
What'll happen to the money we bet!??
What's going to be the outcome of the match!?
In a few moments, we will announce..
..the winner of the Chojin world title!
HEY!! GIVE US OUR MONEY BACK!
Everyone, please remain calm!!
Now that that's out of the way, our 3 judges will announce the winner!
That's Iwao!
I'm terribly sorry...
The pilot of the plane has confirmed the crash was just an accident.



HAHAHA!!
It's a tital removal!
The new champion is the former champ Robin Mask!
But that's...!

Then... if that's the case... Since Robin was part of the Chojin Federation, that means the belt goes to...
One of the Olympic rules states that a wrestler who has died can't be named champion!

What!?
No, wait. Robin can't be the champion here.



How fortunate!! Thanks to the propeller malfunction that caused the plane to crash, Skull Bozu has been named the new champion!!
SKULL BOZU!!
This... can't be right! This had to be planned by someone!
PRINCE!!
N-no... If Prince were alive...
Don't worry, everyone! The money you betted will be returned!

What?
Thanks to that, I can't be a ladykiller!
Prince!! Thank goodness! I thought you were dead!
P...PRINCE!!
Robin.. I can't believe...
That attack was so sudden...
Huh?
You idiot! I'm still full of strength!

Robin....

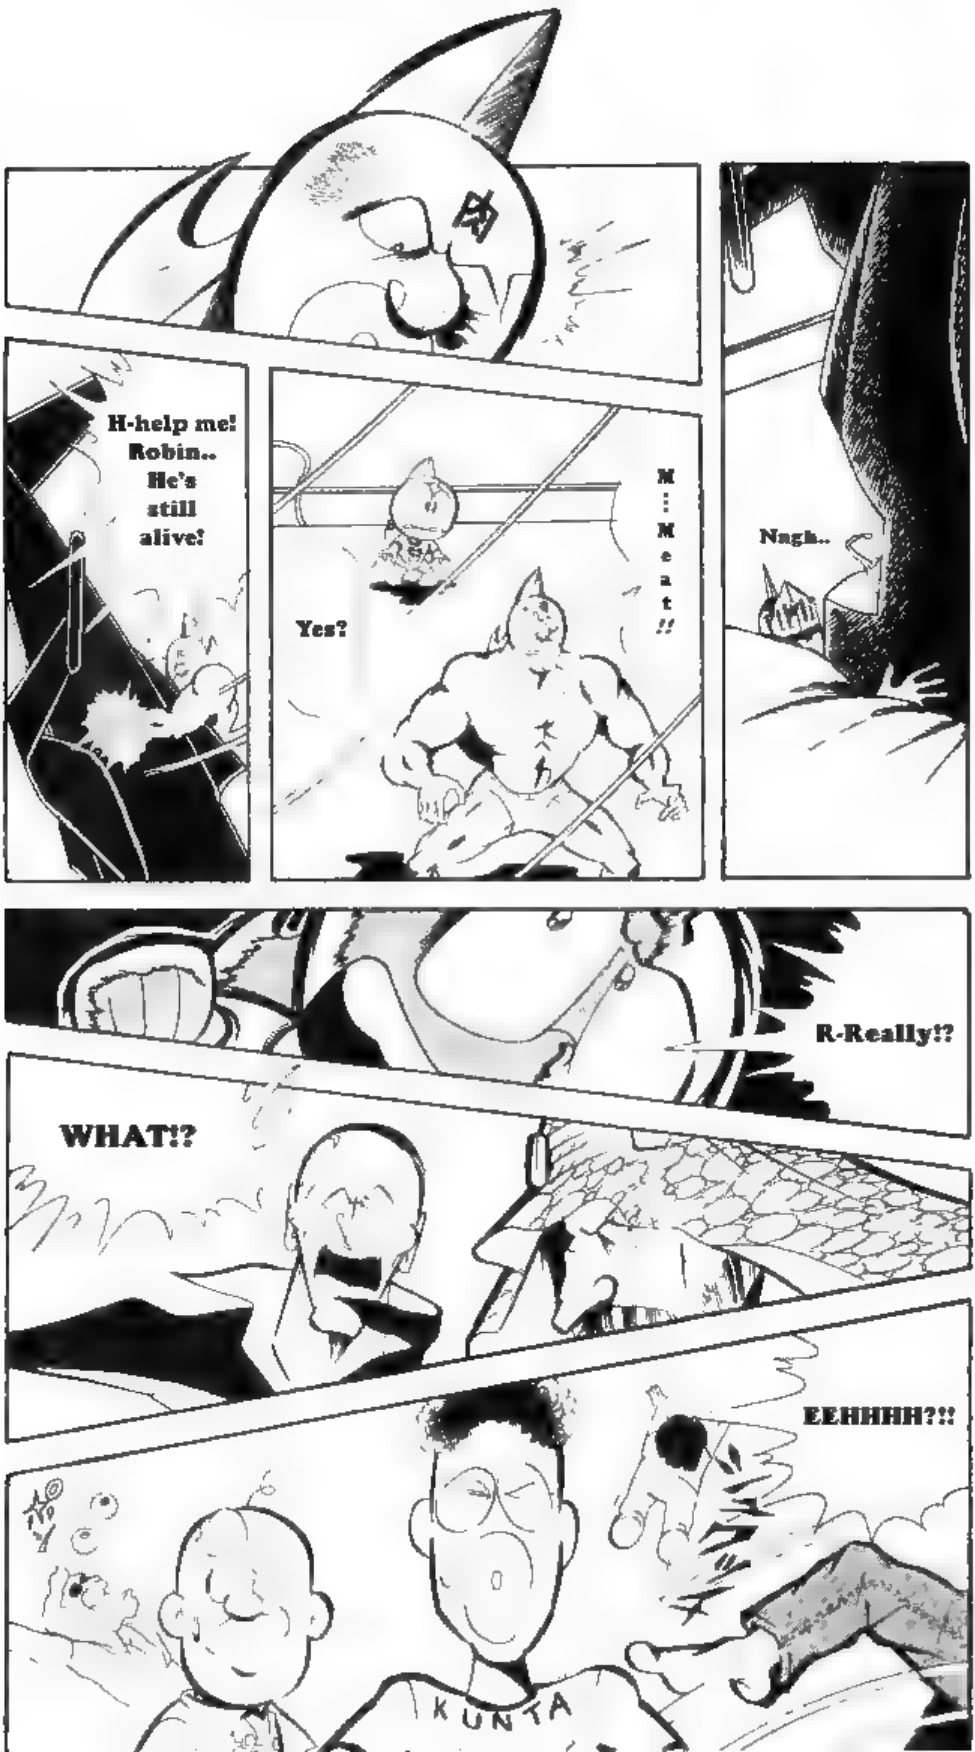
Where's Robin!? Is he okay!!?

T-that airplane!

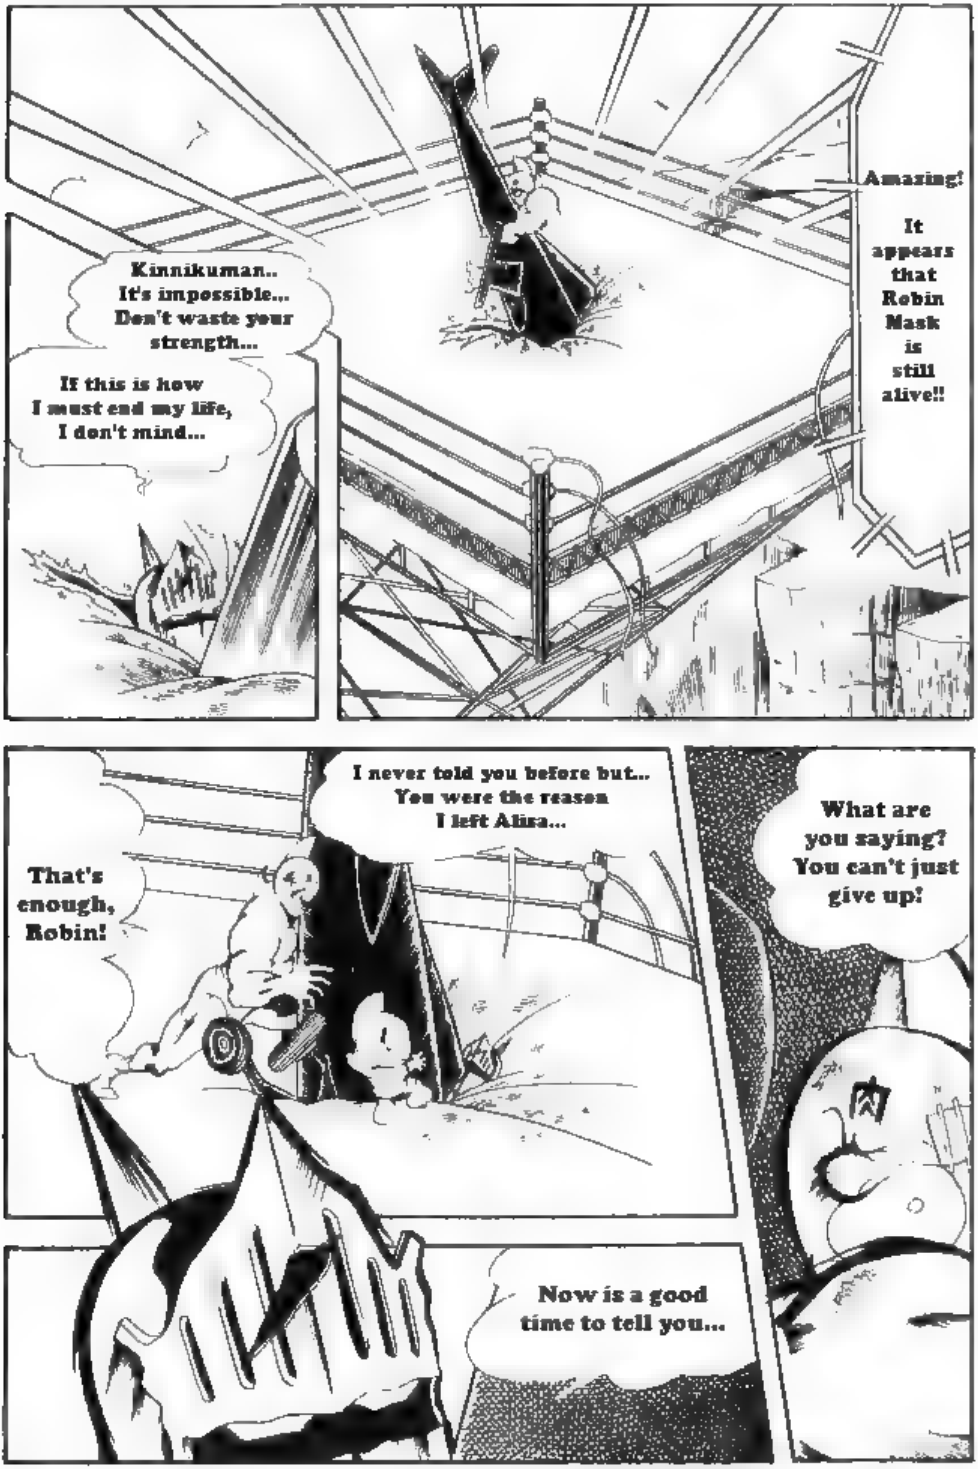
That's the one that crashed into us!!

W-what...

.....



H-help me! Robin.. He's still alive!
Yes?
M...Meat!!
Nagh..
R-Really!?
WHAT!?
EEHHHH?!!
KUNTA



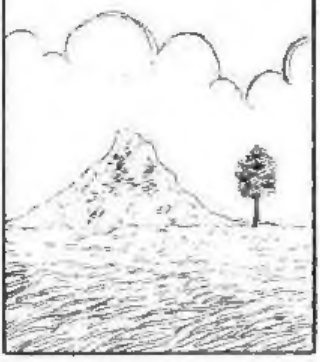
Amazing!
It appears that Robin Mask is still alive!!
Kinnikuman.. It's impossible... Don't waste your strength...
If this is how I must end my life, I don't mind...
I never told you before but... You were the reason I left Alisa...
That's enough, Robin!
What are you saying? You can't just give up!
肉
Now is a good time to tell you...

I had heard the news of your activity in Hawaii. It made me yearn to be in the ring and I couldn't stand what I had done.

However, I hadn't quit as a Chojin fighter.

After you won my title, Alisa and I chose to live a peaceful life in Africa...

We settled down and I started my new job as an animal ranger there.



...And went on a long journey, hoping to rebloom as the Chojin World Champion..

Finally, I freed myself from Alisa...

...in front of the gates to the Chojin Federation.

I was taken in by the Sheik Alien when I collasped...

I realize now I can not go and surpass my past glories...

I was simply used as the Federation's tool for killing.

Stop talking and save your strength!!

Looks like we have no choice. We're going to have to destroy the whole ring.
Live, Robin!! I know you can! Stay strong and live!
I did it! I've saved you, Robin!!

DOGOOON
Farewell, Kinnikuman....!!
UWAH!!
ROBIN!!!

HAHAHAHA!!
Y.. You!!
Hahahaha...
Hahaha...
I'LL MAKE YOU ALL PAY FOR WHAT YOU DID!!
DON'T YOU DARE LEAVE!!
